

“No! You hurry back with me, and I will ask my dad to arrange for someone to take you off Hong Kong immediately!”

“No need.” Charlie pulled her with a little force, then dragged her out,

And said indifferently, “Apologizing is not my style, let alone running away,”

“The mere four dragons in Hong Kong are not enough for me.”

“I can stick them in my teeth if all the four little dragons were here,”

“I would fry them and serve them as a dish.”

“You...” Jemina stomped her feet anxiously as she was dragged away by Charlie,

And her feet slipped. she blurted out: “Mr. Wade! This is not the time for you to say harsh words,”

“They will kill you if you don’t stop now! It’s all my fault,”

“I’m begging you, okay? You come with me first!”

“If you still want to talk to my dad about cooperation,”

“Then simply let my dad come to the mainland to find you, okay?”

“No.” Charlie said lightly: “You promised your dad to take me around,”

“And you also promised your dad, you are going to take me to taste the authentic Hong Kong snacks in the evening,”

“You have to fulfill these promises first, and then tell me about other things~~~”

Chapter 4457

Jemina almost collapsed at this time.

Now she is powerless to care about being held by Charlie, she just wants to get herself out of trouble and solve it quickly.

Pulling other men to do things like shields, which she has seen many times on TV, but she had never done herself.

Just as Charlie made a joke just now, she couldn't help but think of a prank.

But she really didn't expect that he could turn things into such an out-of-control situation step by step.

This also made her feel scared for the first time because she was joking,

And even her voice was a little choked up, and she begged:

"Charlie, I beg you, leave Hong Kong first, and you can come back later,

But if you don't leave today, it will be very troublesome!"

Charlie saw that her eyes were flushed, and she was about to cry, so he stopped,

Let go of the hand that was holding her, and said seriously,

"Miss Liu, you don't have to worry about me, I'll tell you the truth,"

"I came to Hong Kong this time just to find trouble!"

He said indifferently, ignoring Jemina's surprised eyes,

"I came to Hong Kong, someone provokes me, I want to deal with him;"

"If no one provokes me, I will find a group of people to come out and play a game!"

"If that Dean has nothing to do with Four Dragons, then I may not be too lazy to know him in general,"

"But since he has a close relationship with Four Dragons , even if he doesn't provoke me today,"

"Tomorrow, the day after tomorrow, and the day after tomorrow, I may come to the door and clear Four Dragons!"

"Are you crazy?!" Jemina was stunned and blurted out:

“You If you don’t talk about good business, what do you do when you come to Four Dragons?!”

“Do you know what Four Dragons is? In Hong Kong, no matter how rich the richest man is,”

“He doesn’t dare to fight against Four Dragons, they will kill people!”

Charlie naturally couldn’t tell Jemina that he had read the information given by Wesley,

Before getting off the plane. This time, there were many forces in Hong Kong.

Who wanted to kill Hogan and take 30 million, and the name of Four Dragons was listed in it.

Therefore, before Hogan is sent back, he had to touch Four Dragons himself,

So he smiled and said to Jemina, “It’s alright, I like to seek excitement.”

After that, he intentionally ended the topic,

He dragged the cardboard box in his arms and asked her,

“Aren’t you going to deliver something? Let’s go?”

Jemina was helpless, sighed, and said, “I’ll call my dad to see if he can find a solution.”

Charlie frowned, turned around, walked out, and said,

“If you tell your dad about this, then I won’t go back to your house at night,”

“And I’ll ask about Four Dragons when I go out.”

“Where is the old nest of theirs, go and talk to them directly.”

“You...” Jemina was speechless, she had been completely broken down by Charlie’s indifferent attitude,

So she could only grit her teeth and said,

“Okay, since you don’t want to go, from now on, I will follow you wherever you go!”

“Okay.” Charlie agreed casually, and said, “Anyway, you are my guide, so just follow.

Jemina was speechless, she could only sigh, ran two steps to keep up with him,

And said, “Then we won’t eat out tonight, we will go home early.”

No.” Charlie waved his hand: “If you want to go back home,”

“I really want to experience the nightlife in Hong Kong.”

Jemina reluctantly said: “Okay, okay... I’ll be with you...”

Charlie nodded, took out his mobile phone, and called Wesley.

As soon as the call was made, Wesley said respectfully, “Mr. Wade, what are your orders?”

Charlie glanced at Jemina and asked, “Have you investigated Dean Stark before?”

“Master I have investigated,” Wesley said:

“Dean is the eldest son of Herman Stark, the richest man in Hong Kong.”

“Herman’s assets can make it into the top five even the top three in Hong Kong,”

“But he has a deep relationship with Four Dragons.”

“Four Dragons is now a big player. The head of the family is his adoptive father.”

Chapter 4458

After speaking, Wesley said again: “By the way, Four Dragons is very interested in Hogan’s secret head bounty this time.”

“The legal system of Hong Kong has been getting better and better these years.”

“He is also more serious, and there are many younger men under him,”

“The expenses are huge, and the overall financial situation is relatively tight.”

Charlie asked him: “Four Dragons is so poor, doesn’t Herman usually help?”

“Helps.” Wesley said: “If Herman didn’t help, Four Dragons would have started laying off staff long ago.”

“Herman had a lot of help when he made his fortune in Four Dragons,”

“So Four Dragons also relied on this point and kept reaching out to him.”

“Later, when Herman grew up, he also wanted to leave some ties with Four Dragons.”

“So he helped Four Dragons start its transformation. Four Dragons now have four main income channels,”

“One is to open pawn shops, one is to open nightclubs and bars,”

“One is to smuggle frozen meat, and the other is underground casinos,”

“In addition to casinos, the first three businesses were all started by Herman.”

Charlie hummed and said, “Which is the biggest nightclub under Four Dragons?”

Wesley replied, “It’s called Inspur Club, in Lan Kwai Fong.”

“Hmmm”...” Charlie whispered softly and said with a smile, “Okay, I see.”

He hung up the phone and said to Jemina beside him,

“Miss Jemina, why don’t we do this, let’s eat at night. After dinner, take me to a nightclub.”

Jemina’s head was about to explode, she subconsciously asked,

“Charlie, you asked about Four Dragons’ nightclub on the phone just now, shouldn’t you be going?”

Yes.” Charlie smiled slightly: “Go and experience the famous nightlife in Hong Kong.”

Jemina blurted out: “Then you can’t go to Four Dragons’ nightclub by name!”

“You just offended Dean. It’s very dangerous there!”

Charlie laughed: “The danger is for sure, but who is the danger, in the end, we have to look at this.”

Seeing Charlie’s playful and understated look,

Jemina was very concerned about his arrival road, she is now more confused.

From Charlie’s phone call just now, she can conclude that he is by no means so reckless as he seems,

And he may have already investigated the various forces in Hong Kong clearly, and he is confident.

Thinking of this, she couldn’t help but ask him: “Who the h3ll are you?”

“Me?” Charlie smiled and said, “I should be someone who no one can afford to offend in Hong Kong.”

Jemina couldn’t help frowning, and she became cautious and asked Charlie:

“What are you doing in Hong Kong this time?”

Charlie raised his eyebrows and said calmly, “I will preside over justice.”

Jemina was surprised for a while, she really couldn’t figure out Charlie’s routine,

This person’s words are true and false, and it is difficult to see through his character.

It was only two hours after they met, but her impression of him changed several times.

At first, she felt that he seemed to be quite humorous,

And he also had a certain degree of control in his speech,

And he could handle it with ease in front of her father.

When she met Dean, she felt that Charlie seemed to be missing a bit of shrewdness,

And he was somewhat reckless, not knowing how to judge the situation.

Moreover, the act of taking the initiative to grab her hand,

In her opinion at the time, was a bit abrupt.

Then, Charlie's attitude of refusing to leave Hong Kong made her feel that,

This person was completely ignorant of the dangers in the world,

And she had already said this, but he was still unmoved, he was simply fearless.

But until now, she felt that her previous views about him seemed wrong.

Charlie is indeed fearless, but fearlessness is not because of ignorance,

On the contrary, because he already knows himself and his opponent.

Thinking of this, she looked at him and couldn't help but ask,

"Then...then can you tell me what justice you came to Hong Kong for?"

"What justice?"

Chapter 4459

Hearing Jemina's question, Charlie smiled slightly and said,

"I can't tell you this, for now, let's keep it a little mysterious."

Jemina couldn't help frowning and asked him:

"Then have you ever thought about what would you do if Dean were to target you?"

"You are invincible with two fists in Hong Kong, how can you beat Four Dragons?"

Charlie raised his eyebrows and said with a smile:

“You look down on me too much. Two fists can’t beat four hands?”

“Add a zero, and I don’t even care about forty.”

Jemina thought that Charlie was running the train with his mouth full again.

She has been schizophrenic by him, so she can only shake her head helplessly: “You really convinced me!”

After that, she could only walk out of the parking lot with him.

The two walked out of the garage and went to the most crowded shopping mall in Tsim Sha Tsui.

In addition to the crowded passenger flow, there are also many salesmen,

Specializing in promotion and sales, as well as many commodity exhibition areas.

In the best part of the square, there are a number of neat booths,

These booths are hung with the logo of Hong Kong University,

And many students in school uniforms are busy in front of the booths.

Jemina, who was in a complicated mood, took Charlie straight to these booths,

And this was the venue for her and her classmates to do charity bazaars.

Seeing Jemina coming over, many students were very surprised, and many people gathered around to say hello to her.

One of the boys wearing glasses hurried forward and asked, “Sister Jemina, why are you here today?”

Jemina smiled slightly and replied, “I have something to do here in the afternoon, so I stopped by.”

Then Jemina asked him, “How are the sales today?”

“It’s not very good.” The boy said a little decadently:

“We have sold about 30,000 HKD since 8:00 in the morning. I thought it could be around 50,000.”

Jemina encouraged: “It doesn’t matter, more than 30,000 is already a lot of money, and it is worth encouraging.”

Allen sighed: “Sister Jemina, you have donated tens of millions by yourself,”

“So many of us are busy, and we only have this in total. I’m really ashamed to have this little money...”

Jemina was busy: “Allen, don’t say that, charity is not about giving more money than anyone,”

“But to let as many people as possible do what they can.”

“The money I donated is not my own, it’s just a generosity to others, and I can only do my little like you do.”

After saying that, she took the cardboard box from Charlie and handed it to the other person.

Then she said, “Allen, these are some personal things I have left unused.”

“I have marked the selling price. According to the label price, the total is more than 20,000 HKD.”

Immediately, Jemina spread her hands and said again:

“Look, I’m not very rich myself, and there are only so many things I can take out,”

“So don’t feel ashamed because you take out a few things,”

“Even if you can’t take out anything, volunteering for Charity is also very worthy of recognition!”

“So, please work hard, we will sell all the things we have raised as soon as possible.”

“In addition, I have called on other students in the school to donate as much as possible.”

“Some useless personal idle items, when accumulated, will definitely be able to do a lot of good deeds.”

Encouraged by Jemina, everyone cheered, and each one was full of energy.

At this time, a girl who looked gentle looked at Charlie and asked,

“Sister Jemina, who is this handsome guy? You haven’t introduced him to us yet.”

Jemina looked at Charlie and said to everyone: “This is Mr. Wade, a guest of my family.”

“Guest?” The girl said meaningfully: “Sister Jemina, isn’t this the fiance your family arranged for you?”

“How could it be...” Jemina heard the words “fiancé” and felt that her mentality was about to collapse in an instant,

So she said without hesitation: “Don’t gossip here, Mr. Wade is my father’s friend and just came here.”

“He wants to talk about something with my father in Hong Kong.”

“Because he hasn’t been to Hong Kong for many years, I temporarily serve as his guide and show him around.”

“That’s it.” The girl said regretfully, “Sister Jemina,”

“In fact, this handsome guy is a good match for you! You can actually think about it!”

“I have known you for so long, and I have never seen you date and procrastinate.”

“Everyone is still looking forward to seeing who you are going to be with before graduation!”

Jemina said helplessly: "Please take care of yourself, I heard that you broke up with your new boyfriend again?"

"You have only been dating for a few days this time."

The girl pouted: "I don't even want that scumbag. Mention him! He was with me just because he wanted me to help him with his graduation project."

"I helped him finish the graduation project, and he broke up with me..."

Jemina sighed and said: "Please keep your eyes open the next time you see a boy."

The girl glanced at Charlie again and said seriously,

"But then again, Sister Jemina, I really think the man next to you is a good match for you!"

"Stop!" Jemina hurriedly reached out to stop the other party and said,

"You have proven countless times on yourself that your vision is basically equal to nothing,"

"So if you think he is a good match for me,"

"Then there is a high probability that he is not suitable for me at all."

After speaking, she couldn't help but give Charlie a blank look.

Charlie smiled slightly at this time, and said to the girl,

"I'm her fiance, and she said it herself."

When everyone heard this, they couldn't help but exclaim.

The woman looked at Jemina and said meaningfully:

"Sister Jemina... I didn't expect you to lie to us!"

Jemina said helplessly: "Don't listen to his nonsense, this kind of boy is not mine at all."

After speaking, she looked at everyone and said,

“Everyone should get down to business first, don’t gossip!”

Immediately, she opened the cardboard box she brought, took out a few personal items from it,

And introduced to the people around her: “I eliminated this laptop at the beginning of the year.”

“I checked second-hand websites, and most of them are in the 4,000 mark.”

“About 3,000 yuan, I listed the price at 3,000, and it should be easy to sell.”

“And this game console, when I bought it, it was more than 2,000 HKD, and I listed the price at 1,002...”

I will keep the situation of personal items simple for everyone.”

After the introduction, Jemina said to everyone: “You have worked hard, everyone,”

“I still have something to do, so I won’t be here to accompany you.”

After speaking, she hurriedly said to Charlie, “Let’s go!”

Charlie smiled: “You’re going to leave as soon as you arrive?”

“I think this kind of charity sale is quite interesting.”

“I happen to have a few Pills in my pocket. Would you like to use them to support the scene?”

Jemina looked at Charlie helplessly, and said seriously:

“It’s illegal to sell such Pills in Hong Kong...”

“Besides, if we don’t leave, we will definitely be in trouble...”

Charlie looked at a few sneaky men in the distance, said with a smile,

“Okay! Let’s go after listening to people’s advice to have a full meal.”

Seeing that Charlie finally met and agreed to her, Jemina was relieved,

And quickly said goodbye to everyone and took Charlie back to the parking lot.

What she is most worried about now is that Dean finds someone to take revenge on Charlie.

If more than a dozen people really come to block Charlie, she will have no way to save him.

When the two came to the parking lot, Jemina subconsciously wanted to go to the driver’s seat,

But Charlie suddenly stopped her and said, “Miss Jemina, if you don’t mind, let me drive.”

“You can drive?” Jemina asked, “Are you interested in Hong Kong? I’m not familiar with the island,”

“And Hong Kong is a right-hand drive region, and the driving direction is opposite to that of the mainland, can you get used to it?”

Charlie smiled: “As long as the steering wheel is not reversed and I have to step under your feet, I can drive it. .”

Jemina shrugged and said, “Then you can drive.”

After Charlie got into the car, he did not rush to drive away, but took out his mobile phone,

Opened the map and studied it for a while.

It wasn’t until he saw the sneaky faces getting into different cars that he said to Jemina:

“I think Hong HauLing is a good place, let’s go there for a walk.”

“Hong Hauling ?!” Jemina said dumbfounded: “It’s all in the northernmost part of Hong Kong,”

“It’s far away, and it’s in the mountains, so what are you going to do there?”

Charlie smiled and said, “For some things, you can do it only in a place with fewer people!”

Chapter 4461

Charlie’s understatement made Jemina nervous for no reason.

She couldn’t help questioning him: “What do you want to do? What do you have to do in a place with few people?!”

Charlie looked at her and smiled, and said casually,

“Don’t be nervous about what I want to do, it has nothing to do with you, just watch.”

After that, he kicked the accelerator and drove Jemina’s Tesla out.

As soon as the car left the basement, three different cars quickly followed.

Dean sat in one of the cars, gritted his teeth, and looked at the Tesla driven by Charlie,

And said coldly to the people around him: “Follow that punk! I have to kill him today!”

The young man driving sneered. : “Don’t worry, Young Master Stark, we will definitely deal with this kid!”

This man’s arms are covered with tattoos, plus his muscles and his face...

Are full of flesh, and he is not a master at first sight.

There was a smile on the corner of Dean’s mouth, and he said coldly:

“This Jemina, if she is still so ignorant, I will just find a chance to deal with her!”

The driver said with a smile: “Master Stark, what do you want?”

“If you really want her, let your father and your godfather go to Liu’s house to propose marriage immediately,”

“Gerard will never dare to refuse!”

“It makes sense!” Dean nodded again and again and said,

“If she really doesn’t know how to praise me, then shouldn’t blame me for being rude!”

Charlie followed the navigation and drove the car all the way to the urban area of Hong Kong.

During the driving process, he kept looking at the cars behind him through the rearview mirror,

And found that these cars kept coming closer and going away. followed, and then let go.

More than half an hour later, Charlie drove the car to the vicinity of Honghualing,

In the northern mountainous area of Hong Kong.

Afterward, he slowed down a little, intending to find a suitable place to stop and meet his new friends behind.

At this time, Dean was sitting in the car behind, and his expression became more and more ugly.

At this moment, the driver couldn’t help but mutter:

“Danm, this couple of the dog and girls came to the mountains during the daytime.

Could it be that they wanted to act in a dancing car or a field battle!”

Dean’s face became even angrier. He gritted his teeth and scolded:

“I always thought Jemina was a serious woman, but I didn’t expect her to be so boring!”

The driver subconsciously said: “Master Stark, people say that Jemina is a jade girl in Hong Kong.”

“I think this ‘jade’ should be replaced to make it a desirous girl, which is right!”

Dean said angrily: “If Jemina is really like this,”

“I’ll just fcuk her, it’s absolutely impossible to marry her!”

After speaking, he cursed again: “And that kid from the mainland!”

“If Jemina is really broken by him, I will fcuking kill him!”

At this time, the driver blurted out: “Master Stark, they have stopped, let’s go around now or wait?”

When Dean saw Charlie stop the Tesla, he said,

“Don’t worry, wait for them to get off, otherwise, if they speed up and try to escape,”

“We may not be able to control them on this kind of mountain road.”

“Stay with them, and there will be a danger, as long as they get out of the car, there is nothing to worry about.”

The driver asked again, “Master Stark, what if they get into trouble in the car?”

Dean scolded through gritted teeth. : “Fcuk, if the two of them really dare to get into trouble in the car,”

“Just drive them down the mountain!”

...

At this time, Charlie in the car in front unfastened his seat belt, Said to Jemina next to him: “Miss Jemina, get off the car.”

“Get off?” Jemina asked in surprise:

“What are you going to do when you bring me to this kind of wilderness?”

Chapter 4462

Charlie smiled: "You'll know when you get out of the car."

After speaking, he said again: "Of course, if you don't trust me,"

"Just wait in the car, I have to do something, and come back when I'm done."

When Jemina heard this, she didn't know where the courage came from.

She immediately unfastened her seat belt and said unswervingly, "I want to be with you!"

"Okay." Charlie nodded and opened the car door first.

Jemina followed the door and walked down, looked left and right,

And asked Charlie, "Where are we going?"

Charlie looked at the path leading to the mountains, and said,

"Let's go from here, go down and have a look."

Jemina was puzzled. It stands to reason that,

If any man wanted to take her to such a deserted place, she would never agree.

But after thinking about it, she still decided to trust him.

So, she followed him down.

Seeing that Charlie and Jemina really got into the forest, Dean roared furiously,

"Get the fuck out of the car! I must kill this punk today!"

About ten people quickly got out of the three cars, following Charlie and Jemina in their footsteps.

The location of Hong Kong is already very south.

In addition, it is summer, and the mountains and forests are very dense.

Walking in it, you can only see the sun shining through the dense branches and leaves.

Jemina followed Charlie to the depths of the mountain forest.

She, who was relatively calm at first, also felt a guilty conscience as she went deeper and deeper.

After finally walking to an area where the terrain eased,

She couldn't help but ask him, "Where are you taking me?"

Charlie waved to her and said, "Come, stand behind me."

Jemina was even more surprised.

As soon as she walked in front of Charlie,

She heard rustling voices coming from behind.

She thought it was some kind of beast in the mountains,

So she turned around to look, but after a while, more than a dozen people came out of the forest one after another.

And these dozen people are all strong muscular men, and they all have tattoos.

At first glance, they are members of gangs who are part of the underworld.

Jemina suddenly became nervous and was about to pull Charlie to dodge quickly

When she saw Dean following with a dark face.

When Dean saw Charlie and Jemina, he gritted his teeth and scolded:

"What a fucking couple, there are so many hotels in Hong Kong that are not enough,"

"For the two of you to sleep? You went to come to such a place to fuck in broad daylight!"

Jemina couldn't be any less angry, she asked coldly, "Dean, what are you doing?"

“What am I going to do?” Dean scolded angrily:

“I’m going to fcuk you! What are you asking me for?! Dmn it!”

“I finally saw you. You can’t reserve lately, I didn’t expect you to be so cheap!”

Jemina said angrily, “What nonsense are you talking about!”

Dean gritted his teeth and said, “I’m talking nonsense?”

“You fcuking come here with wild men to fcuk in the midday, and you call me nonsense?”

“I’ve been chasing you for so many years, you fcuking b!tch!”

“I’ll deal with you later! After I’ve dealt with him,”

“I’ll let my brothers deal with you too, and you’ll be happy!”

Jemina’s face was ashen, although her whole body was trembling all the time.

But still gritted her teeth: “You dare!”

Dean pouted: “Of course I dare, if you don’t believe me, I will let you try my power!”

Charlie said coldly at this time: “Boy, did your mother never teach you? ”

“Do you not need to be polite when talking to girls?”

Chapter 4463

Dean looked at him and sneered: “Dmn, I just taking glance of you make me sick! ,”

“I haven’t asked you to settle the account yet, you fcuking dare to pretend to be something!”

“Do you know what this is? Hong Kong! It’s not the mainland!”

“No matter how good your mother is, you have to be honest with me when you arrive in Hong Kong!”

Charlie asked with a smile, “What? I hear what you mean,”

“I want to be more honest now. Let’s get over this thing?”

“Dmn it!” Dean scolded angrily, “It’s too late now!”

“Damn it! I came here to kill you bastard!”

Immediately, he said to the strong men around him, “fcuk him and beat him to death!”

When the strong men heard this, they rushed towards Charlie imposingly.

Seeing this situation, Jemina subconsciously stood in front of Charlie, and blurted out,

“Dean, if you dare to touch him, I will call the police and get you arrested immediately!”

Charlie patted her on the shoulder and said with a smile,

“Come on, take a walk behind me. , don’t wait for them to make your face all bloody.”

Charlie’s casual words, which made Jemina extremely nervous.

From her point of view, how could Charlie be the opponent of these dozen or so people?

At first glance, these people are people of Four Dragons. They kill without blinking an eye.

And these strong men saw that Charlie was still pretending to be forceful at this time, each with a hideous face.

At this time, Dean said with a look of contempt: “Good boy, you are really a goddmn seed!”

“You are dying, so still don’t forget to pretend in front of women!”

Charlie smiled: “Who is dying? You don’t know, the shrimp soldiers,”

“And crab generals you brought are not even as good as dogs in my eyes.”

The person headed by the strong man opposite immediately roared:

“Dmn! We are people from Four Dragons, you dare to disrespect us!”

Charlie said lightly: “What? I said that you are not even better than a dog,”

“And you still refuse to accept it? Can’t admit it!”

Charlie smiled disdainfully: “It turned out to be a black-bone chicken, and it really is worse than a dog.”

The man seemed to have suffered great humiliation,

Pointed to Charlie and yelled hysterically, “I fcuking kill you!”

When it fell, he immediately rushed towards Charlie, punching hard and hitting the bridge of Charlie’s nose.

He is one of the double-spend red sticks in the Four Dragons’ family.

He has strong personal strengths. He has played many underground boxing matches in Hong Kong and won more than half of them.

In his opinion, his punch was enough to knock Charlie to the ground and splatter blood on the spot!

And himself, not only can he use his strength to make Charlie pay the price with blood,

For the remarks just now, but he will also win the first credit in front of Dean because of the first shot.

However, what happened next took a 180-degree turn from his expectations!

With a smile on his lips, Charlie looked at him motionlessly, but just said,

“You have a few skin shrimp tattooed on your body, and you dare to be presumptuous in front of me!”

As soon as he finished speaking, the man's fist arrived.

Charlie, who had not moved all the time, suddenly punched and hit the opponent's fist head-on.

This punch was as fast as lightning, and no one at the scene could see it clearly.

A moment later, with a loud bang, a series of cracking sounds like a bamboo pole splitting,

As well as the man's slaughtering pig-like howl!

His entire arm was completely shattered at this time!

And his expression has been extremely distorted because of the pain.

On the other hand, Charlie looked relaxed, as if the punch just now had nothing to do with him.

Seeing the man's painful tears rolling down, Charlie couldn't help sneering:

"The double-flowered red stick is of this strength? If you are a dog, you can't even eat sh!t!"

No one would have thought that the strongest brother was actually abolished by the opponent's punch.

Chapter 4464

Dean took two steps back in fright, shouting to the others,

"Rush to kill him together! I'll give you ten million!"

Under the heavy reward, there must be a brave man.

Although the others were stunned by Charlie's performance just now,

They immediately rushed toward him when they heard that Dean offered a bounty of 10 million yuan.

They felt that even if Charlie was very strong,

He would definitely not be able to beat more than ten people at once.

So, as long as they work together, they can get rich overnight!

At this time, the man in front of him jumped and kicked straight into Charlie's face!

According to his assumption, this kick can definitely kick Charlie to the ground.

As long as the remaining brothers can rush up in time and kick,

And don't give Charlie a chance to fight back, it is enough to beat him to half death.

He saw that Charlie didn't retreat or hide, but suddenly stretched out his hand,

And his hands suddenly grabbed his leg and he flew over!

Immediately afterward, he felt that his entire body was instantly stagnant in the air,

And the inertia of rushing over and jumping up seemed to disappear,

Without a trace in an instant, which went against common sense!

Just when he was deadlocked in mid-air, and the whole person didn't know why,

Charlie looked at him and sneered: "Where's the dog now!"

After that, Charlie swung his hands hard, and the man directly swung out by Charlie as a half-moon machete!

The rest of the people just wanted to quickly knock Charlie down and kick him,

So they rushed forward and were about to attack, but they thought that the brother,

Who flew out just now would suddenly turn himself into Charlie's hands' weapon.

He saw that the man was thrown out by Charlie in a semi-circle,

And directly turned the gang of people who rushed up to their backs.

The huge force smashed them into multiple fractures,

And there was absolutely no chance for them to stand up and resist.

And the one who was thrown out is even more appalling.

The price of one person throwing like a piece is that he has multiple fractures on his body in just an instant.

On the side that was thrown out, his ribs were almost completely broken!

At this time, whether it was Jemina behind Charlie or Dean opposite Charlie,

They were all dumbfounded as if everything in front of them were hallucinations,

And they couldn't believe their eyes at all.

Dean was stunned.

He never dreamed that more than a dozen people would fight one,

Not only did they have no chance of winning, but they persisted for a total of two rounds.

Charlie looked at Dean at this time, waved at him, and said, "Come on, Master Stark, let's talk."

Dean turned around in fright and was about to run away, but just two steps away, he felt his neck tighten.

The soles of the feet have not stepped on the ground.

Turning his head again, he realized that Charlie had already caught up,

Grabbed the collar around his neck, and lifted himself up.

He said in an instant panic: "Big brother... Forgive my dog's life, big brother!"

“I have something to say, and you have something to say, big brother!”

“Forgive your life?” Charlie snorted coldly, raised his hand, and slapped it hard,

When it was slapped on his face, gold stars appeared in his eyes, and he even lost several of his posterior molars.

Dean was dizzy after being beaten, and he cried vaguely,

“You dare to hit me...you...” Before he finished speaking,

Charlie gave another slap in the face, and said coldly as he asked,

“What’s wrong with me hitting you? You’re not convinced?!”

Dean was furious: “I’m the eldest young master of the Stark family...I’m...”

“Crack!” Charlie slapped his face hard again, and said coldly,

“The eldest young master of the Stark family, right? I will hit the eldest young master of the Stark family!”

After a few slaps, Dean’s mouthful of teeth almost fell out.

His entire head was also beaten into a pig’s head, and his eyes were swollen with slits.

He never dreamed that Charlie was so ruthless and didn’t take his identity seriously at all.

Anger, grievance, and unwillingness made him cry while slurring cruel words:

“You...you wait...my dad...and my...Godfather...they definitely won’t...definitely won’t let you go!”

Charlie said coldly, “It’s okay, even if they don’t come to me, I will go find them.”

After that, he looked at him, smiled slightly, and asked, “By the way,”

“It seemed that someone was crazy just now. He was going to do this and that in a while, wasn’t it you?”

Chapter 4465

Dean was frightened by Charlie for a while and did not dare to speak.

He knew that once the Stark family and Four Dragons couldn't hold back Charlie, he would have no cards to use.

Therefore, at this time, he would never dare to touch his bad head again.

However, how could Charlie let him go so easily,

He raised his hand and slapped him again, and asked, "Speak, are you dumb?"

Dean endured the severe pain and sobbed: "I...I was wrong...Please let me go...let me go..."

Charlie made another note, he slapped his face and said coldly:

"I asked the person who was going to do this or that just now, is it you!"

"Say one more nonsense word, and I will tear your mouth to pieces!"

Dean said with tears and howls: "It's me...it's me..."

Charlie nodded and slapped him again, and said coldly,

"Do this, do that, you have a lot of firepower!"

The corners of Dean's mouth on both sides bleeding with blood, he cried and said,

"It's all in my mouth! Please forgive me"

Charlie slapped him again, and asked with a smile,

"Didn't you say before, let me kneel down and kowtow to you?"

"Did you not want to slap me a hundred times?"

Dean felt the world spinning, crying and begging:

“I...I was just...all saying nonsense...”

“Just spare me... this time, I will... never... ever dare...”

Charlie sneered and slapped him again: “There is no chance to beg for mercy now!”

Seeing that Dean was about to pass out, Jemina couldn't bear it,

Stepped forward and said, “Charlie, don't fight anymore, it will cause an accident!”

Charlie Looking at her, he asked curiously, “What happened?”

Jemina blurted out: “It will kill him if you beat him like this!”

Charlie smiled and said, “I already calculated it it's under control, Although the pain is really painful,”

“But he definitely won't die. If you don't believe me, look.”

Charlie said, shaking his head. He raised his arm and slapped Dean again.

Dean subconsciously covered his face and cried,

“Elder brother, I was so wrong, Elder brother...don't hit Elder brother...”

Charlie smiled slightly, and said coldly, “You had that energy just now.”

“Where did it go? Don't you want to kill me? Why are you begging for mercy again?”

Dean blurted out, “I have no eyes and I accidentally offended you,”

“Please don't...don't have the same attitude as me...”

Charlie sneered and said: “You think of begging for mercy at this time? It's too late!”

After that, Dean received another slap in the face.

Afterward, he looked at Jemina and said with a smile,

“Look, I just said he couldn't die, right?”

Just after he finished speaking, Dean had already been beaten in a bad way.

He slapped him in the face, and he felt black in front of him. The whole person fainted.

Jemina blurted out, "He...he rolled his eyes...isn't he dead?"

Charlie waved his hand: "Don't worry, he can't die, it's just a coma."

Jemina: "Then quickly call the emergency and send him to the hospital..."

Charlie shook his head and said, "I already said that he can't die,"

"So what kind of emergency call is required here?"

"There is no need to waste medical resources for this kind of person, and I will keep him. It will be useful later."

Jemina felt that her brain was about to explode, and she said earnestly:

"Charlie... I beg you to listen to me, you beat him so badly,"

"His family will not give up, you don't know how you will end?! My dad can't protect you..."

"Your dad?" Charlie smiled, "It's amazing that he can protect himself."

Chapter 4466

After speaking, Charlie's topic didn't stop with Gerard, and said to Jemina:

"What's more, now it's not a question of whether this kid's family will give up,"

"But whether I will give up these 100 questions."

"He can't take a slap now, so he has to replace his father and his godfather to take it for him,"

"Who made him a godson and a helper?"

Jemina was shocked by Charlie's words and couldn't speak for a while.

After that, she couldn't help but ask: "Charlie... Are you always so arrogant?"

Charlie looked at her, smiled, and said, "I am not arrogant, and my goal has always been,"

"People don't offend me, I don't offend others, and I will never bully others"

"Or bully the weak for no reason by relying on my strength and background."

After speaking, he pointed at Dean and said coldly, "But if someone offends me,"

"And will commit the crime! Then I will return it ten times,"

"A hundred times, a thousand times! I will never be lenient!"

Jemina blurted out: "This is Hong Kong, not your territory!"

"Don't you understand the truth that strong dragons don't overwhelm local snakes?"

Charlie smiled contemptuously and said seriously,

"Miss Liu, tell you the truth, I have no problems here!"

For Charlie, he really had no fear when he came to Hong Kong this time.

He came to Hong Kong alone, without family or friends,

Only Wesley and the other people of Dragon hall would be here,

And they would not be a burden to Charlie.

Therefore, he naturally has nothing to worry about.

What's more, if someone wants Hogan's life, then he will naturally come to see who has such courage.

Not only that, but he also wants to let these people know that Hogan's life is not what they want!

Moreover, even if they are not so powerful, they have to pay for this idea!

So, as Charlie told Jemina before, he is here to preside over justice.

Since it is upholding justice, there should be no fear.

gods block and kill gods, and Buddhas block and kill Buddhas!

Jemina was so angry that she was speechless by Charlie's arrogant attitude.

Although she can also see that Charlie's personal strength is outrageous,

She also knows that Four Dragons is by no means weak in Hong Kong.

They have thousands of disciples, and they spread all over Hong Kong.

Deep-rooted, no matter how strong Charlie is, he can't be against them.

Therefore, from her point of view, Charlie did things recklessly,

And didn't even think about how to deal with it next.

At this time, Charlie didn't care about the consequences at all.

He looked at his henchman, who was abolished by him first, and said coldly, "You! Come here!"

the henchman covered his shattered arm with a look of horror on his face.

Looking at Charlie, he hesitantly asked: "You... what are your orders..."

Charlie said coldly, "Go and take out everyone's mobile phones for me.

Anyone who dares to hide his mobile phone, I will break his third leg!"

Once...ask... henchman didn't dare to make trouble,

And immediately used his intact left arm to put all his brothers to take out their cell phones.

Charlie took a bunch of mobile phones and threw them out diagonally upward in the direction of the valley.

A dozen mobile phones instantly threw a huge parabola and were thrown directly into the valley.

Afterward, Charlie said to the henchman, "You and your little brothers, you,"

"The eldest brother is the least injured. Isn't it a bit unreasonable?"

Henchman was so frightened that he blurted out,

"Brother... I've been seriously injured... My right hand is basically useless..."

Chapter 4467

Charlie pointed at the other people lying on the ground, and said earnestly,

"Look at them. , which one doesn't have more broken bones than you?"

"You, the big brother, bring your younger brother out to hang out."

"What you pay attention to is a righteous word! If your younger brother is injured more than you,"

"How will you move around him in the future? Others will point behind your back. Point and poke your spine!"

After speaking, Charlie touched his chin and said seriously:

"I see, it's only appropriate for you to break another leg."

Charlie's words made the henchman's mood collapse instantly.

As soon as his legs softened, he knelt on the ground with a thud, crying and begging:

"Big brother... I'm just a little man who is living with Four Dragons,"

"Please consider that I have lost an arm. , show mercy, and let me go..."

Charlie frowned and said, "I really don't understand you, gang members,"

"You are usually the most ruthless, and you are the most cowardly in trouble, so don't you think you're tough?"

Henchman cried and said, "Brother... If you break my leg,"

"I won't be able to continue messing around in the future..."

Charlie asked him, "You Still thinking of taking care of your injuries,"

"And continuing to be your double-flowered red stick?"

Henchman hurriedly shook his head: "No...I didn't mean that..."

Charlie sneered: "There is one arm and one left leg if you honestly find a living,"

"It's enough, otherwise if you come out again, you'll have to move your head sooner or later."

After that, Charlie kicked his right knee before he could react.

With the sound of cracking, the henchman rolled on the ground in pain.

Charlie had no sympathy for him, and said coldly:

"I hope you can change your mind and become a new person, otherwise,"

"Next time I will let you taste the taste of high-ranking paraplegia."

Henchman could only endure the pain and blurt out: "Don't worry, big brother..."

"I will definitely reform myself...I must be a new person..."

Charlie nodded and said coldly, "You guys just stay here and be honest."

"At night, it is estimated that the Stark family will come to you,"

“And if they ask you about Dean’s whereabouts, you should tell them that Dean is taken away by me.”

Henchman said without hesitation: “Okay, brother... I see.....”

Jemina asked Charlie with a look of astonishment: “Where are you taking Dean?”

“Going to a nightclub.” Charlie said casually: “We agreed, you forgot?”

“Eat first, then go to a nightclub.”

Jemina blurted out and asked, “What about Dean? Put him in the car?”

“Yes.” Charlie said, “Your trunk is empty, just stuff him in.”

“Ah?!” Jemina said dumbfounded: “You...what the h3ll are you doing...”

Charlie grabbed Dean’s collar, pulled him up, and said:

“You’ll know what I’m going to do at night.”

After that, he asked, “Are you going?”

Jemina was extremely helpless, so she could only bite the bullet and follow.

Returning to the road from the mountain forest, there is still no one around.

Charlie directly opened the Tesla trunk and stuffed the unconscious Dean inside.

Dean is currently in a deep coma, and it is estimated,

That he will not be able to wake up tomorrow without external interference.

After closing the trunk door, Charlie said to Jemina, “You drive, I’m not familiar with it.”

Jemina asked him, “When you came, you said you wanted to drive because you expected them to follow us?”

“Yes .” Charlie nodded slightly.

Jemina asked: "So you deliberately led them here to deal with them?"

"That's right." Charlie said lightly: "You don't need to look at the owner to beat a dog,"

"But you have to choose a suitable place, you can't do it all at once."

"These dogs just hugged their heads and ran away, and they couldn't make a move, let them bark wildly in the downtown area"

Chapter 4468

Jemina looked at Charlie's understatement, and then thought of what he had just done,

She couldn't help but say, "You are simply a devil!"

"Devil?" Charlie frowned and said, "I, the devil, never thought to invade you,"

"But the guy in the trunk not only wanted to invade you himself,"

"But also wanted those strong men to invade you together, so who do you think is the devil? Who's to blame?"

Jemina's face turned red and then white, and after a while, she said angrily:

"Then you can't use violence to control violence!"

Charlie smiled and said, "I'm done with violence, so what do you do? I'll tell them Sorry?"

Jemina saw the banter on Charlie's face and knew that she couldn't speak to him,"

"So she simply ignored him and got into the car directly.

Charlie also sat in at this time, fastened his seat belt, and said,

"Miss Jemina, what are you going to bring me to eat tonight?"

Jemina said angrily: "If you don't eat, you will be full of anger. It's over!"

After speaking, she couldn't help but give Charlie a blank look,

And she had already made concessions in her heart, but her tone was still a little dissatisfied:

“I’ll take you to eat the most famous wanton noodles in Hong Kong!”

“Curry fish balls, we can buy more snacks to eat together,”

“If you are not full, you can also eat some spicy crabs from the typhoon shelter.”

Charlie raised his eyebrows and smiled: “It sounds delicious, then it’s hard work.”

“Miss Jemina entertains me! You will be a guest in Aurous Hill another day,”

“And I will invite you to eat duck fans and salted ducks!”

Jemina glanced at him and couldn’t help but sigh: “There is nothing I can do against you!”

They returned to downtown Hong Kong.

On the return journey, the two stopped and walked because of the peak period,

And it took more than an hour to reach the urban area of Hong Kong.

Jemina drove the car to a crowded and bustling snack street.

After parking the car, she asked Charlie nervously, “What about Dean? He won’t wake up?”

Charlie smiled and said, “Don’t worry, he will not wake up.”

“That’s good.” Jemina breathed a sigh of relief and said,

“Let’s get out of the car, it’s time to eat.”

Charlie nodded, pushed the door, and got out of the car.

Jemina carefully pressed the car lock button several times,

And after confirming that the car was locked, she took Charlie to the snack street.

Charlie looked at this lively snack street and asked curiously,

“Miss Jemina, do you often come to eat at this kind of place?”

“Yes.” Jemina nodded and said, “I used to eat often when I was young.”

“I came here to eat, and it's the same to this day, it's not far from my school,”

“I usually come here to have dinner and then go home.”

Charlie asked in confusion: “Your family is so rich, you come here to eat, you don't worry about safety?”

Jemina said: “It's not an old era now, and the security of Hong Kong is much better.”

“Besides, this is a downtown area, and I know most of the vendors. Who would kidnap me in such a place.”

Charlie nodded: “It makes sense.”

After speaking, he asked her curiously: “You are a daughter of a rich man,”

“And you often come here to eat. Is there anything special for you here?”

“Yes.” Jemina said with a look of nostalgia: “When I was young,”

“My mother often brought me here to eat. She said that I was a picky eater when I was a child,”

“And I was a picky eater for no reason and irregularity. If I liked to eat,”

“I like to eat wonton noodles and brine snacks sold by street vendors.”

“Even if the housemaid makes the exact same thing at home, I still would not like it,”

“So she always promises me that as long as I have breakfast and lunch and eat obediently,”

“And bring me here to eat delicious food at night...”

After speaking, Jemina sighed and muttered with a melancholy expression:

“Since my mother left, I have come here almost every day. Eating, starting from elementary school,”

“Until I graduated from high school and wanted to go to university,”

“My dad wanted me to go to a better university in the United States,”

“But because I couldn’t bear to be away from here, I chose to stay in Hong Kong.”

“I don’t believe it, I grew up so much, except that I left Hong Kong with my mother when I was a child,”

“And after she left, I almost never left this place ever again...”
