

“But I didn’t expect him to be stronger than us.”

Coach Lin nodded and said coldly, “You guys wait here first, my priority now is to find Young Master Stark as soon as possible!”

After that, he said to the Four Dragons’ disciples who had followed him, “Follow me!”

Jim hurriedly shouted: “Coach Lin, take us with you too!”

Coach Lin said coldly: “We don’t have time to deal with your affairs now,”

“You wait here first, and I will have someone call and bring an ambulance for you!”

After that, he walked back, took out his mobile phone, and called Jairo.

After Jairo on the other end of the phone learned what happened, he immediately ordered:

“Coach Lin, in my name, you immediately ask all Four Dragons children to find Jemina,”

“And the whereabouts of that boy in Hong Kong. If you have any clues, you must first Hurry up and save my godson!”

Immediately, he gave a slight pause and said coldly,

“You must arrest the kid who hurt my godson, and then contact me, I will see it with my own eyes. Watch him die!”

Chapter 4481

For a while, the members of Four Dragons in entire Hong Kong received a message,

Which was to find the whereabouts of Jemina, the eldest lady of the Lloyd family.

But most people did not expect that Jemina was sitting in a nightclub run by Four Dragons at this time.

The waiter just brought the set menu drinks ordered by Charlie,

And the nightclub manager also stepped forward and said respectfully,

“Distinguished guests, I’m Kevin, the manager of the store. You can tell me directly if you have any needs.”

Charlie looked at him, and waved his hand: “Okay, go ahead and do your work first.”

The nightclub manager nodded quickly and said, “Okay, sir, then I won’t bother you.”

After speaking, he turned around and returned to the bar,

And his phone immediately received a message from Four Dragons.

When he saw that Four Dragons, in the name of the sect master Jairo,

Asked all the Four Dragons’ disciples to find clues about Jemina and a young man,

He reported the news almost without hesitation.

Soon, Coach Lin received feedback that the person he was looking for was actually in Four Dragons’ own nightclub in Lan Kwai Fong!

Coach Lin did not dare to delay and immediately reported the news to Jairo.

After Jairo heard about it, the whole person was very angry, and said coldly:

“This girl named Lloyd and that unknown boy are really good enough!”

“They tied up my godson, and they dared to go to my nightclub.”

“Drinking really broke the ground on Tai Sui’s head, don’t they fear death!”

Herman couldn’t wait to hear this, and said, “Godfather, hurry up and ask your subordinates,”

“To arrest these two people and force them to find out my son’s whereabouts!”

Jairo waved his hand and said lightly: “This matter can’t be rushed, don’t forget,”

“Jemina is Gerard Lloyd’s daughter.” Herman was angry, and said sternly:

“What about Gerard? Isn't he just someone with a little more money than me? Are you afraid of him?”

Jairo snorted coldly: “Of course, I won't be afraid of him. His daughter participated in the kidnapping of my grandson.”

“Doesn't this mean that the God of Wealth knocked on the door to send money?”

“How could I miss such a good opportunity?”

Then it dawned upon Herman.

It turned out that Jairo wanted to take the opportunity to knock Gerard for some free money.

As Jairo said, Gerard's daughter is involved in this matter, thus it is impossible to get rid of this matter so easily,

And Jairo happens to be his and his son's godfather, which gives him a full excuse to go to Gerard for an explanation.

At that time, he will definitely have to spend a large amount of money to settle things...

Thinking of this, Herman couldn't help but scolded:

“This immortal man can really seize every opportunity to make money!”

“My son is out! Not only do I want to give him money, but he also uses my son as a reason,

To blackmail others into giving money... The money will make this immortal earn money!”

Although Herman was very annoyed in his heart, he didn't dare to show it,

Any disobedience, so he quickly asked: “Godfather, what are you going to do now?”

Jairo laughed, stood up, straightened his Tang suit, and said with a smile:

“Since they have already arrived at my nightclub,”

“Then It’s the turtle in the urn, we can have a good time with them.”

After that, he said to his subordinates: “Inform Coach Lin and let him take someone to the nightclub first,”

“But don’t startle the snake, just make sure that the other party can’t escape.”

“The rest for me, I will deal with the rest in person when I arrive.”

Herman exclaimed: “Godfather, do you want to go too?”

“Of course!” Jairo laughed: “I will not only go in person but also take Gerard.”

“Call him too, I want him to tell me in front of me how much he is willing to spend to solve the problem!”

Chapter 4482

Herman understood instantly.

Jairo wanted to take Gerard’s daughter and threaten Gerard with bleeding.

However, he was more worried about his son’s safety, so he said,

“Godfather, Dean’s life and death are unknown now. I’m really worried.”

“In any case, I have to let them explain about my son’s whereabouts first!”

“Don’t worry.” Jairo said lightly: “The more this is the case, the more you have to keep your composure.”

“Now the culprit is sitting in my nightclub, which also means that if Dean is still safe,”

“Then he will definitely not be in danger. But if Dean has already been killed,”

“It would be meaningless to kill them both now, so you must wait!”

“Wait until I get a result of this matter!” Herman was so anxious that he was about to breathe fire,

But at this moment he was too excited. He could only grit his teeth and nodded: “Okay... I’ll listen to your godfather...”

Jairo nodded and said with a smile: “Let’s go, let’s go to Lan Kwai Fong together,”

“We will meet those two young people in a while.”

...

At this time, Lan Kwai Fong Inspur Club.

Because of the news, the whole wave no longer allows any FIT to enter.

Many Four Dragons younger men who were nearby also rushed here to support.

They first guarded all the entrances and exits of the entire nightclub to prevent Charlie and Jemina from escaping.

And Coach Lin also brought his men and quickly rushed over from Hong Hauling.

Charlie was sitting in the booth of the nightclub at this time,

He picked up a bottle of Ace of Spades champagne very calmly, and asked Jemina:

“Miss Jemina, would you like a drink?”

Jemina shook her head nervously: “No, I never drink alcohol.”

Charlie looked at her and asked with a smile, “Are you afraid?”

Jemina nodded: “A little...”

After speaking, she asked him, “Should I call my dad over?”

“No .” Charlie smiled and said, “Someone will definitely call him later.”

Jemina said helplessly, “If it really can’t be done, let him clean up this mess,”

“And the big deal is to go back and be scolded by him.”

Charlie smiled slightly: “Don’t worry, there must be a lot of mess tonight, but you don’t need to worry about it.”

After speaking, he poured himself half a glass of wine, took a light sip, and looked at the time.

It’s half-past eight.

Coming to think of it, he said to himself, “It’s about time.”

So, he took out his phone and sent a message to Wesley:

“Lan Kwai Fong Inspur Club, need you here, wait for my message, don’t rush in.”

Wesley replied immediately: “Okay, Mr. Wade, your subordinate is here. I will just come over in ten minutes!”

Ten minutes later, a black off-road vehicle parked opposite the Inspur Club.

There were a total of five people in the car, and in the co-pilot sat Wesley, who had already entered the dark realm.

And the co-pilot is a 6 star warrior Blue eyed wolf king, one of the two commanders of the Dragon Temple.

Among the three people in the back row, one of them was another battle commander Calum and the other two were five-star soldiers.

Wesley was ordered to come to Hong Kong first, so he called the two war commanders,

Under his command to avoid encountering the mysterious organization that attacked Evan's family in New York.

A few minutes later, when Coach Lin led the people from Hong Hauling to Lan Kwai Fong, Jairo’s Rolls-Royce had just arrived.

Coach Lin was a little shocked. He didn’t expect Jairo to come over in person,

So he immediately pushed the door and got out of the car, and quickly came to Jairo's Rolls-Royce.

At this time, Jairo and Herman also got out of the car one by one.

Coach Lin asked Jairo: "Sect Master, why did you come here in person?"

Chapter 4483

Jairo smiled and said, "The God of Wealth arranged for someone to rush to give me money."

"If I don't come in person, how can I be worthy of his painstaking efforts?"

Instantly understood Jairo's intention, so he asked:

"Sect Master, people should still be inside, what are you going to do with them?"

"Do you want me to go in and control them?"

Jairo said with a smile: "Haha, don't be in such a hurry, let the people inside start to clear the scene first,"

"And invite out those who are irrelevant, and then I will personally go on stage and make a good show for them!"

Jemina soon discovered a strange phenomenon. The waiters in the entire nightclub,

They all seemed to be whispering something to the guests at other tables.

Soon after, the guests who have communicated with the waiter will get up and leave immediately.

She couldn't help being nervous for a while, and said to Charlie in a low voice,

"Have they already come over? I don't think something is right with these waiters."

Charlie smiled and said, "Don't be nervous, the show is just about to begin."

With that said, he poured another glass of champagne and took a sip for himself.

Soon, the other guests in the nightclub were almost gone, leaving only the table of Charlie and Jemina.

Immediately afterward, all the lights on the ceiling lit up at this moment,

Illuminating the dim nightclub lobby as bright as day.

The explosive music has also come to an abrupt end,

And the DJ and waiters quickly left through the staff channel.

Immediately, a large group of young and dangerous men with machetes rushed in,

Blocking the scene surrounding Charlie and Jemina.

Charlie was in no hurry or panic, with a smile on his face,

While Jemina next to him couldn't help but ask: "What are you doing?! Be careful I'll call the police!"

As soon as the voice fell, a joking voice came: "Miss Lloyd, you have such a big temper."

Following these words, an old man in his 60s wearing a Tang suit walked in with his hands behind his back.

This person is Jairo Hong, the sect master of Four Dragons in Hong Kong.

Along with Jairo, there were Herman Stark, Dean's father, and Lin, who had worked hard for Jairo to bring in his command.

Jemina had never met Jairo, but because Jairo was so famous in Hong Kong, she recognized him at a glance.

Seeing that Jairo came in person, she was extremely nervous, because she knew that,

Looking at this posture, today's troubles may be difficult to solve.

So, she said with a bit of respect in her tone: “Mr. Hong, I don’t know what you are doing?”

“What is it?” Jairo snorted coldly and asked, “Did you not hurt me?”

“The people who are here, also kidnapped my godson?”

Jemina hurriedly explained: “Mr. Hong, things are not what you think,”

“The whole thing is Dean’s initiative who provoked first...”

Herman on the side was furious and blurted out: “Jemina Lloyd, right,”

“You’d better tell me quickly about my son’s whereabouts!”

“If there is anything wrong with my son, I don’t want you to look good!”

Charlie, who was sitting beside him, couldn’t help but raise his eyebrows and said:

“I think both of you are in your 50s or 60s. You two add up to more than 100,”

“And are all going to be buried in the ground. You are actually uniting here and shouting at a girl,”

“So you won’t be afraid of being laughed at when it spreads out?”

When Jairo heard this, he was immediately furious, and shouted sharply:

“Boy! You are so fcuking arrogant. I heard that you are from the mainland. Do you know who I am?”

Charlie said lightly: “You are in my eyes just an old dog with almost all of its teeth gone,”

“I don’t care who you are.”

“Grass!” The group of young men were immediately furious, and one of them blurted out,

“You fcuking dare to scold the master of Four Dragons. Wait, I won't hack you to death!”

Chapter 4484

Charlie smiled slightly: "Isn't it, you're going to hack people as soon as you come up?"

"Isn't it boring if the climax entered so quickly?"

Jairo looked at Charlie with a sinister expression and said:

"Boy, you really are one of a kind! You don't even pay attention to me, what's your background?"

Charlie snorted: "What's my background, you don't deserve to ask,"

"Don't you want to solve the problem? Now I'll give you a solution to the problem."

"As the boss of Four Dragons, you condone your younger brother to do evil,"

"And for the sake of your age, you bow and apologize here today, and I don't need to pursue this matter."

After that, he pointed to Herman beside him, and said coldly,

"You are Dean's father, right? Your son was plotting against Miss Jemina today,"

"But as a father, you have no way to shirk teaching your son, so the responsibility is inevitable,"

"So if you now Kneel down and kowtow three times to Miss Jemina, I can stop holding you accountable."

Charlie's remarks made Jairo and Herman angry enough.

Especially Jairo, he has been out all his life, and he has never met someone as arrogant as Charlie.

So, Jairo said to Coach Lin angrily, "Coach Lin! I want you to tear this kid's mouth to pieces!"

"The corners of both sides of his mouth torn to the roots of his ears, I'll see how hard his mouth can be!"

Coach Lin immediately clasped his fists with both hands: "Yes!"

After saying that, he frowned when he looked at Charlie, and he was about to rush forward.

Charlie saw his cultivation level, a mere three-star fighter, in his eyes, was inferior to a dog.

If he really wants to use his hands and kill him with one punch,

It is much easier than not killing him because it is difficult to control his strength,

In the face of such a fighter, a little bit of aura will beat him to death.

At this moment, Jemina suddenly stood up, and said in front of Charlie,

"Mr. Hong, I have something to say! My friend's brain is not tuned to the facts,"

"Don't get angry, I can let him know about this matter."

"Dad will come to solve it, and I will give you a satisfactory answer!"

When Jairo heard this, he immediately stopped Coach Lin, then looked at Jemina with great interest,

And asked with a smile, "Miss Lloyd, are you sure your father can deal with this?"

"For a satisfactory answer, I have a great appetite."

Jemina gritted her teeth and said firmly: "I can ask my dad to come over and have a talk with you!"

"But the premise is that you can't touch him, otherwise there is no point in talking about it!"

Jairo nodded and said with a smile: "I also admire Mr. Lloyd very much. Although I have met several times before,"

"I have never had the opportunity to make deep friendships."

“Since Miss Lloyd said so, I might as well take this opportunity to talk to him. Get to know Mr. Lloyd.”

Herman, who was beside him, said quickly: “Godfather! You have to ask Dean’s whereabouts quickly!”

“Dean’s life and death are unknown now, if something happens, it will be over!”

Jemina said subconsciously: “Dean is not in danger!”

Herman blurted out: “Then where is he?!”

Jairo interrupted Herman at this time, and said,

“Herman, don’t be so excited. Since Miss Lloyd said that Dean is not in danger, he must be fine.”

After that, he smiled. Looking at Jemina, he laughed and said,

“Miss Jemina, please call your father, I’ll be waiting for him here.”

“Okay!” Jemina took out her cell phone without hesitation.

At this moment, Charlie wanted to stop her.

After all, in his opinion, this matter is not that troublesome,

Either by himself or by letting Wesley come in and put these people on the ground.

After they are put on the ground, then at this venue and at this opportunity,

Come to the court to try the case, Jairo, Herman, Dean, and even Coach Lin in front of him,

One is counted as one, and let each of them experience what is called the disaster of extinction.

However, seeing Jemina trying to protect him from disasters over and over again, he was somewhat moved.

Just as Jemina wanted to call Gerard over, Charlie thought,

He might as well use the donkey down the slope to give Gerard a chance.

If he can really do some good affairs, then Uncle Chen's affairs,

He can think of Jemina's act and treat her father a little more leniently!

Chapter 4485

At this time, Gerard had just had dinner in his mansion and came to the pool with a cigar and a bathrobe.

Bella was wearing a bikini by his side.

She hadn't worn a bikini for a long time, was somewhat uncomfortable, and said,

"Gerard, there are guests at home. You let me dress like this, and it's not good to be caught?"

Gerard said carelessly: "What are you afraid of?"

"The man surnamed Wade is having dinner with Jemina, and they definitely won't come back too early."

Bella was helpless and asked him, "Why do you have to swim at night?"

"Where did you get such a good interest?"

Gerard was cheeky and smoking a cigar, he smiled at her and said:

"I just heard that the United States will soon send back Hogan."

"If they hurry, maybe he will be there early the day after tomorrow!"

Bella's expression turned pale, and she blurted out: "Gerard... You really can't let him go?"

Gerard glared at her and asked coldly, "Why, you still want me to spare him?!"

Bella was caught by his eyes Frightened all over,

She shook her head quickly and said, "No... I didn't mean that..."

He said coldly: "In the future when I mention this person,"

"Listen to me, if you want to it's best to follow this rule,"

"Keep in mind my opinion when expressing your opinion, otherwise, shut up!"

Bella could only nod her head and said: "Okay...I see..."

Gerard's expression seeing this got a little easier,

He took off the bathrobe, stretched out his foot to test the water temperature,

And then jumped in with a thud, setting off a massive splash of water.

As soon as he entered the water, the cell phone he placed beside the reclining chair rang.

Bella glanced at it and said, "It's Jemina's call, do you want to answer it?"

"Take it." Gerard swam to the edge of the pool a little clumsily,

Stretched out his hand, and took his mobile phone from Bella's hand.

"Hello." As soon as he answered the phone, he asked with a smile,

"Jemina, have you finished eating with Mr. Wade?"

Jemina blurted out: "Dad, we have a problem,"

"We are in Lan Kwai Fong now, can you come over?"

Gerard frowned: "What's wrong?!"

Jemina said helplessly: "Mr. Wade had some conflicts with the people from Four Dragons because of me,"

“But they surrounded us and wanted to do something, I have no choice but to call you.”

“A conflict with Four Dragons?” Gerard suddenly had a big head like a dolphin,

He blurted out: “This Mr. Wade is not good at this, what does he have to bump into people from Four Dragons?”

“Doesn’t he know that Four Dragons is the most notorious dog skin plaster in Hong Kong?”

“If it sticks on, at least a layer of skin should be torn off!”

Jemina said seriously: “I already said that Mr. Wade started it with them because of me.”

“If it weren’t for Mr. Wade, I might have encountered an accident now!”

When Gerard heard this, he sighed helplessly and asked,

“Okay, okay... tell me where you are, I’ll come right now!”

Jemina said: “We are at the Inspur Club in Lan Kwai Fong.”

“Inspur Club?” Gerard frowned: “Isn’t that the place of Four Dragons?”

“It’s the only place you should not go and you are in there now!”

Jemina asked him, “Are you coming or not?”

“Coming, I’ll come.” Gerard was extremely helpless,

But he could only open his mouth and say: “Tell the person on the opposite side not to act rashly, I’ll come over now!”

After he finished speaking, he hung up the phone and climbed up from the pool in embarrassment

“What happened to Jemina?” Bella was surprised.

He cursed and said: “There is a conflict with Four Dragons.”

“Dmn, Jairo is a mad dog. Anyone who passes by him will have to take a bite.”

“Jemina and Wade have offended him, and I am afraid that I will have to bleed.”

Chapter 4486

Bella couldn't help frowning and said: “Jemina this girl doesn't provoke anyone,”

“But go to provoke people from Fou Dragons..”

“They are a bunch of desperadoes, whoever sees them, they have to hide away..”

Gerard put on his bathrobe and said lightly:

“Okay, you can wait at home, I'll go and see what's going on.”

Bella asked, “Would you like me to come with you?”

“No.” Gerard waved his hand and said, “It's troublesome for you to go.”

...

Soon, a convoy of three cars drove out from Gerard's mansion in Shi Xundao.

As soon as the convoy left, they quickly drove to Lan Kwai Fong.

At the Inspur club at this time, Jairo sat in front of Charlie and Jemina with a smile on his face.

He looked at Charlie and said with a smile, “You are so lucky, bad boy,”

“You have caused trouble, and Miss Jemina is a beautiful woman standing in front of you for you,”

“It's really a blessing if you can live tonight and go out from here,”

“Then you really have to thank her.”

Charlie said lightly: “You should thank her,”

“If she hadn’t stopped me, I would have killed you long ago.”

“Fck!” The faces of several minions of Jiro turned green,

And they really couldn’t understand why this kid was acting so aggressive.

The key is that, for this sake, he still pretends to be forceful.

Is he really not afraid of death?

Jemina is also about to collapse. She really can’t figure out what Charlie wants to do.

With so many people of Four Dragons here, does he still want to start a fight here?

Jairo was almost mad at this time.

If he hadn’t wanted to wait for Gerard to come over and talk about the price,

He would have ordered his minions to rush up and hacked him to death.

But for the sake of money, he still forcibly suppressed the anger in his heart, and sneered:

“Boy, I won’t be quick to talk to you, if Mr. Lloyd can’t give me a satisfactory solution after coming here,”

“The first thing I do is to cut your tongue off!”

Charlie smiled slightly: “If you are willing to wait, then I will accompany you to the end.”

Twenty minutes later, Gerard hurried over.

As soon as he entered the door, he was taken aback by the scene here.

Not to mention so many fierce Four Dragons members with machetes,

The presence of Jairo alone makes Gerard feel bad in his heart.

On the phone, he only heard his daughter say that there was some friction with Four Dragons,

But he didn't expect that Jairo would come over!

So, he quickly said with a smile: "Oh, I didn't expect you to be here, Mr. Hong, it's really disrespectful!"

Jairo looked at him with a smile and said, "Mr. Lloyd, I'm sorry,"

"It's a big night. I also asked you to make a special trip."

Gerard hurriedly said, "It should be."

Then, he glanced at Jemina and asked Jairo: "Mr. Hong, I don't know what the little girl has offended Four Dragons with,"

"Please I should say, she is still young, raise your hand, don't treat her in the same way!"

Jairo snorted and said, "Mr. Lloyd may not know what happened,"

"Your daughter and her friend hurt my Four Dragons' more than a dozen subordinates,"

"And they also kidnapped my grandson Dean Stark."

"You don't let her give me an explanation for this kind of thing, so how can I raise my hand?"

When Gerard heard this, he was shocked and blurted out to Jemina: "Jemina, what's going on here?!"

Jemina said, "It was Dean who led people to follow me, wanted to betray me,"

"And wanted Mr. Wade's life. Mr. Wade had to scuffle with them to save me!"

Gerard hurriedly said to Jairo: "Mr. Hong, it sounds like your grandson doesn't follow the rules first,"

"So I shouldn't let my daughter come to tell you anyway, right?"

Jairo slapped the table and pointed at Gerard angrily and said: "Do you think I asked you to come here to reason with me?"

"A dozen of my men from Four Dragons were injured and my grandson is missing."

"If you don't give me an explanation today,"

"I will even destroy your daughter to give an explanation to my Four Dragons!"

Chapter 4487

When Gerard saw that Jairo began to play a hooligan,

He knew that it was impossible to reason with the other party about this matter.

So, his expression gradually calmed down, and he asked,

"Mr. Hong, how do you want to solve this matter? Just give me a straightforward statement."

Jairo looked at Gerard, then at Jemina, cold With a snort, he said,

"Mr. Lloyd, don't say I'm joking here, I know that your daughter didn't hurt members of my Four Dragons,"

"She also did not hurt my godson, so you only need to come out with ten million and you can take her away."

"Ten million?!" Gerard blurted out as if his tail had been stomped on,

"Did you make a mistake, Mr. Hong, you said it yourself, my daughter didn't do anything."

"You have to take 10 million without doing anything, you are too big to talk!"

Jairo sneered: "What? A mere 10 million should be nothing to you, Mr. Lloyd, right?"

"But the other way around For me, it is different."

“Thousands of people in my Four Dragons are waiting to eat. Without money,”

“They can only go to the streets to beg for food; without money,”

“They can only do things that people like you don’t want them to do!”

“Do you think you only need to give me an explanation?”

“You want to give me an explanation for the entire Four Dragons here!”

Jairo has long since mastered the means of threatening others.

Gerard is not a fool either.

The meaning of Jairo’s words is nothing more than bringing Four Dragons as a threat.

Although he is rich and powerful, the more rich and powerful people like him,

The more afraid of those who want money or life.

Now that his daughter has given Jairo a handle for money,

This means he may not be able to take her away without bleeding any blood.

So, he gritted his teeth and said, “Mr. Hong, I won’t say more nonsense.”

“Ten million dollars is too much. If I pay two million, this is the end of the matter here. What do you think?”

“Two million?” Jairo said disdainfully: “You are treating us like beggars,”

“Do I have the words “beggars” written on my face?!”

Gerard sat next to Jemina and said, “Two million dollars, if it is still not enough,”

“Then I will let you, Mr. Hong, deal with it today,”

“And you can do whatever you want to relieve the hatred, and I can watch it.”

Don't look at Gerard's usual cheerful smile, but he also has a strong street color in his bones.

He knew very well that if he was taken advantage of in front of Jairo today,

Jairo would treat him as an ATM in the future as well.

He must show some boldness today, but he must not make him 100% satisfied,

He must let him know that he is also temperamental.

Jairo really did not expect that Gerard, a billionaire, would actually play tricks with him.

He now looks like a dead pig that is not afraid of boiling water,

Which immediately makes Jairo feel a little tricky.

Although he is the master of Four Dragons, he does not dare to openly do something to Gerard.

After all, after the Lee family went to the UK for development, the richest person in Hong Kong is almost Gerard.

If he really did something to him today, the whole of Hong Kong would know tomorrow,

And then he would definitely be criticized and berated,

And the Hong Kong Police would definitely not sit idly by under pressure.

Therefore, he really did not dare to do anything to Gerard.

So, his expression softened a little, and said with a smile:

"Mr. Lloyd really has the courage, I appreciate it!"

Gerard snorted and said, "Mr. Hong, whether it's okay or not, please give me a word."

Jairo nodding his head said, "Mr. Lloyd, I don't speak secretly.

Today's matter will be settle in five million."

Chapter 4488

Gerard frowned, then pointed at Jemina and Charlie, and said loudly:

“Five million are fine, but I’m taking both of them.”

Jairo laughed out loud: “Haha, Mr. Lloyd, you may not have understood the situation,”

“The reason why you came is to solve your daughter’s problems,”

“And the reason why you are asked to solve your daughter’s problems is that,”

“Your daughter is not the main culprit in this matter,”

“So I look at your face and give you a chance to resolve the conflict.”

After speaking, he pointed at Charlie, and said coldly,

“As for this kid, he will stay here today. Even with a lot of money,”

“It is impossible to take him away because I want his life!”

Gerard saw Jairo’s killing intent, his scalp could not help tingling.

He could see that he really wanted Charlie’s life.

However, if Charlie really has a mishap in Hong Kong,

Then his cooperation with BAIT Shipping will probably be permanently strangled in the cradle.

So he hurriedly said to Jairo: “Mr. Hong, I came here today to solve the problem with you completely,”

“So you can directly tell me the price and how much it will cost me to take them both.”

“Let’s go for it and not make a big deal out of it, I’ll add more money for you!”

Jairo's brows couldn't help but twitch, and he said coldly:

"It's not about money anymore, he tied up the grandson of Jairo,"

"And he just said crazy things to me,"

"If I let him go, how can I come out and hang out in the future around my men?"

Gerard realized the seriousness of the problem and said quickly:

"Mr. Hong, Mr. Wade is a newcomer and he is not familiar with the situation in Hong Kong,"

"So he may be a little bit intimidated by you, so I will take his place."

"I apologize to you, and I also ask you to look at my face and let him go!"

"The big deal is that I will add more money, let's say 10 million!"

Jairo has already negotiated with Herman for three years with 60 million US dollars.

How could he be moved by Gerard's mere 10 million local currency?

What's more, he has nothing to lose by letting Jemina go.

On the contrary, if he, as the head of the Four Dragons Sect,

He can't get along with a girl named Jemina, and the whole of Hong Kong will despise his actions tomorrow.

Therefore, Gerard pays millions to redeem Jemina, which is a windfall for him,

Not to mention buying a few Rolls-Royces, why not do it for himself.

However, if he lets Charlie go today if the word gets out, he really can't get along.

So, he looked at Gerard and said coldly,

"Mr. Lloyd, I asked you to take your daughter away with five million."

“It’s already very good for you. If you are wise, write a check for five million.”

“Take your daughter out of here immediately, if you are ignorant, don’t blame me for changing my mind!”

Gerard also realized that Jairo would never promise to let Charlie go, and he was afraid that he could not save him.

At that time, if Charlie died in the hands of Jairo,

And his cooperation with BAIT Shipping would definitely be in vain,

So right now, there is no need for him to stay here and risk the safety of himself and his daughter.

Thinking of this, he gritted his teeth and said to Jairo,

“Okay! Five million is five million. I’ll write a check to you now!”

When Jemina heard this, she knew that her father had given up on Charlie,

So she didn’t care. Without hesitation, she blurted out,

“If you want to go, go by yourself, I want to stay here with Charlie!”

Jemina’s words made Gerard stunned.

He asked subconsciously: “Are you crazy? Don’t you know that you will die here?”

“I don’t care,” Jemina said with a firm expression:

“I will stay with him or leave, whether I die or live, I will follow Charlie!”

Chapter 4489

Gerard was anxious, and blurted out: “Jemina! Now is not the time to be loyal!”

“Now as long as one person can leave, it is better than two people dead together!”

Jemina’s eyes were firm and she said without hesitation:

“Don’t persuade me, you can go by yourself.”

Gerard stomped his feet angrily: “You have a funny head?! You can’t do anything by staying here!”

Jemina said coldly: “I said, I don’t care! I am here so I want to stay with Charlie!”

“Come!” Gerard gritted his teeth, took out his checkbook, kept writing on it,

And gritted his teeth, “It used to be up to you, but today it’s definitely not up to you!”

While speaking he tore off the written check, slapped it in front of Jairo, and said coldly,

“The five million dollar check is here, I will take my daughter out of here!”

Jairo took the check and looked at it. After confirming that it was correct,

Putting the cheque in his pocket, he said indifferently:

“You have to go quickly, my patience is almost exhausted.”

Gerard did not dare to delay, reached out and grabbed Jemina’s arm, and said loudly: “Come with me now!”

“I’m not leaving!” Jemina was in a hurry. While trying her best to fight against Gerard,

She subconsciously grabbed Charlie’s hand, and two lines of tears could not be contained in her eyes.

Charlie couldn’t bear it, so he said, “Miss Lloyd, you don’t have to worry about me.”

“You should go back with Mr. Lloyd. I can handle the rest of the little scenes by myself.”

Jemina didn’t know what Charlie said.

From the bottom of her heart, She thought that he was trying to persuade her to leave, and suddenly cried and said,

“I’m not leaving... I want to be with you!”

Charlie said very seriously, "Miss Lloyd, I'll be fine."

"You just go back with Mr. Lloyd first, and I'll be there in 20 minutes."

Jemina shook her head desperately because she was afraid of being dragged away by her father.

Clutching her fingers, she cried and said, "I don't want 20 minutes,"

"I want to be with you! You go, I go, you stay, I can't leave!"

To Jemina, she was rational and could not leave Charlie and go out alone.

After all, Charlie did it for her, so how could she just walk away at such a time?

However, Jemina didn't realize that the motivation,

That drives her to stay at this moment is not just pure morality.

In her heart, she already had a different kind of emotion towards Charlie,

Which had never appeared in her 24-year life journey.

Therefore, she herself did not realize the existence of this emotion.

At this moment, she just wants to stay and stay by Charlie's side, that's all.

Jairo became impatient, and shouted sharply: "Go! You guys came to me to play a love drama?"

After that, he pointed at Jemina and scolded her loudly:

"If you know what you are looking for, just follow your father and get away,"

"Or else If not so, I'll clean it up with you!"

Charlie frowned suddenly, and said coldly,

"Dmn, your mother never taught you to be polite when talking to girls?!"

Jairo's last patience was almost exhausted. In the end, he pointed at Charlie and said coldly:

"Dmn! Boy! I've been putting up with you for a long time!"

After that, he pointed at Coach Lin, and said sternly:

"Coach Lin, immediately tear this kid's tongue off for me."

Coach Lin squinted at Charlie, and said coldly:

"Boy, you are courting death yourself, no wonder I will have to do it now!"

Charlie looked at him and asked with a sneer, "I think you are also a fighter, why would you be like this? Mixing with garbage?"

"Are you practicing martial arts hard just to be a dog for this garbage?"

Chapter 4490

When Coach Lin heard this, his eyes widened and he blurted out,

"You...how can you tell that I'm a martial artist?"

At this time, Coach Lin was a little flustered.

Martial arts cultivation has always been able to look down from the top, but not from the bottom up.

Charlie can see that he is a warrior at a glance, but he can't see his cultivation,

This means that Charlie is likely to be stronger than himself!

If Charlie is a four-star warrior, then he does have a crazy capital.

If Charlie is a five-star warrior, then he can easily counter-kill with his hands!

Seeing that Coach Lin was a little flustered, Charlie deliberately said,

“I can’t see anything, but I have heard others talk about you,”

“And they all say you are a three-star warrior.”

In fact, Charlie was just talking nonsense,

He didn’t listen to who had mentioned this person and this person’s cultivation.

And the reason why he said that was because he didn’t want to let Coach Lin be too quick.

After all, Coach Lin is the strongest among these people.

If he is too cowardly to do anything, then it’s really meaningless.

When Coach Lin heard this, his heart that had been hanging in the air immediately dropped.

He, a three-star warrior, is indeed very famous among Four Dragons and other gangs.

On the roads of entire Hong Kong, almost everyone knows his prestige and his strength.

It’s not surprising that Charlie has heard that he is a three-star warrior.

So, he breathed a sigh of relief, and said arrogantly:

“To tell you the truth, I used to be a three-star warrior of Dragon Hall!”

Charlie was slightly taken aback, raised his eyebrows, and asked with a smile:

“Oh? You used to belong to the Dragon Hall?”

“Is that the mercenary organization Dragon Hall?”

Coach Lin said coldly, “That’s right!”

Charlie asked again, “Then who was in charge of you? Wesley Drake?”

Coach Lin said angrily:

“Presumptuous! How can you call the prestige of the master of Dragon Hall directly!”

Charlie asked curiously: “Since you respect Wesley so much,”

“Why did you leave Dragon Hall? Could it be that you were kicked out?!”

Coach Lin’s face suddenly flushed with shame, and then he shouted in exasperation:

“It is my business, what does it have to do with you!”

After that, he looked at Charlie and said coldly:

“Boy, I heard Jimmi say that you are good at your skills, so I’ll come and learn from you!”

As soon as he finished speaking, Coach Lin suddenly rushed toward Charlie.

Jemina didn’t know where the strength came from, she broke free from Gerard’s hand in an instant,

And wanted to block in front of Charlie, but was pulled behind by Charlie.

In the face of Coach Lin’s offensive, Charlie did not blink, and said lightly:

“Since you are from Dragon Hall, I don’t want to do anything with you, it’s boring.”

Coach Lin stopped and asked Charlie, “Why? Are you afraid of me?”

Charlie shook his head: “I’m afraid? it’s impossible to be afraid of a mere warrior like you.”

“I, Charlie, have grown up to this age and have never been afraid to anything.”

After speaking, he stretched and said lightly,

“I’m just tired of playing. No, no pretending and showdown!”

Coach Lin frowned and looked at him: “What do you mean?”

“I’m giving you a fair chance to fight! If you don’t cherish it, don’t blame me for being rude!” Coach Lin added again.

Charlie waved his hand and said lightly, “Here to compete with me fairly? You’re not worthy.”

Coach Lin felt greatly humiliated, and shouted angrily :“Boy! Don’t get too cocky! Do you really think I dare not do it?!”

Charlie indifferently said: “Let’s talk about it in a while, I’ll ask someone to come and see you.”
