

## Chapter 4851

Ito Takehiko, who has been without legs for a long time,

And he has actually adapted to his lack of legs physically and psychologically.

Suddenly he had a pair of legs, and his consciousness and nervous system couldn't even match those two legs.

Therefore, when he put his hand into the mud with zero visibility,

And suddenly touched two legs, his subconscious immediately concluded that it must be his own prosthetic limbs.

Because of this, he felt that the prosthesis was actually put into the bathtub,

And his first thought was naturally very angry, so he scolded him sharply.

He didn't like the prosthetics, but being thrown into the mud like that,

Made him feel more like some sort of contemptuous prank.

The housekeeper at this time had an innocent face.

He pointed to the changing stool in the bathroom changing area and said,

"Master, there is your prosthesis!"

Ito Yuhiko turned his head to look, and was surprised to find that,

His set of the prosthesis is now bent over the changing stool.

He couldn't help but wonder, then looked at the mud in front of him,

And said, "Then what are these leg-like things in here?!"

After speaking, he hugged one of them with both hands,

And said coldly, "Let me see what the hell is this!"

Immediately afterward, he suddenly held the thing with both hands and flipped it upwards,

And he felt that his whole body was thrown down uncontrollably.

The inside of the bathtub is originally arc-shaped,  
And it is relatively stable when lying still, but once a person rolls in it with his legs in his arms,  
The whole person will lose the center of gravity directly.

The housekeeper was also curious as to what was in the bathtub of Ito Takehiko,  
But the next second Ito Takehiko instantly fell backward,  
Slipped his upper body, and suddenly turned his back, and his whole head fell into the mud.  
He saw that it was a foregone conclusion that his head fell into the mud.

Before his head fell into the mud, he subconsciously scolded again: "Ah! Baka!"  
After he finished speaking, his head plunged directly into the mud.

Then, a few clumps of air bubbles rolled out from the surface of the viscous mud.  
And as his head got into the mud, at the other end of the bathtub,  
A foot and a half a calf suddenly came out of the water.

The housekeeper was dumbfounded when he saw the foot and half of his calf,  
But before he could react, he was taken aback by Ito Takehiko who was submerged in the mud,  
So he rushed forward and held him directly. And pulled him out of the mud.

After Ito Yuhiko got out with green mud on his face,  
He immediately spit out a large mouthful of green mud,  
And then coughed violently and uncontrollably.

The butler quickly found a towel to wipe his face for him,  
And asked with concern, "Master, are you okay?"

Ito Yuhiko shook his head in embarrassment, and asked him weakly,  
"How did I turn over just now?"

“I just remembered in a trance just now, I saw a foot and half a calf.

So, he hurriedly said: “Master, I think you just picked up a foot and half a leg...”

Ito Yuhiko recalled the strange process just now, and he couldn't understand if he pulled out a leg out of mud just now!

Moreover, it was still very real human legs!

Ito Yuhiko was so nervous, he quickly grabbed the edge of the bathtub with both hands,

And hurriedly pushed his upper body out of the mud, and then his legs kicked in uncontrollably.

But until this time, he still didn't know that his legs had grown back.

Chapter 4852

At this time, he still subconsciously felt that he had lost his legs,

And the subconscious kicking was completely a conditioned reflex made by people when they are panicked,

And this conditioned reflex basically did not pass through the human brain.

Seeing a thud in the mud in front of him, as if something giant was about to burrow out of it,

Ito Yuhiko was also frightened with goosebumps all over his body,

And hurriedly stretched out a hand and said to the housekeeper,

“Quick! Pull me out of this dmn bathtub. Get me out!”

The housekeeper was also frightened, and hurriedly hugged his arm with both hands,

And suddenly pulled him out of the bathtub with force.

Immediately afterward, Ito Takehiko felt that the whole person jumped out in a swish,

And before he was ready, the whole person fell heavily on the ground and fell like a dog.

As soon as he groaned, he heard the butler let out a terrified scream.

The scream also frightened him, and he quickly asked:

“What the hell is it?! Did you see it?!”

The housekeeper stared at Ito Yuhiko's two intact legs and said tremblingly:

“Ma...Master..your legs! Your legs have grown out...this...this is so ridiculous...”

“This... ..how is this possible...I must be dreaming...must be dreaming...”

He subconsciously rubbed his eyes with both hands and said something plausibly like a mantra.

At the same time, when Ito Yuhiko heard his words, he turned his head subconsciously,

And was immediately frightened by the sight in front of him and shouted!

Because he suddenly discovered that his two legs that had been amputated had grown back!

It's just that Ito Takehiko couldn't care about happiness at this time,

His whole worldview was completely subverted, and he didn't know whether it was a reality or a dream.

He was looking forward to these legs growing back all the time,

But when he really saw two legs attached to his body,

He was completely frightened by the sudden appearance of two legs.

It's as if a close relative has passed away, and he longs for the other party to be able to come back to life,

But if the other party really sits up from the coffin,

It will definitely scare these close relatives to pieces.

At this moment, Nanako outside the door heard her father's exclamation,

And said nervously, “Is something wrong with Old Man?”

After speaking, she subconsciously got up to look.

Charlie stopped her at this time, smiled, and said, “Don't worry, I'll go take a look.”

Nanako hurriedly said, “I'll go too...”

Charlie said lightly, "Mr. Ito is not wearing clothes, You don't want to go in?, "

Nanako nodded helplessly, and said to Charlie, "Then please I ask Mr. Wade!"

Charlie smiled slightly, got up, and went to the bathroom where Ito Yuhiko was,

As soon as he pushed the door, he saw Ito Yuhiko sitting naked on the ground,

Looking at his legs in horror, his whole body was like a chicken.

Seeing Charlie coming in, Ito Yuhiko, whose mind could no longer turn his body,

Seemed to grab a life-saving straw and said quickly,

"Mr. Wade...I...Am I being hypnotized by you?!"

Charlie smiled and said, "I didn't hypnotize you."

"Impossible..." Ito Yuhiko said with a serious face:

"I can see that both of my legs have grown out now. It's too real,"

"And these leg hair covered in green mud are exactly the same as the real thing..."

"Mr. Wade, this must be some kind of hallucination under hypnosis, right?"

After speaking, he remembered something and quickly said:

"Right! Even my housekeeper had the same hallucination!"

"Could it be that there is some hallucinogenic substance in the mud,"

"That caused both of us to have hallucinations?!"

Chapter 4853

Charlie shook his head and said indifferently: "Mr. Ito, you don't have any hallucinations,"

"The two legs you see are real, what I just fed you is the medicine that can regenerate your severed limbs,"

"This is also the reason why I called you all the way from Japan,"

“So I solemnly tell you that from today onwards, you will no longer be a disabled person without legs!”

Charlie’s words made Ito Yuhiko feel like a thunderclap above his head!

He was stunned for a while, looked at Charlie nervously, and asked in a trembling voice,

“Wade...Mr. Wade...Are you sure you’re not kidding me? My legs...are they really growing?”

Charlie nodded, and said casually, “Mr. Ito, you came a long anyway,”

“So you don’t need to be so surprised at this time, right?”

“If you don’t believe it’s true, you might as well stand up and take two steps.”

Ito Yuhiko was stunned. Looking at his two thick legs, he subconsciously reached out and touched them.

The feeling of touch is very real.

Moreover, when he calmed down a little,

He realized that not only did his hands feel the real touch when he touched his legs,

But even his legs actually felt the feeling of being touched.

At this moment, Ito Takehiko’s whole body began to tremble violently and uncontrollably.

He has begun to gradually believe that all this seems to be true.

This huge shock and extreme excitement made him tremble like a severe Parkinson’s patient.

Immediately afterward, he subconsciously wanted to bend his legs.

Although the movements of the legs were a little jerky,

They did gradually bend as he wanted!

At this moment, Ito Yuhiko could only feel hot tears pouring out of his eyes,

So that his vision was blurred by tears.

Afterward, he remembered Charlie’s words, wiped away his tears,

Hugged his knees with both hands, and wanted to stand up slowly with his knees.

He originally thought that this action would be very difficult,

But what he didn't expect was that with just a little force on his legs, the whole person stood up steadily!

Although he has not yet adapted to the newly grown legs,

It cannot be denied that the state of these two legs is at its peak.

Therefore, Ito Takehiko stood up completely in the blink of an eye.

He is not very tall, and his height is about 1.68 meters.

However, this man has been a martial arts player since childhood.

Although he is not a martial artist, he has practiced karate and Sanda for many years,

Which has also improved his physical fitness and strength. More than most of their peers.

Reshaping Pill reshaped his legs back to their peak state.

Although the legs were a little short, they were very sturdy,

Standing in the same position, plus a suit of green mud, like a big green hair on Chimpanzees.

When Charlie saw Ito Takehiko standing still on the spot,

He knew in his heart that this kind of thing must be too shocking for Ito Takehiko,

And at least he needed to get used to it a little.

The housekeeper on the side came back to his senses a little at this time, and asked in horror:

"Mr. Wade...sir... his legs have really grown?! I'm not dreaming?!"

Charlie asked lightly: "Have you ever dreamed of having a human leg amputated, but can it grow back?"

The housekeeper quickly shook his head and said seriously, "I haven't done it..."

Charlie smiled: "That's it, such a good thing, but It's not something you can dream of."

“It’s like every man has gone through puberty,”

“But the object of his spring dreams may not necessarily be the girl he loves the most.”

“Do you think this is the truth?”

The housekeeper agreed, nodding like garlic and saying,

“Yes, yes... I have racked my brains throughout my adolescence,”

“And I have never dreamed of the goddess in my mind in that kind of dream...”

Chapter 4854

Charlie After a sigh looked at Yuhiko Ito and smiled faintly:

“Mr. Ito, how does it feel to have your birthday wish come true?”

Ito Yuhiko, who was standing stupidly before, heard this, and suddenly knelt on the hard floor tile with a thud,

His eyes filled with tears, looked at Charlie and choked:

“Mr. Wade! Thank you for your kindness! I, Ito Yuhiko, never dreamed that I could become a normal person in this life!”

“Your kindness and virtue will be unforgettable forever!”

Speaking, he opened his arms, knelt on the ground, and kowtowed three times to Charlie.

Charlie saw Ito Yuuhiko kneeling on the ground, talking and crying,

And with that face full of green mud and a little distorted,

He felt no longer the same as before, like a green-haired gorilla,

But like a new big monkey that came out of the soil,

Plus this old man is still nak3d, it is a bit unsightly visually.

So Charlie didn’t want to step up to help, and said to the housekeeper with a bit of disgust,

“Quickly get a bath towel and put it on Mr. Ito, at such an old age,”

“Kneeling on the ground with a bare bottom is like something.”

The housekeeper came back to his senses, hurriedly grabbed a bath towel,

Rushed forward in three or two steps, and wrapped Ito Takehiko's waist down with the bath towel.

At this time, Ito Yuhiko didn't care whether to lose face or not,

He was already out of breath from crying, looked at Charlie with tears in his eyes, and choked up:

“Mr. Wade... You are the parent who gave me a rebirth... From now on In the future...”

“No matter what you ask me to do, I will have nothing to say,”

“Even if you ask me to jump out of here, I am still willing!”

“Being able to die with dignity as a normal person is better,”

“Then living a life in a wheelchair. It's much better!”

Charlie shook his head helplessly, and said, “I called you all the way, and then gave you such a precious medicine,”

“Not to watch you jump off a building and die from here,”

“But this is so that Nanako can stop worrying about you in the future,”

“So from now on, you must cheer up, don't be like a half-dead all day long,”

“And don't let her worry about you anymore, do you understand?”

Ito Yuhiko suddenly realized, and blurted out: “I understand Mr. Wade!”

“Thank you for your love for my little girl! From today onwards,”

“I will definitely not let Nanako worry about me at all!”

Charlie nodded and said, “Okay, get up and go quickly. Take a shower,”

“Wash all the mud off your body, especially your face, wash your face carefully,”

“And then put on the sports clothes prepared for you and come out, Nanako is still waiting outside.”

Ito Yuhiko wanted to kowtow again, but as soon as he bent down,

The towel wrapped around his body broke away,

And the housekeeper on the side hurriedly stepped forward to help him wrap it again,

Charlie couldn't help but said, “Don't give me a big gift,”

“I'll help you but not for watching. I only helped Nanako's face.”

Ito Takehiko choked his throat and focused his head,

Then remembered something, and asked again: “Mr. Wade, I'm going to ask you something...”

Charlie hummed: “You ask.”

Ito Takehiko asked respectfully, “Mr. Wade, I want to know...”

“How is he now... Tanaka? Have you given him medicine too?”

Charlie nodded and said, “I have already given him medicine,”

“But he took it a few minutes later than you. It is estimated that he is almost awake now.”

Ito Yuhiko breathed a sigh of relief and choked:

“My life was saved by Tanaka, if not for him,”

“I might have been shot to death by the Takahashi family long ago.”

“Now that he can recover as well, it can be considered a wish...”

After that, he looked at Charlie and said with tears: “Thank you, Mr. Wade!”

Charlie smiled and said: “You don't have to thank me for this,”

“I'll help you out of Nanako's face, helping Tanaka,”

“And I completely appreciate his loyalty to your Ito family as a loyal servant.”

Chapter 4855

Ito Yuhiko actually knew very well that Charlie might not really think highly of himself.

After all, when he first came to Japan, he had a conflict with him,

And even his attitude was very arrogant at that time,

Thinking that this young man from China should bow before him.

Then, when he was taught by Charlie to be a man, he realized how nasty this young man was.

And the reason why Charlie was able to be polite to him later,

And once offered a helping hand, was entirely because of his daughter.

Therefore, at this time, Ito Takehiko, in addition to his endless gratitude to Charlie,

Only had one thought left in his mind, and that is: how is his life so good.

He didn't feel that his life was good because of Charlie's help,

But he felt that he was lucky to have a daughter as good as Nanako.

"If it weren't for Nanako, I'm afraid that the best situation for me now is to lie on the hospital bed with amputated limbs,"

"All kinds of tubes inserted all over my body, and rely on all kinds of nutrient solutions to survive."

It was because of Nanako that Charlie helped him recover after his amputation,

Allowing him to live the life of an ordinary healthy disabled person.

Now, Charlie is directly using a panacea to make his two broken legs recover and grow out.

Now that he has become a healthy person again, he will have no regrets related to himself in this life.

The only thing that still worries him is the life-long event of his daughter Nanako.

If he can entrust his daughter to Charlie with his own hands, then his life will be complete.

Just when Ito Takehiko was imagining that his daughter would marry Charlie in the future,

Koichi Tanaka, who was next door, also began to have almost the same experience as Ito Takehiko.

Fortunately, Tanaka Koichi has Don Albert sitting next to him,

So when Tanaka Koichi was frightened by his legs,

Don Albert directly dragged him out of the bathtub.

Everything is not an illusion or a dream, but a reality.

The excited Tanaka Hiroichi cried and said,

“Mr. Albert, I’m going to kowtow to Mr. Wade to thank him!”

After speaking, he was ready to rush out the door. Don Albert grabbed him back,

Put his foot into the shower, and said cursingly, “Dmn, you are an exhibitionist!”

“You’re going to run out nak3d! You’re not ashamed of your bean sprouts!”

“Go take a shower first, change your clothes before going out!”

Koichi Tanaka came back to his senses, and found himself nak3d,

He quickly bowed and said, “I’m sorry, Mr. Albert, I’m so sorry! I was rash!”

...

At this moment.

Charlie had already walked out of the bathroom where Takehiko Ito was.

Because of worry, Nanako was standing not far from the door waiting anxiously at this time,

And her aunt Emi was also waiting here with her.

Seeing Charlie coming out, Nanako subconsciously wanted to step forward,

But when she thought that her father was still in the bathroom,

She stopped and asked Charlie from a distance of a few meters, “Mr. Wade, Old man... how is he... “

“He’s good.” Charlie smiled and said, “He’s taking a shower, and he’ll be out in a while.”

Nanako pursed her lips and said tentatively,

“I seemed to hear my father cry just now, I don’t know if I misheard...”

Charlie smiled slightly, then walked up to her, and said with relief:

“It’s okay, Mr. Ito was just a little bit excited,”

“But he was also excited because he was happy, so you don’t have to worry.”

“I think it’s time for him to come out in a few minutes.”

Nanako was a little puzzled, and asked carefully:

“What happened to make Old man cry happily?”

Chapter 4856

Charlie pretended to be mysterious: “Don’t worry, you’ll know soon.”

Seeing that Charlie didn’t want to say it, Nanako had no choice but to nod her head,

And followed Charlie back to the living room with her aunt.

Just when Nanako was still wondering what happened,

Xion on the side was so excited that her palms began to sweat.

She is now a five-star warrior, and her sensory acuity is no longer the same as before.

Therefore, although she did not intend to eavesdrop on the conversation between Charlie,

And Ito Yuhiko in the bathroom just now, she could still hear it clearly.

Therefore, she already knew at this moment that Ito Yuhiko has grown his legs by relying on the remodeling pill given by Charlie,

Which made her very excited, because, in two hours, her mother’s plane will also be landing in New York,

Then, like Yuhiko Ito, her mother can regenerate a severed limb and become a normal person again!

A few minutes later, Ito Takehiko put on the sportswear that Charlie had prepared in advance,  
And walked out of the bathroom accompanied by the housekeeper.

At this time, Ito Yuhiko's eyes and nose were red,

And the rhythm of walking was a little slow, and even a little stiff,

But this was not because of any problems with his legs,

But because his excitement had not calmed down at the moment.

Seeing Takehiko Ito come out, Nanako hurriedly got up and stepped forward,

And just after a few steps, she noticed the unusualness of her father.

The first is that her father didn't wear the tattooed hakama he had before;

The second is that he actually changed into sportswear with shorts and short sleeves;

and what surprised her, even more, was that her father's prosthesis also changed the style.

The previous prostheses were not completely ecological products.

After all, no matter how advanced the prosthesis is,

It is impossible to completely simulate the shape of the human body,

So its thighs, knees, and calves are all made of titanium alloys to serve as the original bone parts.

Ito Takehiko's prosthesis is very exquisite and elegant.

It uses bionic materials similar to human muscles in the thigh and calf,

To simulate the contours and visual effects of real muscles.

But this is a prosthesis after all. In order to facilitate maintenance,

And not affect the activities of several components of the prosthesis,

Its knee joint and ankle joint are exposed metal parts.

If you don't wear pants, you can see the four titanium alloy joints on the two prosthetic limbs at a glance.

However, Nanako found that her father's two "prosthetic limbs" were made very real.

Even the joints of the original metal components have become the same material as human muscles.

It is impossible to see that they are fake. Fully normal.

Emi, who was on the side, also saw the difference, and said excitedly:

"Papa! Such a realistic prosthesis, there is no trace of any prosthesis at all,"

"And it is possible to make it look like the real one..."

Nanako couldn't help but be surprised. She shouted:

"Old man your new prosthetic limb... is indeed too realistic..."

"If a stranger sees it, he will never guess it is fake..."

"It is impeccable and impeccable... This... .."

"Is such an advanced prosthesis given to you by Mr. Wade?"

Ito Yuhiko looked at his daughter and sister, smiled knowingly, and said seriously,

"These legs are indeed given to me by Mr. Wade."

Incomparably serious word by word: "But... this is not a prosthetic limb,"

"This... this is... these are my legs! The real legs that grew on me!"

Chapter 4857

Takehiko Ito's words made Emi and Nanako stunned!

The two looked at each other with disbelief on their faces.

Seeing the dumbfounded expressions of the two of them,

Ito Yuhiko couldn't help but do a few high leg raises in place, and said excitedly,

“Emi, Nanako, look! I’m not kidding you, these legs are really not prosthetics, it’s my own legs!”

Emi suddenly exclaimed: “Nani?! Brother! This...how did this happen?!”

Nanako, who was stunned by the side, suddenly came back to her senses and rushed to her father.

In front of him, she asked excitedly:

“Old Man! Am I really not dreaming?! Your legs... your legs have really recovered?!”

He nodded: “This is real Nanako! Old man,’s legs are really back to normal!”

Nanako was instantly ecstatic, she turned around subconsciously,

Looked at Charlie not far behind, and choked:

“Mr. Wade...you healed Old Man’s leg, right?!”

Charlie smiled and nodded lightly.

Tears welled up in Nanako’s eyes instantly. At this moment,

She suddenly grabbed the hem of the kimono with both hands and ran towards Charlie.

When she was about to run to him, she opened her arms and threw herself into his arms.

At this time, Nanako had no words to express her gratitude to Charlie.

At this time, she just wanted to use all her strength to hug him tightly.

And Charlie felt Nanako’s soft and fragrant body, and could not help but feel pity in his heart.

As he told Ito Yuhiko before, saving him was all for Nanako,

To see her looking so happy and excited now.

As for Ito Takehiko himself, it is just a carrier used to make Nanako happy.

Nanako hugged him tightly, buried her face in his chest, and didn’t say a word.

Thousands of words were stuck in her throat at this time, and she was speechless.

She just wanted to hold him so tightly, a little longer, and then a little longer.

Nanako, who threw herself in Charlie's arms, seemed to be talking to herself,

And whispered softly in a mosquito-like voice: "Thank you, Charlie..."

Charlie heard her subtle voice, did not speak,

Just raised his head and patted her back a few times.

The two didn't say anything extra, it seemed that they had agreed, and everything was silent.

Xion saw all this in her eyes, and while envious in her heart,

She couldn't help but sigh: "Mr. Wade and Miss Nanako are really a match made in heaven."

"There are so many women around Mr. Wade who love him,"

"But none of them can be like Nanako,"

"She looks so good with Charlie everywhere, it's really enviable..."

Emi, who was distressed for her brother, couldn't help but hugged Takehiko Ito gently at this time,

Crying while choking: "Euni Sauce... Since your accident, I've been waiting for you to cheer me up every day,"

"And now I can finally get my wish, please don't fall into the decadent state you used to be in the future, please!"

Seeing the care and love of her, he said repeatedly:

"Emi, don't worry, I will never feel sorry for myself again,"

"Even when the sky falls from today! I will definitely cheer up!"

At this moment, the door of the other bathroom opened.

Koichi Tanaka, who was wearing the same tracksuit, came out tremblingly.

When he saw Ito Takehiko, he immediately burst into tears, with hoarseness,

And choked with excitement: "Master...you...you have recovered!"

Ito Takehiko looked at Tanaka who also stood up and walked out on his own.

Koichi, tears flowed out again unsatisfactorily.

He immediately stretched out his hand toward Tanaka Hiroichi,

And at the same time took his legs and walked towards him.

#### Chapter 4858

When Tanaka Hiroshi saw this, he was even more emotional with two hands spread and ran two steps to meet him.

The two clasped their hands together with excitement, and Ito Yuhiko was full of tears,

And said with great relief: "Tanaka, I can see this day today all because of your protection!"

"Now that you are back to normal, I am truly grateful. I have no regrets!"

Tanaka Koichi even sobbed and said,

"Master, seeing you stand up again is more important to me than anything else!"

Charlie saw that the master and servant sympathized with each other,

And he was moved at the same time, and could not help but be reminded:

"The two of you, the remodeling of the severed limbs is still a bit shocking to the outside world,"

"So after the two of you return to Japan, you must be careful not to expose the details of the remodeling of your legs in front of strangers."

"So as not to cause unnecessary attention."

Ito Yuhiko said without hesitation: "It must be sure!"

"Please rest assured Mr. Wade, I will never let any outsiders see my legs!"

Tanaka Koichi also expressed his position: "The same here! Don't worry, Mr. Wade!"

Charlie nodded, and said again: "If it is unavoidable to appear in the eyes of the outside world,"

"Remember to wear long pants and stockings as much as possible."

“If the outside world doubts, you will declare that you have chosen tailor-made products.”

“High-tech prosthetic limbs, and have undergone professional rehabilitation training.”

The two immediately agreed in unison.

Charlie looked at the time at this time, it was almost half an hour before the scheduled dinner time,

So he said to the two of them:

“You two have just recovered, and you must be eager to go out for a walk. Right?”

The two looked at each other and didn't dare to answer for a while.

In fact, the two of them even wanted to go out and run a half-marathon to express their excitement.

However, after all, Charlie just said, let them try not to expose,

They naturally dare not say what they think.

Charlie naturally knew what the two were afraid of expressing it, so he smiled and said,

“This is New York, not Tokyo, and it's getting late.”

“As long as you wear masks, I believe no one will recognize you.”

As he spoke, he pointed out the living room window and said,

“Opposite the hotel is the famous Central Park in New York.”

“The scenery here is beautiful and the environment is quiet.”

“It is very suitable for walking or jogging. In my opinion,”

“It is better to go for a walk before banquet time.”

Below the floor-to-ceiling windows, there are large green shades and lakes.

That's Manhattan's hundreds of hectares of Central Park.

When Ito Takehiko and Tanaka Hiroshi heard this,

They were naturally excited. Ito Takehiko agreed almost without hesitation,

And said excitedly, "Mr. Wade's proposal is really good!"

He suddenly remembered something and blurted out:

"Mr. Wade! The reason why you prepared sportswear for us is that you wanted us to go out for a walk, right?"

"Yes." Charlie smiled slightly, then looked at Nanako, and said apologetically,

"Nanako, I didn't think of you while preparing sports clothes,"

"I really didn't expect you to come here wearing a kimono."

Nanako pursed her lips and smiled: "Not only did I wear a kimono, but I also didn't bring any change of clothes..."

Xion, who had been silent for a while, spoke quickly: "Miss Ito, I have some disposable underwear."

"If you need it, I will give you a set first, but I really can't help you with sports clothes..."

Nanako smiled gratefully and said, "Thankyou, Miss Banks, underwear is enough."

After saying that, she looked up at Charlie and asked with a blushing face,

"Mr. Wade, if I wear this to go for a walk with you, will you despise me?"

Charlie was slightly startled, then said with a smile, "Of course not."

Nanako smiled shyly, revealing two small tiger teeth and two shallow dimples, and then said to him,

"If that's the case, then I will wear this outfit with you. Let's go to Central Park together!"

Chapter 4859

Ito Takehiko and Tanaka Koichi, are walking on the trails of the park wearing masks.

The two started at a normal speed of walking,

But before they took a few steps, they unconsciously walked faster and faster,

And in the end, it was like a race walk, leaving Charlie and Nanako behind.

Nanako, who was wearing a kimono, ignored the surprised eyes of passers-by,

Walked beside Charlie unhurriedly, looked at the backs of her father and Tanaka,

And said with a smile, “Mr. Wade, Old Man, and Tanaka-san seem to be competing.”

“Really?” Seeing the two of them walking further and further away, Charlie couldn’t help but laugh,

“Could it be that they walked faster than anyone else?”

“It should be.” Nanako pursed her lips and said,

“You Looking at Old Man, he can’t wait to jump one step at a time.”

After speaking, she tried a few steps on the spot, each time she took one leg first,

And then jumped up slightly after taking a step, so she had a cheerful rhythm step by step.

Charlie looked at her figure, and couldn’t help but tease:

“We call this kind of walking a squat.”

Nanako Ito turned around and asked Charlie curiously,

“Is it the one who’s not going to squat for long? Are you not jumping?”

Charlie sneered: “Yes, but what you said is a bit unlucky.”

Nanako stuck out her tongue, smiled brightly, and said,

“With Mr. Wade, every time I have good luck, It won’t be unlucky.”

After speaking, she asked him, “By the way, Mr. Wade,”

“Every time you see me, you have to help me or help my family solve problems, it must be annoying.

“...” Charlie smiled and said, “How could that be, why are you asking that?”

Nanako said seriously, “I just need your help every time,”

“And I feel very embarrassed for you helping me a lot. ...”

Charlie looked at her and said with a smile,

“Don’t be sorry, after all, I always found you for help.”

Nanako was stunned for a while, then smiled sweetly, tilted her head, and said,

“It seems to be the case.. ... The first time you rescued me was at home in Kyoto, and it snowed heavily that day.”

Saying that she stopped, looked up at the leaves blown by the breeze,

Turned back to Charlie, and asked him “Mr. Wade, do I look good?”

Charlie replied without hesitation, “Of course, you look good.”

Nanako asked again, “If I wear this outfit, will it look a little inconsistent in this kind of place?”

Charlie thought about it. After thinking about it, he smiled:

“I don’t think there is a conflict, but it’s a bit of a mix and match.”

Nanako nodded and said with a smile: “Actually, I have rarely worn a kimono to go out,”

“and there is only one situation, I will come out wearing a kimono...”

Charlie asked her curiously, “What is the specific situation?”

Nanako smiled mysteriously, then she changed the subject and said with a longing look:

“Mr. Wade, I have imagined four kinds of pictures of meeting you.”

“Among them, what I am looking forward to most is to be able to walk with you in the snow on a snowy night in Kyoto.”

“Fortunately, this wish was fulfilled last year.”

Charlie asked again: “What about the other three?”

“The other three...” Nanako admired the trees in New York at night and sighed:

“The second is when the cherry blossoms in Hirosaki Park are in full bloom,”

“Wearing the kimono walk under the cherry tree together with you,”

“But it’s a pity that the cherry blossoms blooms in March, April at the latest, and now it has passed...”

Charlie didn’t know what happened to him, and then he blurted out:

“It doesn’t matter, you missed this year there is next year.”

After speaking, he realized that he had said the wrong thing.

Chapter 4860

However, it was too late to realize the mistake at this time.

When Nanako heard his words, she turned back to look at him excitedly, and asked with wide eyes,

“Mr. Wade! Are you really willing to accompany me to enjoy the cherry blossoms next year?”

Charlie nodded subconsciously when he saw her expression of anticipation: “Yes.”

Nanako was so excited that she couldn’t add any more, and said with anticipation:

“That’s great! I will definitely show you the best cherry blossoms in Japan!”

Charlie saw that his words had already been released, he simply no longer hesitated,

And said directly and straightforwardly:

“What are the other two, I will try to help you achieve it next year.”

“Really?!” she hugged Charlie’s arm, softly said: “I want to walk with Mr. Wade on the coast of southern Hunan in midsummer,”

“And then enjoy the autumn leaves of Hokkaido with Mr. Wade...”

Charlie couldn’t help but ask her with a smile:

“Winter snow Night, cherry blossoms in spring, seaside in summer, and red leaves in autumn, right?”

“Yes!” Nanako nodded heavily, stared at him with big eyes,

And asked in anticipation, “Mr. Wade, is it alright?”

Charlie asked her, “Why is it all in Japan? Cherry blossoms, sea, and red leaves are also available in China too,”

“And as long as you choose the right time and place, the scenery may not be worse than Japan.”

I know...” Nanako said seriously: “The reason why I think of these places is not because,”

“I think arrogantly that cherry blossoms, seaside, and red leaves are only the best in Japan...”

“It is just the heavy snow in Kyoto, the cherry blossoms in Hirosaki, the seaside in Shonan and the red leaves in Hokkaido have all left a deep impression on me.”

“When I go to these places and enjoy these sceneries in the corresponding seasons,”

“I made a wish in my heart and I hope to relive these sceneries with my loved ones in the future...”

“This is like a small wish and obsession in my heart...”

Said, Nanako hurriedly said: “But if Mr. Wade wants to take me to appreciate these beautiful sceneries in China, I have no opinion! “

There are many women who have confessed to Charlie,

But Nanako Ito’s confession always gives him a different feeling.

Other people’s confessions made him subconsciously want to decline,

Or to divert the topic, but Nanako’s confessions always made him want to respond in the depths of his heart.

Therefore, when she mentioned that she had made a wish to relive these sceneries with her beloved,

Charlie could not find any reason to refuse.

So, he said very confidently:

“It doesn’t matter, since it’s what you think, just follow what you want.”

When Nanako heard the answer, she was happy, and her eyes were a little wet.

She grabbed Charlie's arm and said again:

"By the way, Mr. Wade, I said just now that there is only one situation for me to wear a kimono to go out,"

"That is when the cherry blossoms are blooming,"

"I wear a kimono to go out to enjoy the cherry blossoms."

"If you come next spring to Japan, I will still wear this outfit to accompany you to enjoy the blossoms!"

Charlie nodded and said with a smile,

"I have to state in advance that I won't be wearing any traditional costumes."

Nanako smiled and said, "I understand. , if I want to marry a Chinese person in the future,"

"I won't let my husband wear our traditional costumes,"

"Traditions are just about yourself, it is not about forcing others."

She said, something suddenly occurred to her, and she continued.

She smiled and said, "Actually, if I marry a Chinese in the future,"

"Then I would prefer to marry in traditional Chinese clothing!"

"Do you think I will look good in those dragon and phoenix gowns or Xiuhe?"

Charlie nodded: "It will definitely look good."

Nanako blurted out excitedly after thinking of something,

"Then that's it, Mr. Wade, you come to Japan next spring," "And I will accompany you to enjoy the cherry blossoms in Xiuhe!"

Chapter 4861

"Wear a Phoenix dress to accompany me to enjoy the cherry blossoms?"

Charlie heard Nanako's words, and couldn't help but feel a longing in his heart.

Nanako dressed in red Phoenix, and matched with pink and white cherry blossoms in the sky,

Although he hasn't seen the picture, it will definitely be beautiful if he thinks about it.

So, he said to her: "If that's the case, then next spring, I must come to Japan."

Nanako said happily: "Really? Then we can make a deal!"

"Next spring, I will be in Japan. Waiting for you!"

The two reached an agreement, Nanako was in such a good mood that she couldn't describe it in words,

She couldn't help holding Charlie's arm, and took the initiative to clasp his fingers tightly,

And said softly beside him, "Mr. Wade, I really am so happy today."

Today was Old man's birthday. I didn't expect that I would be able to come to New York to meet you."

"More importantly, old man has returned to normal. This means a lot to him... .."

Saying that she complained: "You don't know what this stubborn old man looks like at home,"

"He pulls a face every day, I never see him smiling, and often sighs, I know him too well."

"He was strong all his life, and suddenly he has fallen to the point where he needs to be taken care of even in his daily life."

"The gap in his heart will be very large, so big that it is unimaginable for ordinary people,"

"And it is very likely that he will not be able to get out of this life."

"It is you who gave him a new life. If it weren't for you, he might have been depressed until the moment of his death..."

Having said that, she looked at him, while clenching her hand tightly,

And said very seriously, "Mr. Wade, thank you! Thank you for giving such precious medicine to the Old man."

"In the past, a single Rejuvenation Pill could be auctioned for hundreds of billions of dollars."

“This time, if the medicine you gave to old man is auctioned,”

“I am afraid the price would not be higher than that of the Rejuvenation Pill. But not low, right?”

Charlie smiled and said, “If the medicinal pills are put in an auction,”

“They will naturally fetch a very high price,”

“But I will most likely not hold medicinal pill auctions in the future.”

Nanako was curious. She asked, “Why? Wasn’t the last auction very successful?”

Charlie sighed: “The world in my eyes now and the world in my eyes at the auction have changed a lot.”

After speaking, he continued: “During the auction, I felt that in this world.”

“The competitors are nothing more than three top families, including my grandfather’s family.”

“However, I realized some time ago that in this world, there are actually some competitions that I don’t know,”

“Or even know nothing about. Some of them Opponents,”

“The strength of these competitors may be much stronger than those of the top families.”

Then, he briefly told her what happened to his grandparents some time ago.

After Nanako heard this, she was speechless in shock.

She couldn’t help but sigh: “Mr. Wade, it is not unusual to have a family of hundreds of years.”

“Although there have been various turmoils all over the world in the past few hundred years,”

“Japan has a geographical advantage, so there is basically no domestic situation.”

“So in Japan, almost every ninja family has a history of hundreds of years, and many old names have a long history...”

“But to be honest, I have never heard of a family or organization,”

“That can continue to grow and develop in this almost top-secret way for hundreds of years...”

After speaking, Nanako said again:

“Mr. Wade, those dead men you just mentioned must have been firmly controlled by this organization for hundreds of years,”

“And for hundreds of years, these dead men have not figured out the specific situation of the organization,”

“And do not even know where they live on weekdays.”

“This is extremely strong control, in order to achieve this control,”

“The gap between the levels must be large enough to be possible...”

Chapter 4862

Speaking of which, Nanako said with a solemn expression:

“These dead men give me the feeling, just like monkeys kept in zoos by people.”

“Apart from surviving according to the requirements of the people in captivity,”

“They have no ability to resist their own destiny, but the problem is that these dead people are not monkeys,”

“But living creatures. This also means that the organization behind it is much higher than normal people,”

“And it may not be in the same realm as us.”

Charlie nodded and said with emotion: “I also felt like a frog in the bottom of the well because of this incident,”

“So now I look back at the Rejuvenation Pill auction, which is somewhat hasty,”

“I should have kept this Rejuvenation Pill highly confidential, so it shouldn’t be put up for auction.”

Nanako pondered for a moment, then said seriously:

“Mr. Wade, in my consistent understanding, strength and fame are almost complementary to each other.”

“It’s like putting a cast iron teapot on a charcoal fire.”

“The hotter the fire, the higher the temperature of the water.”

Under this basic logic, as long as the fire is hot enough,”

“The water in the teapot can be dried and even melted.”

“When we see the teapot being melted by the fire,”

“We will not feel that this matter is beyond our understanding.”

Speaking of which, she changed the subject and said:

“However, this mysterious organization has now subverted this basic logic,”

“According to what you said, their strength should be very strong, but their popularity is almost zero.”

“It’s like the fire in the stove has been burning red,”

“But the water in the teapot is still cold and biting.”

“It seems a bit bizarre, but it is also bizarre that proves,”

“That the strength of this organization is beyond my normal cognition.”

Charlie nodded and sighed: “I have the same idea as you, so in my subconscious mind,”

“The strength of this organization should be much stronger than the three major families I know,”

“But how much stronger is still a mystery.”

Nanako suddenly looked up at him and said subconsciously,

“Mr. Wade... Actually, ...Actually, in my eyes, you used to be like this...”

“When I didn’t know you, your strength was so powerful that it was completely beyond my cognition,”

“But had never heard of you. I asked people to investigate your background,”

“And I found out that you are just the son-in-law of a small family in Aurous Hill,”

“Which makes you even more incredible for me.”

“If you hadn’t taken the initiative to show your strength in front of me,”

“I might have never guessed in my life that such a powerful live-in son-in-law,”

“Was hidden in a small local family in Aurous Hill.”

Speaking of which, she asked him, “Mr. Wade, would you be the one in my eyes at that time?”

“Like the mysterious organization in your eyes now?”

“It may be hidden in a corner that you didn’t pay attention to before,”

“And no one knows how powerful they are until they show their strength.”

Charlie suddenly raised his eyebrows.

He felt that what Nanako said was very reasonable, and even gave him a new idea.

He has always wanted to know the origin of that mysterious organization,

But as Nanako said, there must be many people who want to find out what he is like,

Just as they want to understand that mysterious organization.

In other words, this mysterious organization is likely to hide in an inconspicuous corner with an inconspicuous identity,

Just like he lives with the Willson family...

Chapter 4863

Ito Yuhiko and Tanaka Koichi jogged in Central Park for nearly half an hour,

And they still haven’t had enough running.

If it wasn’t for the time to start the birthday party,

The two would probably be able to run to the second half of the night in one breath.

On the way back, Ito Yuhiko was very happy, wiping the sweat with his hands,

And said to Tanaka Koichi: “Tanaka, I didn’t enjoy running just now.”

“I will come out for a morning run at six o’clock tomorrow morning,”

“And will run three laps around the Park!”

Tanaka Koichi immediately said respectfully, “Same as your lord.”

Nanako couldn't help but remind:

“Old man, just recovered, so don't exercise too vigorously.”

Ito Takehiko waved his hand and said seriously, “Follow Mr. Wade's instructions.”

“After returning to Japan, I can't go out for a run so casually,”

“And while no one in the United States knows me, I try to walk and run as much as possible,”

“And when I go back, I still have to pretend to be a disabled person for everyone to see.”

When Nanako heard this, she nodded lightly in understanding but did not insist any longer.

However, she suddenly remembered something, and said expectantly,

“Old man, since you like the feeling that no one knows you, let's stay in New York for a while.”

“Okay!” Ito Takehiko agreed almost without hesitation, and said with a smile,

“Once I go back to Japan, I could only live a secluded life.”

“Thinking about it, I was really unwilling.”

“It would be nice if I could spend a few more days in the United States at ease!”

Nanako thought. She was also very happy. She actually wanted to spend more time in New York.

After all, Charlie is here, so she could spend more time with him if she stays.

So, she couldn't help but ask Charlie:

“Mr. Wade, how long are you going to stay in New York?”

Nanako's question made Charlie not know how to respond for a while.

In fact, what he wants to do has basically been done.

He has dealt with Georgina and most of her accomplices,

As well as the entire criminal group behind her.

Moreover, the escaped Phaedra has been closely monitored by the people of the Dragon Hall.

As long as she is brought back, his mother-in-law will be able to clear her name and restore her freedom.

The reason why the people in Dragon Hall did not immediately capture Phaedra,

Was because Charlie wanted to rescue Jack first,

And then cure Ito Yuhiko, Tanaka Koichi, and Kairi.

Now, Jack has been reunited with his family, and the two masters and servants,

Ito Yuhiko and Tanaka Koichi, are also alive and kicking, and now Kairi is the only one missing.

And more than an hour later, she will also land in New York,

So it stands to reason that in the morning tomorrow,

He can ask the people from the Dragon Hall to bring Phaedra to New York.

As long as this woman is brought to justice, his mother-in-law would be released from prison.

However, seeing Nanako intending to stay in New York for a few days,

He felt a little reluctant in his heart, and said, "I should stay in New York for two or three days,"

"And when I get mother-in-law's affairs done, I will be back to Providence."

Nanako nodded and said without hesitation, "Then we will stay in New York for a few more days,"

"And we will return when Mr. Wade leaves New York."

"Okay." Charlie readily agreed.

When the four returned to the hotel, a sumptuous banquet had been prepared in Charlie's presidential suite.

Since it was Takehiko Ito's birthday and Charlie made the arrangements,

So he prepared the banquet. Thus Issac, Don Albert, and Xion were not arranged to attend the banquet.

Moreover, Xion's mother Kairi was about to land in New York in less than an hour.

At this time, her mind was already on her mother.

At the dinner table, Ito Takehiko sat on Charlie's right hand,

Nanako sat on Charlie's left, and Emi Ito and Tanaka Hiroichi sat opposite each other.

There were only five people in total, so they seemed relatively relaxed.

Ito Yuhiko filled the wine glasses for Charlie and himself,

And then brought Tanaka Hiroshi with him, and said to Charlie respectfully,

"Mr. Wade, please give Tanaka and me a chance, and let us both toast to you!"

Charlie nodded slightly, picked up the glass, and said:

"Mr. Ito, with this glass of wine, I wish you a happy 50th birthday."

Chapter 4864

Ito Yuhiko said flattered: "Mr. Wade, you are so polite!"

"With birthday is really I have had the most unforgettable birthday in the past so many years,"

"And everything is thanks to your generosity!"

After speaking, he said a little ashamedly:

"Mr. Wade, you have always asked me to make a wish before,"

"And I am still a little reluctant. Now It seems that it is really a frog at the bottom of the well,"

"Please forgive me about that!"

Charlie politely said: "Mr. Ito is serious, most people will not believe in the regeneration of severed limbs,"

"You are not involved in this matter. Hope is also a normal reaction,"

“I can understand it, so you don’t have to mind.”

With that, Charlie pointed at the wine glass and smiled:

“I have already said a lot of polite words, from now on,”

“Let this banquet return to its original state.”

“So Happy Birthday, Mr. Ito, I will say it first as a respect.”

Ito Yuhiko saw that Charlie wanted to turn the story of reshaping pill,

So he said very interestingly: “Thank you, Mr. Wade!”

At the same time.

A Gulfstream business jet belonging to the Bank family was flying at high speed over the United States.

The plane was only an hour away from New York at this time.

The eldest son of the Bank family, Zayne, slept all the way in the bedroom inside the plane.

Approaching the destination, he finally woke up and walked out of the bedroom.

At this time, Kairi was sitting by the window, staring out the window in a daze.

Zayne looked at her profile, and couldn’t help feeling a little throbbing in his heart.

In fact, Kairi is very beautiful.

Years of practicing martial arts make her look younger than other women of the same age,

And it also keeps her figure very slim, so she looks like she is in her early thirties.

However, her only regret is her empty right sleeve.

Recently, Zayne, who divorced his original wife, has been under house arrest at Charlie’s orders.

However, despite being under house arrest, Kairi still took great care of him.

He has no restrictions on all other freedoms except that he could not go out,

And Kairi also took care of him in every possible way, which made his life a lot more comfortable.

For a long time before this, Zayne's life was a bit chaotic.

He was like the urinal of the old man. He was kicked and thrown by the old man.

Fortunately, Kairi gave him a safe, secure, and warm place to stay, which made him feel a lot more secure recently.

Although the present Zayne has long lost the prestige and power of Bank's elder son,

This bland and stable life still gives him a lot of comfort.

However, his relationship with Kairi did not get any closer because of this "house arrest".

During this period of time, Zayne was very moved by Kairi's care,

And his heart unavoidably rekindled some feelings for her,

And he had also found several opportunities to express his feelings to her in private.

But what made him helpless was that she didn't give him a positive response every time.

He thought it was her who was disappointed with him,

And since the two of them had been on the spur of the moment for many years,

It was very likely that she had no feelings for him.

But what he didn't know was that in fact, she had only loved him all her life, and she still does.

After all, when she was still ignorant, she began to follow Zayne to protect him day and night,

And her feelings for him have long been ingrained.

Later, she raised her daughter alone, and her feelings for him have not diminished in all these years.

However, Kairi has always been very inferior in front of Zayne.

Back then, she was inferior because of the distinction between superiors and inferiors;

but now she is inferior because of her physical disability.

She felt that although Zayne was no longer as high and high-spirited as he was back then,

He was still the eldest son of the Bank family. How could such a man come together with a woman with a broken arm?

Therefore, even though Zayne expressed his emotional position during this period,

Kairi never dared to give him any positive response.

She felt that she was not worthy of him at all.

When Charlie takes back his house arrest in the future,

He will definitely be able to find a woman who is better than her and more suitable for him than herself.

She was pregnant with his child back then, but when this incident happened,

She had already delayed him once, and now how can she delay him a second time.

However, how could she have imagined that Charlie had already set a hidden task for Zayne that no one knew about?

The key to whether Zayne can get out of the 'house arrest' is whether she and Zayne can come together.

Chapter 4865

Zayne, who was in a complicated mood, hesitated and sat opposite Kairi.

Seeing him coming, she smiled slightly, and asked him, "How did you sleep?"

"It's good," Zayne responded, looked out the window, then looked at her, and asked, "Why didn't you come in and have a rest?" Kairi was slightly stunned.

The Gulfstream plane only had one bedroom remodeled.

Although Zayne had said at the beginning that the two could rest in the bedroom together, She still felt a little inappropriate.

Zayne was afraid of her misunderstanding. At that time, He especially emphasized that he had no other intentions, But the journey was long, and the two could share the big bed in the bedroom equally, So that both of them could rest while traveling.

Kairi didn't make a decision, just let Zayne rest first, but she herself sat outside for more than ten hours.

Hearing Zayne's question, Kairi said somewhat unnaturally: "I'm a martial artist, I'm not tired at all, "And I don't want to disturb your rest, so I'll just look at the scenery outside."

Zayne muttered and said: "Flying all the way from night to night, there is no scenery to see."

Kairi smiled unnaturally, and then deliberately changed the subject and muttered: "I don't know why Mr. Wade suddenly asked us to come to the United States. I asked Xion, but she didn't tell me clearly, She only said that there may be a great good thing, and asked me to move with you as soon as possible."

Zayne muttered with some resentment: "What can be good about Charlie? Since the day I knew him, I haven't encountered anything good..."

Kairi looked at him and said seriously: "Eldest young master, you still need to adjust your attitude toward Mr. Wade, With the Bank family and Bruce Wade back then, The grievances from before and what Bank family did at Wade mountain in collusion with the Dragon Hall, he has shown too much restraint already."

Kairi has always maintained a secret from Zayne.

The original title, even if the He family is no longer attached to the Bank family,

And even if Zayne becomes the object of her house arrest, she still calls him the eldest young master.

In her view, this title is respect for him, but in Zayne's view, this title is somewhat distant.

However, he also knew that what she said was the truth.

In the disputes between the rich and powerful families, once one party had the intention to kill, It would definitely be a life-and-death situation.

But Charlie can still give the old and young of the Bank family a way to survive, And it is true that he has done his best.

At this time, Kairi added: "Eldest young master, don't forget, Mr. Wade not only spared the Bank family, but he also saved the lives of the eldest young master,"

“The eldest young lady, and Xion in Japan. If it weren't for him, it might have been over.”

Zayne's expression froze, then he sighed, and said sincerely: “You're right, I'm actually very grateful to Charlie,”

“But I'm just a little stubborn in front of you, after all, you're not an outsider, If I really want to meet him, I will definitely be polite.”

Kairi couldn't help feeling a little touched when she heard that she was not an outsider.

During this time, she could also see the gradual changes in Zayne's attitude toward her,

And sometimes she could even feel some kind of tenderness.

But she never dared to give any response. In addition to her inferiority complex, She also felt that Zayne's current situation was at a low point in his life.

Under such circumstances, it was easy for a man to lower his anger and despise,

He originally has feelings for people and things and has a good impression.

However, once this kind of man's life begins to bottom out, His anger will continue to rise as the situation rises.

## Chapter 4866

At that time, those people and things that originally attracted him,

At the trough period will definitely make him repulse, even disgusted.

Kairi has loved Zayne for many years and raised Xion by herself.

She has long been accustomed to being alone at the emotional level,

So she does not want to have an emotional entanglement with Zayne in the trough of his life.

Maybe one day Charlie is in a good mood, or if Zara and Xion can say a few more good words for Zayne in front of Charlie, Then Charlie may forgive his punishment and at that time, He will definitely be impatient to leave Aurous Hill and regain his own life.

After all, the Bank family is now in the hands of Zara alone, and when Zayne is free.

Zara will definitely ensure that her biological father is safe, And she may even hand over some of the business of the Bank family to Zayne again.

At that time, he will usher in rebirth, and he will surely find another half who truly meets his requirements.

So, she adjusted her mentality and said to him very seriously: "Eldest young master, the opportunity to meet Mr. Wade is a rare opportunity, You must try your best to make a good impression on him by saying good things, maybe he will open up to you."

Zayne saw that her expression and tone were a little distant, And couldn't help saying: "Kairi, it's just the two of us here, You don't need to take one bite of this and one bite of another, And you don't need to call me this eldest young master..."

Kairi said, "But I have always called you that way for so many years."

Zayne nodded and laughed at himself: "That's all in the past,"

"The old man was in charge of Bank When I was the master of the Bank family, I was naturally the eldest young master of the Bank family, But now the old man feeds giraffes in Madagascar, And I am under house arrest in Aurous Hill, what kind of eldest master..."

Kairi smiled slightly, with a bit of respect, and said: "The He family has been working for the Bank family since my father's generation, And I have worked by your side for many years, eldest young master, These titles I have long been accustomed to, and they can be changed if they are said to be changed, But if I don't respect your title enough, you will definitely blame me."

Zayne knew very well that when Kairi said these things, She didn't really have such concerns, she just didn't want to accept his gestures.

He had not experienced a wall like this once or twice in this period of time.

At this time, seeing Kairi defending herself without a retraction, He felt a little resentful, but he did not give up.

During this period of time, he also thought about it.

After so many years of guarding his wife, the woman he once loved deeply,

In the end, there was still nothing to draw water from the bamboo basket.

For things like feelings, if it wasn't for love and wishes,

Both of them would be in his heart.

With having each other like there is no matter how good they are mutually, there is no real meaning.

And when he thinks of Kairi's dedication for him over the years, Zayne firmly believes in this woman's feelings for him,

And on the other hand, looking back on the past so many years,

He gradually feels that Kairi is actually the most suitable woman for him.

Although she is a disabled person, Zayne knows in his heart that Kairi's disability came from saving his life,

So in his eyes, there is no resistance to Kairi's disability.

The current Zayne, after going through so much pain and struggle,

Has lost the ambition and desire for wealth and status.

He just wants to be able to live a peaceful and good life, and finally, he is a real prodigal son.

Therefore, even though he has been euphemistically rejected many times, he is still not discouraged.

He felt that, anyway, Charlie arranged for himself and Kairi this one-on-one house arrest situation, so that he would have more time in the future, so he could fight for it slowly and with patience.

In his opinion, Kairi has waited for him for so many years, so what if he waited for her for a few years?

Chapter 4867

The plane slid across the night sky of New York and landed steadily at JFK Airport in a whistling.

Xion has been waiting here anxiously for a long time.

Since seeing Yuhiko Ito and Hiroshi Tanaka regenerating their severed limbs with her own eyes,

She can't wait for her mother's plane to land one minute earlier.

After Kairi and Zayne passed through the customs together,

Xion saw the two walking out of the passage, so she hurriedly greeted them and shouted excitedly,

“Mom!”

Kairi hugged Xion and asked with a smile, “How long have you been waiting here?”

Xion hurriedly said, “I just came here.”

Kairi nodded and whispered, “Go and say hello to your father.”

Xion glanced at Zayne, who was not far away.

Although she was a little embarrassed, she said respectfully, “Hello, Mr.Bank!”

“Don’t call me Mr.Bank in the future.”

After speaking, Zayne also said a little embarrassedly:

“You... if you don’t dislike it... you can call me dad... ..”

After speaking, he also felt that he was quite shameless, and quickly added:

“You are just like Zara. You don’t need to call me Mr. Bank again. .”

Xion looked at her mother subconsciously, and when she saw that she smiled at her.

She gathered up her courage and said softly, “Dad...”

“Okay...Okay... Zayne was immediately overjoyed, and quickly said:

“Xion, you don’t know, your mother has been talking to me about you these days,”

“Saying that you were afraid that you got into trouble in the United States before,”

“And you would get into trouble again when you are here this time.”

Listening to Zayne, Xion comforted: “Mom, with Mr. Wade here, you don’t have to worry.”

Kairi smiled slightly and said, “I’m not really worried, it’s your father who is worried in his heart,”

“And I told him that with Mr. Wade is here and he will definitely ensure your safety,”

“But he may have some personal feelings towards Mr. Wade,”

“So he has never been so comfortable. I’m so relieved.”

Seeing Kairi revealing his shortcomings, Zayne could only sneer and say to Xion,

“Dad is not suspicious of Mr. Wade, Dad is mainly worried about your safety.”

Xion naturally understands Zayne’s mentality, she can understand more or less, so he said:

“Dad, Mr. Wade has great powers. As long as I am by his side,”

“I will be the safest. You and Mom can rest assured in the future.”

Zayne saw Xion ’s expression of admiration when she mentioned Charlie,

He couldn’t help sighing in his heart: “What exactly do I, owe Bruce...”

“My wife liked him for so many years and I can’t bear it,”

“But my two daughters are in love with his son, what the fcuk? What’s wrong here?!”

Xion saw that her father was a little absent-minded and had a complicated expression,

So she couldn’t help asking him, “Dad, what’s wrong with you?”

Zayne came back to his senses, waved his hand, and said,

“It’s okay, I have a day traveling. I didn’t go out, and I didn’t quite get used to it.”

Xion knew that Charlie had made an order to her mother and grandfather,

And without his permission, Zayne should not be allowed to leave the villa for half a step.

According to Charlie’s arrangement, it is estimated that Dad was really bored for too long during this time.

Kairi looked at Xion in surprise at this time, and blurted out,

“Xion ... Has your cultivation level improved again? Why can’t Mom see your realm?”

Because Charlie gave the He family pills,

So Kairi’s cultivation base had been upgraded to a three-star warrior some time ago.

Xion 's cultivation base was also three-star before she came,

So Kairi could see what Xion's cultivation base was originally.

However, seeing her this time, she found that she could not see through Xion 's cultivation,So she guessed that she had improved.

Xion nodded earnestly and said, "Thanks to Mr. Wade, my cultivation has made some progress."

Kairi immediately said excitedly: "That's great! In addition to your grandfather,"

"We have another four-star warrior in the He family!"

"It's really gratifying! If your grandfather finds out, he will be very happy!"

Xion pursed her lips and said seriously:

"Mom, I'm already a five-star warrior now..."

"Five-star?!" Kairi was stunned and asked subconsciously:

"Xion , it has not been long since Mom separated from you,"

"How could you be promoted two levels in a row,"

"And become a five-star warrior?! This...is this too fast?!"

Xion said sternly: "Mr. Wade intended to promote,"

"That's why he helped me break through to the realm of a five-star warrior."

"My God..." Kairi couldn't help but exclaim:

"You know Mr. Wade, this is really your good fortune! I can't even dream of it."

"The He family can even produce a five-star warrior..."

"I am afraid that if the ancestors of the He family were alive,"

"They did not dare to expect the He family to reach such a high level!"

Xion couldn't help but sigh: "Yeah. ...My biggest wish in the past was,"

“To have the opportunity to break through to a three-star warrior in this life, but I didn’t expect it to be five-star now...”

Chapter 4868

Zayne on the side couldn’t help feeling for his daughter.

He was relieved, and then he couldn’t help but ask her:

“By the way, Xion , your mother told me, you said that Charlie let us come to New York, it is a good thing, right?”

“Yes!” Xion couldn’t hold back and said excitedly:

“The good thing I said was about my mother,”

“And it is definitely a good thing I didn’t even dare to think about!”

After speaking, she suddenly became anxious and quickly said:

“Dad, Mom, let’s go quickly, Mr. Wade is waiting for you at the hotel!”

Zayne hurriedly asked: “Xion , what is the good thing, tell us first!”

Xion said without hesitation: “This matter is completely beyond the imagination of normal people.”

“Even if I say it now, you won’t believe it, so hurry up and let’s see Mr. Wade first!”

Although Zayne and Kairi were a little puzzled, seeing that Xion was unwilling to reveal it,

They stopped asking more and followed her to the Hotel.

At this time, Charlie had just had a drink with Ito Yuhiko and Tanaka Hiroshi,

And after the two were dizzy, they arranged to rest first.

Nanako originally thought about drinking tea and chatting with Charlie on the terrace of the presidential suite facing Central Park,

But after learning that Xion ’s parents were arriving soon,

She dismissed the idea directly. She went back to the room that Charlie had arranged for her early.

Soon, Issac came to report to Charlie: "Master, Miss Xion is back,"

"Ms. Elms and Zayne from the Bank family are also here. I asked Don Albert to take them to the prepared suite."

Charlie nodded and said, "Okay, I'll go right now."

After that, Charlie walked quickly to the luxury suite prepared in advance.

Xion , Kairi, and Zayne had also arrived at the room at this time.

Seeing Charlie coming in, Kairi quickly said respectfully, "Mr. Wade!"

Charlie smiled and nodded at her, and said,

"Ms. Elms, calling you from a long way in such a hurry I did not delay your other arrangements, right?"

"Kairi waved her hands hastily and said, "How could it be, Mr. Wade, the He family will always follow your orders,"

"No matter what time or place, as long as you give your order,"

"The He family will come over as soon as possible!"

Charlie nodded lightly.

At this time, Zayne on the side said somewhat submissively: "Hello Mr. Wade!"

Charlie looked at him and asked him with a smile, "How has Mr. Bank been doing recently?"

"It's all good!" Zayne said without hesitation, "Thank you, Mr. Wade, for raising your hand,"

"So that I can have the opportunity to live a peaceful and stable life like I am now."

Charlie smiled and asked again: "Is there any dissatisfaction? Feel free to say anything."

Zayne shook his head like a rattle, and said repeatedly, "No, no! Absolutely not!"

Charlie nodded slightly, and asked him again, "By the way,"

“Do you have any contact with Elder Mr. Bank?”

“He is in Madagascar now. How’s it going for him?”

Zayne laughed with some schadenfreude, and replied, “From what the old man says in Madagascar...”

“The whole thing is pretty good... It is said that a large piece of land was acquired.”

“They have raised a lot of wild animals unique to Africa,”

“And he also said that he plans to build a horse farm for a few days and raise some horses to play with.”

Charlie smiled: “That’s good, if you have the opportunity to help me bring it to him.”

Zayne laughed twice, thinking to himself: “The old man complains about that shitty place he is living in every day,”

“And I don’t know how many times he has scolded you.”

However, he said respectfully: “Sure, definitely!”

Charlie turned to look at Kairi, and said seriously,

“Ms. Elms, I’m asking you to come here this time, mainly because there is a new medicine, and I want you to try it for me.”

Kairi heard this, and combined with her daughter, she said earlier that there was a big good thing,

And she thought that Charlie was going to give her medicine pills to improve her cultivation,

So she hurriedly said: “Thank you so much, Mr. Wade, I don’t know how to thank you!”

Charlie smiled and said, “Ms. Elms doesn’t have to be so polite, it doesn’t matter.”

Kairi glanced at her empty right sleeve, and said seriously,

“Mr. Wade, you don’t need to waste the medicinal pills on me.”

“In this case, even if the cultivation level is improved, compared with the warriors of the same rank,”

“The combat power is a lot worse. The lack of an arm not only loses a quarter of the combat power,”

“But more importantly, the physical coordination will always be improved.”

“But in an uncoordinated state, in actual combat, it is difficult to exert enough attack power.”

“If you use that elixir on me, it will be a waste...”

Xion on the side said quickly: “Mom, the medicine that Mr. Wade is asking you to try,”

“It is specifically designed to solve your situation! Don’t refuse, just agree!”

Kairi didn’t know what Xion’s words meant, and thought to herself:

“The lack of the right arm is a shortcoming that I can’t make up for at all.”

“What solution can Mr. Wade have to solve my situation? Maybe let my right arm grow back?”

Xion saw her mother’s doubts, she wanted to tell the truth,

But she was afraid that after her mother found out, her emotions would fluctuate greatly due to doubts,

Excitement or tension, so she said: “Mom, don’t hesitate, just agree to it!”

Kairi said embarrassedly: “It’s not that Mom doesn’t want to obey,”

“It’s just that Mom doesn’t want Mr. Wade to waste medicinal pills...”

Charlie smiled at this time He said, “Ms. Elms, believe me,”

“This medicinal pill will not be wasted unless it is not used on you.”

Then, he took out a pill, handed it to Xion’s hand, and said,

“Ms. Xion, take Ms. Elms to the bathroom, and after she has soaked in the mud, give her the pill.”

Xion took the pill, and was so excited that tears burst into her eyes,

She said gratefully: “Thank you, Mr. Wade!”

After saying that, she looked at Kairi and said with a bit of excitement,

“Mom! Come and try the medicine with me!”

Chapter 4869

Just when Xion couldn't wait to arrange for her mother to go to the bathroom,

And prepare her to take the reshaping pill, Zayne in the living room of the suite looked at Charlie and asked tentatively,

“Mr. Wade, can I ask you something?”

Charlie said indifferently: “Mr. Banks, just say it, don't be so polite.”

Zayne didn't know what to do, and said with a smirk:

“I want to request something, can you give me a day of freedom tomorrow, even for half a day?”

Zayne knew very well that although he also followed Kairi to New York,

But he was essentially under house arrest by Charlie.

Charlie listened to his request and asked him curiously:

“What does Mr. Banks want to do with one day's free time?”

“You can talk about it first. If it is reasonable, this matter is not negotiable.”

Zayne looked a little embarrassed all of a sudden, he hesitated for a moment,

Then gathered up his courage and said, “I want to buy a gift for Xion's mother.”

“If conditions permit, I will invite her out for dinner.”

Charlie heard this and immediately got interested, he looked at Zayne and asked straight to the point:

“I take the liberty to ask, do you plan to go further with Ms. Elms?”

Zayne quickly explained with a flustered expression:

“Mr. Wade, don't get me wrong. I don't have any unreasonable thoughts,”

“And I definitely don't want to use this method to influence your punishment on me.”

“I make this request based on my personal feelings.”

Speaking of this, he couldn't help but sigh. Sighing with emotion he said:

“Mr. Wade, in fact, during this period of time in Aurous Hill,”

“I have seriously reflected on myself, I have really failed in my life,”

“I have chosen for myself an opponent that I will never be able to defeat,”

“And I have chosen for myself a woman I can never influence,”

“I thought I had stood at the top of many families in the country,”

“But I didn't expect that my three children were repeatedly in crisis...”

At this moment, he looked in the direction of the bathroom with shame and murmured:

“Also, I let a woman who loves me silently sacrifice for me for so many years,”

“And every time I think of it, I feel ashamed... ..”

When Charlie heard this, he nodded slightly, and his attitude toward Zayne could not help but change.

In Charlie's eyes, there are two kinds of enemies,

One is the one who must die because of the heinous crime,

And the other is the one who can be rescued before it is necessary for him to die.

If the Banks family was really the mastermind behind the death of their parents back then,

Charlie would definitely let all the Banks family involved be buried with his parents.

Fortunately, the Banks family did not actually participate, so there is still a chance for rescue.

So, he pretended to sigh: “Ms. Elms has indeed paid a lot for you, not only she,”

“But even Xion has paid a lot for you and the Banks family, and she has been betrayed by the Banks family many times.”

Zayne said ashamedly: "You're right... The previous Banks family members were too indifferent, including me..."

After speaking, he couldn't help but said sincerely:

"So I have been thinking, I hope there will be a chance to make up for the mother and daughter."

Charlie asked curiously, "How do you plan to make up for it?"

Zayne hesitated again and again, but still said what he thought, as he looked at Charlie very resolutely:

"Mr. Wade, to tell you the truth, I want to buy a ring tomorrow,"

"Call a high-end restaurant, invite Xion 's mother to have dinner together, and then propose to her at the dinner... .."

Chapter 4870

"Proposal?" Charlie frowned slightly, looked at him, and said seriously,

"You are the eldest son of the Banks family. Although Ms. Elms gave birth to Xion for you,"

"Her status is closely related to that of her. You are 108,000 miles away,"

"Not to mention, she is still a disabled person, of course,"

"I don't mean to discriminate against disabled people,"

"Just want to ask if you have carefully considered the gap between the two of you?"

Zayne saw Charlie frown and said some doubtful words, thinking that Charlie was questioning him,

So he said without thinking, "Mr. Wade, you don't have to doubt my motives,"

"I really want to talk to her and walk hand in hand for the rest of her life,"

"I know she always has me in her heart, and I hope so in my own heart during this time,"

"And you can rest assured that I want to marry her, not for the so-called freedom,"

"If she agrees to marry me, I am willing to continue to be under house arrest in Aurous Hill in the future,"

“You only need to give me one day of freedom, after this day of freedom,”

“I will continue to obey all your previous arrangements.”

After speaking, Zayne was very serious as he said:

“As for the gap you just mentioned, it no longer exists in my eyes,”

“I am not the eldest young master of the Banks family, nor the heir of the family,”

“And her arm is missing because she lost it to save my life.”

“I owe her what she lost, so to say that there is a real gap,”

“It is also the gap between her high and my low, it is me and her, the gap is 108,000 miles.”

Seeing Zayne’s sincerity, Charlie knew all of what he said came from the bottom of his heart,

And he suddenly felt a little emotional in his heart.

In fact, from a certain point of view, Charlie also had some sympathy for Zayne.

If nothing else, he loved Liona so much for so many years,

But he couldn’t exchange Liona’s sincerity, which is really embarrassing.

In addition, the old man Banks is a strong man and his methods are vicious.

Zayne has always been suppressed. At a critical moment, he was driven to Australia by the old man.

Even his daughter was betrayed by the old man.

If he can really get together with Kairi and live the rest of his life in a down-to-earth way,

He is willing to end his punishment and even send his own blessings.

However, Charlie couldn’t help reminding him:

“Mr. Banks, every successful man will reflect and criticize himself when he is in trouble.”

“When Zhu Yuanzhang was in trouble, he also cooked porridge from leftovers.”

“He regarded it as the best soup of his life, but the problem is that some people can truly reflect,”

“And even if they succeed in the future, they can remember the lessons,”

“But some people’s reflection will only stay in the trough.”

“If you regain your freedom and regain control of hundreds of billions of wealth in the future,”

“Will you still stick to your current decision?”

Zayne sneered and said, “What hundreds of billions of wealth? But it’s just a passing glimpse.”

“The Banks family used to have mansions all over the world.”

“I have lived in many villas, manors, and even castles, but to tell the truth,”

“I have never lived in Aurous Hill during this period of time.”

“For a while, I no longer have to rack my brains to express myself, no longer care about what my father thinks of me,”

“No longer worry about intrigue between brothers, you fight with me,”

“And I no longer need to worry about knowing whether or not Zhiyu’s mother is my wife.”

“But thinking of other men behind my back...”

“Besides, there is Xion ’s mother’s meticulous and considerate care every day.”

“I don’t know how easy life is, with what young people often say today.”

“Just a word, this is the happiness of lying down...”

Chapter 4871

Speaking of which, Zayne looked at Charlie and said solemnly,

“Mr. Wade, I know what you are worried about, it is definitely not me that you are worried about.”

“I will regret it in the future, but worried that she will regret it in the future.”

“Will it make Xion ’s mother sad and let Xion disappoint me?”

“I promise you on my personality today, from now on until I die,”

“I will live up to the wishes of mother and daughter, and I promise Mr. Wade to do my best!”

Zayne’s words were sincere.

Charlie could also see that he was able to tell all of this to him after much thought.

And it is not difficult to hear from his words that he has indeed seen the situation through now,

And he is no longer interested in taking charge of the Banks family and the trillions of properties of the family.

For him now, how to make up for a woman who has loved him for many years and dedicated herself a lot,

How to be a good husband and a father, has become the most important thing in his life planning.

Seeing this, Charlie’s frowning brows finally stretched out.

He glanced at Zayne, and immediately said with a serious expression:

“If you really want to propose marriage, you don’t have to wait until tomorrow, because tomorrow, things will change qualitatively.”

Zayne was very surprised and asked inexplicably:

“Mr. Wade, what do you mean by qualitative change?”

Charlie said seriously: “If you really decide to propose marriage,”

“Start preparing now, and wait until the bathroom door opens and Ms. Elms walks out of it.”

“You go up immediately, kneel on one knee and propose to her. Trust me, this is your best chance.”

The qualitative change that Charlie just said was,

Actually the remodeling pill he handed over to Xion just now.

It is estimated that Xion should be in the bathroom now,

Helping her mother to prepare before taking the medicine.

From now on, in another 20 to 30 minutes, when Kairi packs up and walks out of the bathroom, She will completely become a normal person, and her broken right arm will grow back intact.

If Zayne waited until tomorrow night to propose again,

Then there would be a sense of seeing Kairi recovering and him proposing marriage.

Therefore, out of consideration for him,

Charlie hoped that he could be ready immediately and propose marriage as soon as Kairi comes out.

In this way, Zayne has a chance to get what he wants, and Xion will definitely be very pleased.

For Kairi, it is a double happiness.

As long as Kairi nodded, everyone would be happy tonight.

Zayne didn't understand why Charlie had to prepare himself immediately and said nervously:

"That...Mr. Wade...you ask me to start preparing now, I really don't know what to do..."

"I originally wanted to pick a diamond ring tomorrow,"

"And then choose a decent suit, but now there's no time..."

Charlie smiled: "It's not too late. There are several luxury brands on the first floor of the hotel,"

"Including Cartier jewelry, and several men's clothing brands."

"I will let Mr. Cameron take you down to pick things now."

"As for the flowers, I will also ask him to help arrange them. 20 minutes is enough to get ready."

Almost all the top luxury five-star hotels have their own small commercial streets,

Attracting first-line brands in the luxury industry,

Which is convenient for high-end customers to shop nearby.

So, whether it is a diamond ring or a suit, you can find it here.

Zayne didn't expect Charlie to arrange it for him at once,  
But the time was suddenly pushed in front of him, he couldn't help getting nervous,  
And he hesitated and said, "This...isn't it a bit too sudden? I'm not mentally prepared yet..."  
Charlie asked him, "In addition to the diamond ring and flowers,"  
"What preparations do you need to make for a marriage proposal?"  
"This..." Zayne said for a while. Somewhere at a loss for words, not sure how to answer.  
Charlie said impatiently: "Okay, don't scoff, I'll let Mr. Cameron take you down now."  
After that, he picked up the phone and called Issac over.

#### Chapter 4872

As soon as Issac entered the room, Charlie said to him,  
"Mr. Cameron, take Mr. Banks to Cartier on the first floor of the hotel to choose a ring,"  
"A decent suit, and ask the housekeeping department to prepare a bouquet of fresh roses for delivery."  
Although Issac was a little surprised, he still said very simply: "Okay young master!"  
After speaking, he made a gesture to Zayne: "Please, Mr. Banks."  
Although Zayne felt a little like rushing a duck to the shelves,  
But at this moment, the ink was no longer there,  
And he hurriedly followed Issac out of the room.  
At this moment. Xion 's thoughts were all on her mother alone.  
On the hanger in the bathroom, there is a short-sleeved dress that she prepared for her mother in advance.  
This dress was specially selected for her mother.  
Unlike Takehiko Ito, Kairi 's right arm has been broken for more than 20 years,

So she has never seen her mother wear any kind of short-sleeved clothes since the day she could remember.

Even in the hottest summer, her mother will wear a long-sleeved top and occasionally a skirt,

And the upper body must also be long-sleeved.

Xion had never seen her mother with healthy limbs,

But she guessed that if her mother changed into the feminine dress she chose, she would be dazzling.

At this time, Kairi did not realize that this skirt was bought for her.

With the help of Xion, she took off her clothes one by one,

While looking at the light green dress with elegant floral arrangements, she said with a smile,

“Xion, this dress is so beautiful, you usually look like a tomboy every day,”

“Why are you willing to wear a skirt this time?”

Kairi didn't realize it. This dress was actually bought by her daughter for her.

In her impression, Xion almost never wore a skirt because of her martial arts practice.

At this time, Xion took the skirt off the hanger, gestured in front of her, and asked with a smile,

“Mom, do you think it looks good?”

Kairi nodded lightly, and said, “It looks good. Yes, it just feels a little old-fashioned,”

“Not suitable for girls in your early twenties, but suitable for women in their thirties and forties.”

Xion giggled and said: “Your vision is quite accurate!”

“I also think this skirt is not suitable for a girl like me.”

Kairi said with a dotting smile: “You are in your twenties,”

“But no longer a little girl, many girls as old as you are now mothers.”

Xion stuck out her tongue and said coquettishly,

“Mom, in front of you, I will always be a little girl.”

Kairi, touching Xion’s face, sighed: “Mom really didn’t expect that my Xion could become a five-star warrior.”

“You can have this opportunity today, which is definitely the happiest thing in my life!”

“Xion raised her arm and gently touched the back of her mother’s hand,

Her eyes were red, and she said firmly: “Mom, there will be something more happier later,”

“Since I was five years old, the one thing I have asked for every birthday. My wish will soon come true!”

Xion, a child, was most distressed by her mother’s broken right arm.

Therefore, since she was sensible, she made a wish on her birthday every year,

And she silently made the same wish, that is, she hoped that her mother could recover and become a normal person.

Although she always knew that this wish was impossible to achieve, she kept making this wish year after year.

It was also from when she was five years old that when her mother asked her what she wished,

She would only smile and say one word: confidentiality.

Therefore, Kairi suddenly heard that her daughter had made the same wish for more than ten years in a row, And asked in surprise: “Xion, what kind of wish is it, that can make you make it for so many years?!”

Xion smiled mysteriously, took her mother to the bathtub, and urged,

“Mom, you lie down in the bathtub first,”

“And all the questions you want to know tonight will be answered soon!”

## Chapter 4873

Kairi didn’t know why her daughter let her lie down in the bathtub, But she didn’t ask more when she saw that her daughter was looking forward to something.

After she soaked the body below the neck in the bathtub, Xion took out the reshaping pill and instructed, "Mom, Mr. Wade said that you will fall asleep after taking the pill, But you don't have to worry, I will be watching over you all the time!"

After saying that, she put the pill into Kairi's mouth.

Kairi smiled at her daughter, and before she had time to speak, She felt that her mind went blank for a while, and she lost consciousness.

Seeing that her mother had lost consciousness, Xion stood motionless in front of the bathtub, Looking forward to the moment when the miracle will happen.

At the same time, Issac took Zayne and found a high-end diamond ring worth 1.3 million US dollars in Cartier's store.

This is already the best diamond ring that can be bought in this store, but in Zayne's eyes, it is still a little petty.

He couldn't help but ask the young saleswoman: "Is there only one that's this big? Is there something bigger and purer?"

The saleswoman said nervously, "Sir... This is already the best diamond ring in our store, And this diamond ring is not usually in our store. According to the company's requirements, It is on tour in many stores in New York. It just arrived at this store this morning, If it came yesterday, the best diamond ring in our store is actually less than a fraction of this one..."

Zayne looked at the exaggerated diamond ring and said with disgust: "But this really isn't big enough, and the color isn't rare enough, I'm planning to propose, so I can't figure it out..."

The saleswoman was stunned and couldn't help asking, "Sir.....I do not know what kind of diamond ring is big enough and rare enough in your eyes?"

Zayne thought for a while, and said casually: "It should be a rare blue diamond, Pink diamond, or red diamond? The price is at least five million US dollars, at least not worth it..."

The saleswoman could not tell whether Zayne was telling the truth or joking, But her professionalism still drove her to explain patiently: "I'm sorry, sir, we generally don't put these kinds of diamonds in the store for retail sale."

"Yes, most of them are specially customized for VIP customers, and some are even put up for auction."

For Issac, Zayne's words were not unusual, after all, it was the first young master of the Banks family,

With a diamond ring worth millions of dollars. It is certainly out of his sight.

However, Issac also knew that the time did not allow him to be too selective,

So he reminded in a low voice, "Mr. Banks, our time is limited, and the options in the store are also limited."

"A ring that you are completely satisfied with, I am afraid it is not possible to get it here,"

"Why don't we buy this one first, and then go to see the suit, don't delay the business."

Zayne sighed, nodded, and said, "Okay then. I want this one."

After he finished speaking, he looked at the saleswoman and said, "Please help me with the checkout, the ring will not need to be packaged, I will take it directly."

The saleswoman was stunned and asked in a low voice. "Sir... Do you really want to buy this ring? It's \$1.3 million..."

Zayne hummed, took out his wallet, and took out An Amex Centurion black And the gold card was handed to the saleswoman and said,

"Hurry up and swipe the card, I have something else to do."

After seeing this card, the saleswoman realized that the man in front of her was not joking.

The big guy on the board hurriedly said respectfully: "Sir, wait a moment, I'll settle the bill for you..."

Soon, Zayne signed his name on the bill and put the \$1.3 million diamond ring into his pocket.

Afterward, he chose a ready-to-wear suit in Armani that could barely fit in.

## Chapter 4874

Although this suit was already expensive for ordinary people, it still made Zayne quite dissatisfied.

For a rich man of his level, it is an insult to wear ready-made clothes made in any brand store.

Under normal circumstances, it should be the top clothing masters of these brands.

Who comes to the door in person and measures the size for him.

It is completely tailored according to his figure, such a suit can really be worn.

But at the moment, the conditions are indeed limited, and Zayne is no longer entangled.

After choosing the clothes, he put them on directly and put the diamond ring in the pocket of the new suit.

Only then did they rush back to the housekeeping department with Issac.

The staff of the hotel also brought up the ninety-nine roses that were prepared.

In Chinese custom, ninety-nine means forever, and for love, it is an excellent meaning.

Fortunately, the flowers prepared by the hotel concierge are all well-known top varieties,

And each flower is very fresh, delicate, and flawless.

At this time, Kairi's eyelashes trembled slightly in the bathtub.

After Xion, who had never left for half a step, found out,

She knew that her mother would wake up soon,

So she couldn't wait to go around to the right side of the bathtub,

Gently stretched out her hand, followed her mother's right shoulder, and searched all the way into the mud.

Originally, Kairi's right shoulder was downward, and it was a vertically downward and uneven wound.

Although her arm was cut off by the roots, due to the irregularity of the scar,

The entire wound was like tree bark, with its irregular lines and folds.

Kairi usually wears long sleeves, so almost no one can see the wound of her broken arm except Xion.

And Xion, who has been careful about her mother,

Often touched her mother's wound when she slept with her as a child,

And asked her with concern whether it hurt or not, so she is very familiar with her mother's wound.

But when she touched down her mother's right shoulder, the vertical section like a cliff did not appear.

What she felt in her hand was her mother's round and full shoulders.

At this time, Xion's hands were shaking uncontrollably.

Then, she continued down the right shoulder,

And she touched her mother's upper arm, elbow, and forearm.

In the end, it was her mother's right hand that she had never seen, let alone touched!

At this moment, Xion burst into tears!

Since she was sensible, her birthday wish every year was to hope that her mother could become a normal person.

Although she knew that this kind of wish would never come true,

She still couldn't help but use the most precious wishing opportunity of the year to make this wish.

But who would have thought that the most impossible wish could actually become a reality?

Excited, Xion intertwined her fingers with her mother's right hand,

Lifted her right hand from the mud, and clasped her mother's right hand tightly with both hands.

At this time, as if Kairi had just woken up from general anesthesia,

Her vision gradually became clear from blurred.

When she saw Xion in front of her, she asked lovingly,

"Xion, why are you crying?"

Xion held her mother's hand tightly, her tears kept flowing uncontrollably,

And she choked up at the same time and said: "I cry because I am happy..."

Kairi didn't notice her right hand being held tightly by her.

She was without an arm for more than 20 years and was completely accustomed to living without a right arm,

So she saw the daughter cry with none stop tears,

And subconsciously raised her left hand, trying to help Xion dry her tears.

But just when her left hand was about to touch Xion's face, She suddenly stayed on the spot as if struck by lightning.

Because she suddenly discovered that in addition to her left hand,

Chapter 4875

Kairi also saw three hands within her line of sight.

The two belong to her daughter Xion, and the other is held tightly by her...

Kairi only felt horrified and had a chill on her back!

She didn't know whose hand her daughter was holding, and she even felt like she was in a nightmare.

Terrified, she couldn't help but ask: "Xion...you...the hand you are holding is..."

Kairi's expression suddenly froze when she asked this.

She originally wanted to ask her daughter who the hand she was holding belonged to.

However, at this moment, she suddenly felt that a nerve that had disappeared for many years was suddenly affected,

And a feeling of being clenched was returned.

That feeling came from her right hand that had been cut off for more than 20 years!

Kairi is different from Ito Takehiko. Ito Takehiko just lost his legs.

He has been a normal person for nearly fifty years.

The sudden loss of his legs made it extremely difficult for him to adapt.

But Kairi has also been a disabled person without a right arm for half of the past fifty years.

For such a long time, she has long been used to the feeling that her right arm is empty.

Now, her right arm suddenly returned, and she couldn't get used to it for a while.

However, when she was asked to subconsciously control her right arm,

She could clearly feel the clear feedback from all the nervous systems in her right arm.

That feeling was extremely real!

She looked at Xion terrified and asked,

"Xion...this...what's going on here...am I gone mad?!"

Xion hurriedly explained: "Mom Don't be nervous! You are not insane,"

"This is all thanks to Mr. Wade's remodeling pill, which can regenerate severed limbs!"

"Before you came, Ito Takehiko of the Ito family relied on Mr. Wade's remodeling pill,"

"Both of the amputated legs have completely recovered!"

Kairi was horrified when she heard Xion's words, but her reason had already made her make an accurate judgment.

She has seen the miraculous effects of Charlie's pills, Which can make a martial artist use a stick of incense to cross the sky that can't be crossed for decades.

Having seen this kind of miracle, and now that the severed limb is regenerated, Although she is also extremely shocked, she will not question its authenticity.

After confirming that all this was a reality, Kairi was so excited that she couldn't add more.

She looked at her right hand and murmured, "Since the moment my arm was cut off, I never thought that there would be a day when I could recover... .."

Xion took her mother's right hand and choked:

"Mom, didn't you ask me what I wished for my birthday before? This was my wish... But I never thought that it would actually come true..."

Kairi was moved to tears when she heard this.

The mother-daughter two have a very deep relationship, And since they have been dependent on each other since childhood,

This relationship is much deeper than that of ordinary mothers and daughters.

And Kairi's broken arm is a very special existence for the mother and daughter.

From a practical point of view, if Kairi hadn't broken this arm, Xion would never have been born in this world.

Therefore, although the mother has lived with a disability for more than 20 years,

She was willing to have this broken arm in her heart, but her daughter was ashamed because of this.

How could she not know what her mother was thinking?

However, when she thought that she was exchanged by her mother with an arm, She was full of guilt towards her mother.

But now, a reshaping pill given by Charlie completely untied Xion's knot, And also made up for Kairi's shortcomings for more than 20 years.

## Chapter 4876

For a time, the mother and daughter were extremely relieved, and both were crying pear flowers with rain.

What the two of them didn't know was that Zayne, who had put on a suit,

Was already pacing back and forth in the living room nervously.

A large bouquet of bright roses was in his hands, and the diamond ring,

Which he was not very satisfied with, was also lying quietly in the lined pocket of his suit.

He had never proposed to a woman in his life, so he was inevitably nervous.

When he married Deana, it was not because he proposed to her,

But because Deana took the initiative to find him after Bruce got married,

Put forward several requirements for marrying him, and said that as long as he could agree, She would do it. marry him immediately.

At that time, Zayne did not hesitate, and immediately agreed in full, And then the parents of both parties met, urgently set the wedding date, and hurriedly completed the wedding.

Due to the fast pace, there was no chance for Zayne to formally propose.

At this moment, while pacing back and forth, he silently recites the lines to propose marriage in his mind,

And at the same time, he also keeps an eye on the time on the watch.

Seeing that the mother and daughter had been in for half an hour,

He couldn't help asking Charlie anxiously: "Mr. Wade, why haven't they come out yet?"

Charlie smiled slightly: "It should be soon, are you ready?"

"It's done..." Zayne replied without confidence, then wiped the sweat on his forehead,

And asked him a little helplessly: "Mr. Wade, please tell me,"

"The proposal is to kneel on one knee. Right? Give flowers or rings first?"

Charlie shook his head and said, "I don't know either."

Zayne asked subconsciously, "Why don't you know...Aren't you married?"

Charlie said lightly: "When I got married, it was basically an arranged marriage."

"My wife's grandfather was the sole leader and arranged the marriage, so there was no marriage proposal process."

After speaking, Charlie asked him, "Did you and Auntie not propose marriage back then?"

Zayne embarrassedly smiled and said: "You are in an arranged marriage, I was in a contract marriage, and we are half a catty..."

Charlie nodded understandingly, and said with a smile, "I think, to propose marriage, the first step is to do the 'begging' step, So it must be necessary to kneel on one knee first, and then take out the ring, Ask the other party if she is willing to marry you, if the other party nods, You put the

ring on the other party, and then give her the flower, If the other party refuses, you should stand up as a gentleman and prepare to leave.”

Zayne hearing this became even more nervous, and couldn't help asking:

“What if she leaves and refuses me for a while...”

“I will be under residential surveillance by her in the future. It's too embarrassing...”

Charlie said with a smile: “I think Ms. Elms has not been married for so many years,”

“And she is raising Xion by herself, and even after Xion becomes an adult,”

“She sent Xion a gift. Coming to your side to protect you, it can be seen that your weight in her heart is very high.”

“In other words, she should love you deeply.”

“If you propose to a person who loves you deeply, you can still be rejected.”

“Then you have to find the reason from within yourself.”

Zayne couldn't help but nodded as if to cheer himself up, and muttered:

“Mr. Wade you're right... So, as long as I sincerely propose to Kairi,”

“To show her what I think in my heart, she should not reject me,”

“Not to mention that if Xion is by her side, she should not reject me...”

After speaking, he quickly looked at Charlie, begging: “Mr. Wade, can I ask you one thing?”

Charlie said lightly: “You say it.”

Zayne said sincerely: “If Xion's mother promises me, I hope you will allow it.”

“We will hold a simple ceremony and a few tables of banquets in the villa in Aurous Hill,”

“And then let Zara and Xion come together!”

Charlie smiled and said, “If Ms. Elms promised you today, then wait for me to come back.”

“There will definitely be a grand wedding for you at Shangri-La in Aurous Hill.”

“At that time, everyone in the Banks family can come to participate if they want, including Mr. Banks who are far away in Madagascar, and Fitz who is on the pilgrimage!”.

Chapter 4877

Zayne was so shocked by Charlie's words that he was speechless.

He really didn't expect that Charlie would promise to hold a grand wedding for him.

In fact, the reason why he begged Charlie just now was that after Kairi agrees to his proposal,

Charlie would allow him to hold a small ceremony and banquet in the villa where he was under house arrest,

Just because he didn't want to owe Kairi a wedding.

But he also knew his current situation. Charlie was very kind to him by letting the Elms family put him under house arrest.

Although he lost his freedom to go out under house arrest in Aurous Hill,

His other freedoms were not restricted in that villa.

He uses mobile phones, computers, the Internet and TV, and can contact anyone he wants to contact,

And Kairi also takes good care of his food and clothing.

Despite the previous behavior of the Banks family being a dog in the Dragon Hall, and attacking Wade family,

Zayne is already very grateful to Charlie for his lenient treatment of himself and other family members.

In this case, as long as Charlie could promise him to hold a small wedding in the villa, he would be very satisfied.

But how could he have thought that Charlie would give him such a big concession.

At this moment, all Zayne's inner dissatisfaction with Charlie dissipated in an instant,

And the only thing left was gratitude.

He tried to calm down his emotions, bowed deeply to Charlie, and said to him with red eyes:

“Mr. Wade, thank you...Thank you very much!”

“Thank you for repaying your grievances with virtue, I thank you so much!”

Charlie smiled lightly, pointed behind him, and reminded:

“Ms. Elms should be out soon, you should do the business as soon as possible.”

For Zayne, Charlie can no longer speak of hatred.

Since he can sincerely propose to Kairi now, it is enough to prove that this person has lost his way.

What's more, Charlie admires Kairi's single-mindedness and dedication to this relationship,

So Charlie naturally hopes that this love reaches a conclusion eventually.

Moreover, Charlie has also made up his mind. After the wedding time is set,

He will tell Xion in advance to let her plan a honeymoon trip for her parents,

And then use it as a gift for the two at the wedding,

And she will also be there at the same time.

At that time, it will officially be announced that Zayne's house arrest is lifted and he is completely freed.

At this time, Zayne didn't realize that Charlie had even bigger surprises waiting for him.

Immediately afterward, there was a sound of a latch popping from the bathroom door,

And Zayne's whole body was instantly shaken, and he hurried to the bathroom door to get ready.

In the bathroom, Kairi had put on a dress that her daughter had bought in advance,

Her white and flawless arms were directly exposed to the air, and she looked very young and confident.

Xion opened the door and walked out with her mother,

When she suddenly saw her father, standing outside the door in a suit,

And at Zayne's feet, there was a large bouquet of roses.

At this time, Xion didn't think that her father was going to propose to her mother.

She thought that her father knew from Charlie that her mother was about to return to normal,

So he prepared flowers to celebrate.

At this time, Kairi did not expect that Zayne would be waiting at the door,

And was a little surprised for a while? As for Zayne, due to being overly nervous,

He didn't realize that Kairi had undergone tremendous changes at this time.

The moment he saw her, Zayne's nervous mind went blank for a while,

And then he remembered the steps that Charlie told him before, and his heart slammed,

And he immediately fell to one knee on the ground.

The moment Zayne knelt down, Xion instantly realized her father's true intentions,

And covered her mouth in disbelief.

And Kairi seemed to be aware of Zayne's intentions.

She, who had just regained her former self-confidence, was so nervous that she couldn't add more.

After all, in her opinion, she has been a servant of the Banks family for so many years, And is not worthy of a man like Zayne, not to mention that she has been a disabled person for more than 20 years, And subconsciously feels that the gap between her and him has long been the difference between clouds and mud, And even if it is a dream, she dares not have any arrogance.

However, seeing Zayne in a neat suit suddenly kneeling in front of her on one knee, Kairi was so panicked that her heart was beating wildly, and she even lost her breath.

Zayne kept his head down. After kneeling on one knee, He fished for the ring box from the inner pocket of his suit.

## Chapter 4878

Afterward, he held the ring box with one hand, opened the ring with the other, Looked up at Kairi's face with almost no trace of the years, And said very emotionally: "Kairi... for so many years,"

"I let you raise Xion by yourself. It's really hard for you..."

Kairi's tears kept flowing, but she just shook her head subconsciously and said softly: "It's not hard... it's not hard at all... .."

Zayne's brain was confused, and as soon as he opened his mouth, He found that he seemed to be in the wrong direction, The ring box was already opened, shouldn't he propose first?

Thinking of this, he didn't know how to talk about the marriage proposal for a while, So he could only bite the bullet and say, "That... I mean... I haven't been able to be a father for so many years. The responsibility... Made Xion suffer a lot of hardships and grievances..."

Xion saw that her father was in a mess, and while moved, She couldn't help but choke and reminded: "Dad... What's the point you want to say? The ring in your hand should be prepared for Mom, right?"

Zayne sincerely said: "Kairi, I have really wronged you for so many years... Today in front of Xion, I want to ask if you would like to marry me."

"If you are willing, for the rest of my life, I will do my best to make you two happy..."

Although Kairi had realized what Zayne was going to do before, She was still shocked when he asked if she wanted to marry him. She was speechless.

For her, marrying Zayne was something she didn't even dare to think about.

Strictly speaking, Kairi never thought that she would marry Zayne in this life.

In addition to the huge difference between the identities of the two,

More importantly, since she had a relationship with him more than 20 years ago, She has always been very ashamed of her involvement in the marriage of Zayne and Liona.

In the following twenty years, she hardly ever met Zayne again.

Even though the entire Elms family was serving the Banks family, And even the adult Xion was sent to Zayne's side, Kairi stayed in Mocheng and never set foot in the Banks family again.

So, now Zayne suddenly proposed to her, and she didn't know what to do for a while, So she was stunned and didn't move at all.

Xion on the side hurriedly urged: "Mom, what's wrong with you? Dad is still kneeling on the ground!"

Kairi came back to her senses and said in a panic, "Eldest young master...I...I... I don't know what to say..."

Zayne knew very well what Kairi was worried about, and he said seriously: "Kairi, let's stop worrying about what happened in the past, even without you, My original marriage was not happy, not to mention that I am no longer the eldest young master of the Banksfamily, And there is no gap between you and me in terms of status, Right now, I just want to live with you in a down-to-earth way,"

"After the rest of my life, I will give Xion a complete home. Nothing else matters. If you think the Banksfamily will make you uncomfortable,"

"I can give up all my rights and interests in the Banksfamily, Now I don't ask for anything, just ask if you can promise me!"

Xion couldn't help but persuade him: "Mom, just promise Dad,"

"Dad and Aunt Deana have already divorced, and you have always had him in your heart for so many years,"

"Now Dad is proposing to you. , what are you hesitating about? If you can become husband and wife, I will have a home in the true sense..."

Kairi heard this, her psychological defense line loosened a lot.

Xion grew up in a single-parent environment since she was a child.

Although the Elms family loves her very much, she still cannot make up for the lack of her father's role.

Before the Banks family did not provoke Charlie,

Kairi even knew very well that Zayne would never publicly admit Xion as a daughter in his life.

But now, he is kneeling in front of him, and while proposing to himself, He longs to give his daughter a complete home.

At this moment, all of Kairi's concerns disappeared.

She said to Zayne with tears: "I promise you..."

Zayne immediately asked excitedly: "Really?! Kairi, you really You promised to marry me?"

Kairi didn't say anything, just looked at Zayne and nodded heavily.

Although this man whom she had loved for half her life was much older than her before,And lost the heroic spirit of those days, she was still the most attractive one in her mind.

Before, she would always control her heart and restrain her emotions toward him.

But at this moment, her eyes were full of affection.

Chapter 4879

Xion, who was beside him, was also very relieved,And hurriedly urged: "Dad, please bring the ring to Mom!"

"Oh, yes!" Zayne came back to his senses and quickly took the ring out of the jewelry box.

And Kairi didn't get used to her right arm being recovered at all,So she handed over her left hand subconsciously.

Zayne held Kairi's palm lightly, and when he was about to put the ring on her.

Xion reminded him again: "Dad! Men are on the left and women are on the right!"

"The ring should be worn on the ring finger of mother's right hand!"

Zayne's mind was completely blank at this time, and he had to rely on his daughter's instructions,So when he heard this, he said without thinking: "Oh, right, I forgot about this..."

Kairi came back to her senses, not too skilled, she handed her right hand to Zayne.

Zayne was nervous and just wanted to put the ring on her quickly,So he didn't notice anything unusual.

When he held the ring and carefully put it on Kairi's right ring finger,He suddenly realized that something was wrong.

He stared at Kairi's right hand for a long time, followed it all the way up,And found that the entire arm was actually grown on Kairi's right shoulder!

At this second, he subconsciously looked at Kairi and asked in horror, "Kairi...this...what's going on?!"

Because of the nervousness, Zayne, who was a little confused, Has only just found out that Kairi, who lost her right arm for more than 20 years, Actually, become a normal person with healthy arms!

At this moment, he also thought that Kairi was wearing some kind of advanced prosthesis.

So he subconsciously said: "This...Where is this prosthesis made? This...this is too real!"

Kairi said gratefully: "This is not a prosthetic... ...."

"It was Mr. Wade who gave me an elixir, and after taking it, the arm that was missing grew back..."

"What?!" Zayne asked dumbfoundedly, "It grew back?! How is this possible?"

Xion on the side reminded: "Dad, you have seen Mr. Wade's magical powers on Waderest Mountain,"

"So we can't use our limited common sense to measure his ability."

Zayne's expression froze for a moment, and he immediately remembered what he saw on Waderest Mountain that day.

The unbelievably powerful Wesley was also defeated in a single blow in front of Charlie.

And the second of the four war commanders of the Dragon Hall also died easily.

Charlie's strength and ability are indeed beyond his understanding.

Therefore, it seems that there is nothing incomprehensible about being able,

To come up with an elixir that can regenerate a severed limb.

Thinking of this, he couldn't help sighing: "I didn't expect our family to be blessed by Mr. Wade..."

Kairi nodded lightly and said, "Young master, please get up first, I want to thank Mr. Wade!"

"Yes, yes!" Zayne was completely convinced, he quickly picked up the roses, Handed it to Kairi, and said seriously, "Let's go thank Mr. Wade together..."

Charlie, who was in the living room, heard the conversation between the three people, And without waiting for them to come out, he immediately stood up and said loudly,

“The three of you can have a good chat, I’ll go back to the room first.”

Charlie Has already stepped out.

Xion hurriedly chased out, and Charlie was already out the door.

After hesitating for a second or two, she chased out the door and shouted at Charlie’s back, “Mr. Wade...”

Charlie turned around, glanced at Xion, and said, “Don’t do anything. I said you will accompany them back tomorrow. I believe your grandfather and the others will be very happy to know the good news. Why don’t you go back and give them a surprise? Besides, when I return to China, I will hold a wedding for your parents. If this daughter has any ideas, She can find a wedding company in advance to start communication.”

Xion was very moved, and quickly asked, “Mr. Wade, can I stay here and wait for your dispatch? When you are here there must be many places where people need to be employed!”

Charlie waved his hand and said, “You don’t have to stay here, Go back to accompany your parents, from today onwards, You will be considered the only child of tElms family of three.”

After speaking, he said again: “Oh, by the way, go to my place to sleep at night, “There are many rooms, you can choose anyone and give them both a little private space.”

She stuck out her tongue, closed the door directly, Ran towards Charlie lightly, and said with a smile,

“I don’t think I should stay as a light bulb... “

...

Chapter 4880

One night, many people stayed up all night because of their happiness.

Ito Yuhiko was lying on the bed of the hotel at this time,

While he was pedaling his ‘air bike’ into the air, while looking at the chandelier with silly joy.

He liked the feeling of regaining his legs so much, if he wasn't afraid of his daughter's anger, He would have wanted to go out and run three laps around New York.

The same goes for Tanaka Koichi.

He didn't lie on the bed for less than five minutes, And he couldn't help but get down and walk around a few times, And then put his legs on the table to look carefully and touch them carefully.

Kairi didn't have much chance to experience the feeling of having her right hand again, Because Zayne couldn't wait to carry her to the bedroom.

After more than 20 years, the two relived the passion of the year.

As for Jack, who was the first to take Reshaping pill,

He returned to his home in Houston with his wife, daughter, and son-in-law on the private jet of Evans family.

Since Michaela endorsed him, his image in the eyes of his family is comparable to that of a superhero.

In their early years, his wife and daughter lived with him in New York.

At that time, he devoted himself to work and seldom asked about his wife and children.

And because of his identity as a policeman, he is quite strict with his wife and daughter on weekdays, And the atmosphere at home has been very depressing without knowing it.

Later, his relationship with his family became tense and tense.

When his daughter was in college, she deliberately gave up the school in New York and chose to study in Houston,

In order to stay away from him so that she could breathe a sigh of relief.

The wife also took the opportunity to choose to accompany her daughter to study in Houston,

And began to separate from him in fact. But fortunately, the two sides have only been separated for a long time,

And it has not risen to the point of needing a divorce.

Jack's daughter is not very good at her studies. She was rebellious when she was young,

And her father is a resolute detective who is more strict than ordinary parents.

Therefore, although her rebelliousness is struggling, she has never had a chance to emerge.

Although Jack has lived in the United States for most of his life, He is a downright Chinese-style parent.

The way he treats his daughter's education can be summed up in the words

'excessive intervention and strict restraint'.

And because of the high pressure he brought, his daughter turned from rebellious to a relatively decadent school-weary mentality.

Because of this, the relationship between father and daughter has never been eased.

Jack's income before retirement was almost \$400,000 to \$500,000 a year.

Although this income level is not low, it also firmly welds his family's social stratum to the middle class.

His daughter got married last year to a young Chinese man who graduated from a prestigious university and worked for NASA.

Although his son-in-law is somewhat talented, he is too high-spirited.

In addition, he is not valued very much in NASA, and he is even marginalized and thus a bit depressed.

Jack understands his son-in-law quite a bit.

He is a professional in aerospace and has excellent education and skills.

However, because of his unrelated background, he has been suppressed where he works.

After returning home, Jack left his family in the living room and said with emotion: "It's hard to come back, let's have a meeting with everyone first."

His wife, daughter, and son-in-law agreed without hesitation and sat on both sides of Jack.

Jack took out the \$10 million check given by Michaela from his arms and said, "As for this money, my current idea is to leave it all to the baby in Paula's womb and make a family trust.

The daughter hurriedly said: “Dad, the child has not yet been born, you don’t have to think so long for him...”

Jack said solemnly: “This is something I must consider because I did not think too much about you before.”

“That’s why our family is so alienated, and besides, I didn’t do it for you, but for your children and his future children...”

Speaking, he sighed: “I have more contact with your Uncle Evans and his family, And I understand the truth. The reason why the rich in the West can keep getting rich is that their asset inheritance pays more attention to contracts, not blind inheritance, So starting from the baby in your womb, we will also make a family trust, And invest all ten million dollars into it. Before the child turns eighteen, All this money will be used for the lowest-risk investment, At the age of eight, it should be at least doubled.”

Jack’s son-in-law couldn’t help but said at this time: “Dad... there is something, I have been looking for a chance to tell you on the way back. But don’t be mad at me...”

Jack looked at his son-in-law, nodded, and said, “Stephen, you can talk about it.”

The son-in-law hesitated for a moment, and then said bravely,

“When I was in the Antilia Building, Mr. Desmond And talked to me,”

“And he said that the Evans family was willing to take out 100 million US dollars to make a trust for Paula’s children and me,”

“On the condition that if the child in Paula’s womb was a boy, we would give him the surname Li,”

“If it’s a girl, you can choose the surname of Li, or wait for a boy to be born and let the boy’s surname Li...”

Jack and his wife and daughter were both surprised.

Jack was even more guilty. He didn’t expect that Desmond would tell his son-in-law about this in private, and quickly said:

“Stephen, don’t be angry, your uncle Evans told you this, mainly because you, Grandpa Evans, are a bit of an old feudal person.”

“Don’t take it to your heart, let alone blame him...”

“No...” The son-in-law said awkwardly, “Dad...I... ..I’ve...I’ve made my own...promise...”
