

# The Charismatic Charlie Wade Chapter 471 – 475

## Chapter 471

Barena Wei was worried and said to his father Youngzheng Wei: “Dad, let’s change the property and run away with the money. Otherwise, if Fredmen really wants to attack us, we will be in trouble!”

Hearing this, Youngzheng Wei cursed: “Prodigal gadgets have become sellers? So anxious to sell, is the one billion family capacity sold for 200 million? This is all my life’s hard work!”

Liang Wei, the illegitimate son on the side, also nodded hurriedly and said, “Brother, Wei’s pharmaceuticals were made by our dad’s hard work all his life. How can we sell it like that.”

Barena Wei raised his hand and slapped him in the face, angrily said, “You wild species, where do you speak?”

Liang Wei, who received a slap in the face, took two steps back and covered his face. Although he felt wronged, he said very firmly: “Brother, even if you hit me, I have to say that Wei’s Pharmaceutical is the work of dad. You can’t sell it!”

“I f\*cking kill you!” Barena Wei was furious and was about to attack Liang Wei.

Youngzheng Wei, who has never looked down upon Liang Wei, stopped Barena Wei, who was about to do it, and said coldly: “Your brother is right! Something went wrong, we must find a way to solve it! Instead of selling the life’s hard work and running away. !”

After finishing speaking, Youngzheng Wei snorted and said: “Today, I leave it here, you brothers, who can solve this crisis, who will be the chairman of Wei’s Pharmaceuticals in the future, the person who cannot solve the crisis is destined Inability to lead Wei’s Pharmaceuticals!”

Barena Wei suddenly panicked and blurted out: “Dad! How can Wei’s Pharmaceutical be handed over to this wild species!”

Youngzheng Wei coldly snorted: “Is it a wild species, it’s all my species! If you, the eldest son, is not able to bear it, you will abdicate to him!”

When Liang Wei on the side heard this, his heart was suddenly very excited.

I have endured all these years in Wei Jiayin, suffered all the humiliation, and finally waited for a chance to become a leader!

In fact, in Youngzheng Wei’s opinion, it is naturally impossible for the family business to be inherited by an illegitimate child. However, his eldest son Barena Wei is really not enough to be competitive, so he must be stimulated and forced to find a solution to the current crisis.

.....

When the Wei family was looking for treatment for Fredmen all over the world, Charlie just returned to the bedroom after taking a shower.

His wife, Claire, was wearing a nightgown, lying on the bed, kicking her two white jade-like legs at will, swiping the phone in a leisurely manner.

Claire is usually too busy at work and under great pressure. Every night, playing on phone and reading novels in bed have become her biggest leisure.

As soon as Charlie lay down on his own floor, Claire suddenly screamed, and the phone in her hand was thrown out and hit his face.

Charlie couldn’t care about the pain, and asked her hurriedly: “What’s wrong with you, wife?”

Claire’s expression was extremely ugly, and said: “The YouTube suddenly pulled out a video, it is disgusting...”

Charlie said curiously: “Let me see how disgusting it is.”

With that said, he was going to get Claire's mobile phone that had fallen on the floor.

Claire hurriedly said, "Oh, don't look at it, it's disgusting..."

Charlie smiled and said, "Where can the nausea be no more?"

After speaking, he picked it up and took a look, and was stunned.

Well, it turned out to be Wu Qi who liked to give girls psychological hints...

From the appearance of his hysterics in the video, he can be sure that the hypnotism he gave him worked.

## Chapter 472

It's really pleasing to see him being so frustrated.

He has to eat it every hour. This person is basically over for the rest of his life. There is no chance to ruin the little girl.

So Charlie locked the screen of her phone and smiled and said to Claire: "I've heard of this guy."

"Really?" Claire asked in surprise: "How did you hear of him?"

Charlie said: "This guy is very bad, he likes to brainwash the little girl, and then force the little girl to self-harm and commit suicide."

With that said, Charlie recounted the criminal history of this guy.

When Claire heard this, she immediately said angrily: "This guy is too damned! Who is not raised by his parents, why should he hurt others?"

Charlie said earnestly: "In this society, there are always *sumbags who like to hurt others for pleasure*. *Such scm* is the dregs of the society. Sooner or later, we will get rid of it."

Claire nodded approvingly, and said, "It seems that he deserves what he has become today!"

After watching this kind of video, Claire felt a little lingering, so she stopped playing with the mobile phone, but stretched out and said, "Oh, I'm sleepy, Charlie, help me charge my mobile phone. I am going to bed."

"Okay," Charlie replied and put the charge to her phone.

In the middle of the night, when Charlie was about to fall asleep, his cell phone suddenly buzzed twice. He turned on the cell phone and saw that it was a WeChat message sent to him by Orvel: "Mr. Wade, there are a few Japanese people who are lying in ambush at Mr. Shi. the Clinic, it seems that he is about to act on the genius doctor Tianqi!"

Charlie said: "Some of them are probably trying to rob the Old Master of medicine."

"d\*mn!" Orvel blurted out: "These gangsters dare to get the idea of a magical medicine, Mr. Wade, with your word, I will immediately take the brothers to catch them and take them to my kennel. Chop them up and feed the Tibetan Mastiff!"

"Don't." Charlie said with a smile: "This group of people are not small, they are the eldest son of Kobayashi Pharmaceutical in Japan, I am going to dig a big hole for him, you let your brothers secretly protect Tianqi's safety, as for them If they grab the medicine, let them take it away. I deliberately prepared the medicine for them."

In order to pit Ichiro, Charlie specially refined a few fake Pills and gave them to Tianqi.

This pill is magical, no matter what the other party's disease is, even if he is on the verge of death, and only a breath is left, just take one pill, and he will be able to return to the light and live for an hour or two.

But its consequences are also terrible, that is, after these two hours of vigorous life, the person taking the medicine will die immediately, and there is no cure.

In fact, this pill is not a poison in itself, but a panacea that can ensure that the other party finishes his dying instructions.

The effect of the medicine is to overdraw all vitality to support one or two hours of return to light.

In this way, the person taking the medicine can clearly explain all the funeral matters.

This kind of medicine was specially configured for emperors and generals in ancient times. Generally, when the emperor was dying of illness, he would prepare a Pill of Returning Light, so that at least he could arrange the affairs well before he died.

But in modern times, this thing is actually useless.

Moreover, its final medicinal effect is a bit too hard, even if a healthy person eats it, after two hours of life, he will definitely be cold.

Therefore, in modern times, this medicine is more like a poison.

Charlie had seen this medicine in the Nine Profound Heaven Scriptures a long time ago, and felt that it was useless, so he didn't take it seriously.

However, this time he felt that this fake med finally came in handy and could be used to pit Ichiro!

## **Chapter 473**

After explaining Orvel, Charlie called Issac again.

As soon as the call was made, he immediately asked him: "After Ichiro succeeds tonight, he will definitely escape from China in the shortest time, so you must set up a net in Aurous Hill. Anyone can run within his group, except He can't run!"

Issac said immediately: "Don't worry, Mr. Wade I have all arranged. If this Ichiro runs away, he will meet you!"

After that, Issac promised: "The medicine that Ichiro robbed, I also promised by the head that they will never be taken out of China!"

“Don’t!” Charlie said hurriedly: “All I want is to let them take the medicine away. Remember, medicine can leave China, and doglegs can leave China, but Ichiro must not leave China!”

Issac hurriedly said, “Mr. Wade I understand! Don’t worry, Ichiro will not escape!”

“Okay!” Charlie smiled slightly, and said: “After catching Ichiro, just find me a hidden place to take care of him, and I will meet him in person!”

“OK Master!”

.....

Ichiro didn’t know, at this time there was already an invisible big net, tightly covering his head.

At this time, he was sitting in a Maybach sedan, which was parked opposite to the Clinic, and several of his men were already hidden around the door of the Clinic, ready to touch in at any time.

His father, Masao Kobayashi, has been bedridden and paralyzed for three years. In the past three years, his father has been investigating him, and his younger brother Jiro, according to his father, whoever made great contributions to Kobayashi Pharmaceutical, can inherit his president position.

His younger brother Jiro, himself an expert in pharmaceuticals, has been studying Kampo for many years, so in the past few years, he has created a lot of Kampo medicines for his family. The sales are very good, so he is highly regarded by his father.

In contrast, Ichiro is a bit sad. He is not a student of pharmacy, but of finance. This kind of person is more suitable for real estate and can blow bubbles in various ways, but it is really a bit for medicine. Doesn’t match well.

For things like medicine, it is necessary to rely on real good medicines to open the market.

If you have a magic drug, you can make a lot of money just by relying on the word of mouth of consumers.

But if your medicine is ineffective, no amount of advertising will work. Consumers will never use it again after using it once.

Therefore, his brother Jiro has a much greater chance of success in the family than his eldest son.

As a last resort, he came to China to participate in the China traditional medicine Expo, in order to see if he could also discover some good Chinese prescriptions, and bring them back to the family for use. If he could make a remarkable achievement, he would have a chance. Take the initiative.

When he heard at the exposition that the Chinese genius doctor Tianqi had cured a high paraplegia some time ago, his whole body suddenly became excited.

If you can get this prescription, then you will not only restore his father, but also bring huge business opportunities to the family! It is even possible for Kobayashi Pharmaceutical to grow and develop several times, dozens of times!

## **Chapter 474**

Therefore, his future is all pinned on tonight!

Thinking of this, Ichiro, who was so excited, immediately called his father.

The paralyzed dad received his call and asked, "Ichiro, where have you been these days? Why didn't you come to see me?"

Ichiro hurriedly said: "Dad, I am seeking medicine for you in China! I heard that there is a genius doctor in China who actually cured a patient with high paraplegia some time ago!"

"Is this true?!" Masao Kobayashi said in surprise: "Is there a magical doctor in China who can cure high paraplegia?!"

"Yes!" said Ichiro, "I have checked the records of the hospital and confirmed that the patient was really cured, and I have also been inquiring about it. The people in the hospital said that it was the Chinese genius doctor's half a magic medicine that cures the high paraplegia patient!"

“Half a magic drug?!” Masao Kobayashi was a little bit incoherent with excitement!

During the three years he was paralyzed, life felt extremely painful.

He himself is a very famous entrepreneur and has wealth. However, he was suddenly paralyzed in bed and lost the opportunity to enjoy life. This made him feel a little miserable.

In the past few years, he has been looking for a way to heal himself, but in the world, there is no medical method that can restore the paralyzed patient to the original. Even if it is physical therapy, it is difficult for him to stand up, let alone Walk and live like ordinary people.

However, he suddenly heard his son say that Chinese genius doctors have such superb medical treatment methods, and he suddenly yearned for it!

So, he couldn't help but exhorted excitedly: “Ichiro, even if you spend 100 million, you have to buy this magical medicine!”

Ichiro hurriedly said: “Dad, that genius doctor doesn't know what is good or bad, and is unwilling to sell me the medicine. I am ready to do it tonight to snatch his medicine and send it to Tokyo overnight for you to take!”

As he said, Ichiro said again: “By the way, I heard that this genius doctor has more than one genius medicine. If you eat the leftovers, you can study and analyze it for our team of pharmacists. If we can crack this prescription , Then our Kobayashi Pharmaceutical is about to develop! We will definitely be able to become the world's top pharmaceutical company with this drug! Win glory!”

“Okay! Great!” Masao Kobayashi said excitedly: “You really deserve to be my good son! You must do it beautifully for me, and do it as soon as possible!”

Ichiro hurriedly said: “Dad, don't worry, my private jet is already waiting at Aurous Hill Airport. After the medicine is available, I will leave a few people behind, and then immediately go to Aurous Hill Airport to fly back to Tokyo, as long as my plane can go smoothly. Taking off, then no one can ever stop me!”

Masao Kobayashi said excitedly: “In this case, you will be able to arrive in Tokyo three hours after the plane takes off! I can take this magical medicine for up to four hours! Great! I finally have a chance to stand up again. Up!”

Ichiro burst into tears and said, “Father! With the blessing of Amaterasu, you will definitely enjoy endless glory and wealth in this life, and illnesses will definitely leave you!”

“This is good!” Masao Kobayashi was excited and said: “Ichiro, you must be more careful and don’t miss it. I’m in Tokyo, waiting for your good news!”

Ichiro said immediately: “Father, please rest assured, I must come back with the magic medicine and let you stand up again!”

## Chapter 475

After hanging up the phone, Ichiro was so excited that he almost went crazy!

If he can get this miraculous medicine, then he will be able to become the successor of Kobayashi Pharmaceutical!

This time in China, it is really a bargain!

At this moment, the assistant on the Maybach co-pilot turned around and said, “Mr. Kobayashi, it’s already eleven o’clock, shall we?”

Ichiro nodded and sneered: “Do it!”

The assistant took out the walkie-talkie and immediately ordered: “Do it now!”

As soon as the voice fell, six men in black sneaked into Tianqi’s Clinic quietly.

Tonight, Tianqi is living in the small bedroom behind the Clinic.

He is here, waiting for the Japanese to come.

However, to be safe, he still let his granddaughter Zhovia go to the hotel.

After the six men in black touched into the Clinic, they immediately came to Tianqi's sleeping room and saw Tianqi lying on the bed. One of them immediately covered his mouth, pointed his gun at his temple, and said coldly: "Don't yell, cooperate with us obediently and spare you for not dying!"

Tianqi "panicked" and asked: "You...what are you going to do!"

"Hand over the magical medicine!" The man in black said coldly: "Otherwise, blow your head!"

Tianqi trembled with fright, and blurted out: "Don't shoot, don't shoot! I'll give it to you!"

After speaking, he reached into the small pocket inside the pajamas and took out a very high-end small wooden box.

The wooden box also carried the temperature of Tianqi's body as he kept it close to the body, showing how precious it is.

The other party took the wooden box, opened it, and found that there were four pills in it. He was so excited that he immediately reported through the walkie-talkie: "Report Mr. Kobayashi, we have found four magical medicines!"

"Four?! Great!" Ichiro said excitedly: "Quickly withdraw! Give me the medicine!"

The man asked: "What about this old thing?"

Ichiro said: "Knock him out! As long as we fight for an hour, we will succeed!"

"Okay!" The other party immediately knocked Tianqi's head with the spear, Tianqi tilted his head and immediately passed out.

At this time, many of the good players Orvel found were staring secretly. If the other party really wants to hurt Tianqi's life, then follow Charlie's instructions and act on them immediately!

But if the other party didn't mean to hurt the Old Master's life, he would have to work hard and bear it first.

Tianqi was indeed knocked out, but fortunately, there was no danger to his life.

After these guys succeeded, they immediately withdrew from Clinic. One of them came to the Maybach car on the opposite side of the road. With the window down, he hurriedly handed the wooden box to Ichiro and said, "Mr. Kobayashi, here is the medicine!"

Ichiro couldn't wait to open his eyes, and he was shaking with excitement when he smelled the strong fragrance of medicine!

"Great!" Ichiro said excitedly: "Your lord, let's go to the airport first and set off for Tokyo immediately!"

After that, he immediately told the driver: "Drive! Go to the airport at the fastest speed!"

Then, he said to his assistant on the first officer: "Notify the crew to prepare for takeoff now. After I arrive, the plane will take off immediately without any delay! In case the Chinese react and stop us from taking off, everything It's all over!"
