

Chapter 4881

“You agreed?!”

Jack was surprised and excited when he heard his son-in-law’s answer.

Although he said that Lord Evans was an old feudalism, he was actually told by Lord Evans for a long time.

He knows that the old feudalism should be criticized to some extent,

But he also agrees with the logic of Lord Evans, that is: the surname needs to be inherited.

Whether it is a man or a woman, as long as there are descendants of the surname,

Then this line will surely be passed down. However, once there is a break in the middle,

This vein will completely withdraw from the stage of history within a few decades.

Therefore, if the son-in-law promised to give his daughter’s child the surname Li,

Then his family’s surname could continue to be passed down.

Because of this, he was very excited when he heard that his son-in-law had agreed.

However, he didn’t expect that his son-in-law, a talented man who had always regarded himself very highly,

Would be so easily persuaded by Desmond.

The son-in-law also seemed a little ashamed at this time.

He explained embarrassingly: “Dad, it’s not that I have no prospects...”

“It’s just that the conditions offered by the Evans Family were too tempting...”

“Even if I work hard all my life, I can’t leave it to future generations. It is so much money...”

The son-in-law at this time was just eager to give himself the reason for compromising with money.

But he didn’t realize that his compromise was the result Jack was most looking forward to.

However, in order to wash away his shame on his dignity, he continued to explain:

“Dad, what Uncle Evans said is almost the same as what you said just now,”

“What he means is, first take 100 million US dollars as a trust, and the trust is operated by Evans Family’s trust company,”

“And because Evans Family’s trust company is backed by the resources of the entire Evans Family,”

“Their income is much stronger than that of most trust companies on the market,”

“So at least about 8% a year yield, as long as I fulfill my promise,”

“After 18 years, this trust can be conditionally lifted!”

After speaking, the son-in-law continued with a little bit of excitement:

“Dad, I probably used a quick calculation in my heart.”

“If Under the condition that an 8% rate of return can be guaranteed every year, and calculated according to compound interest,”

“Then after 18 years, the child will become an adult,”

“And the money will be changed from 100 million US dollars to a full 400 million US dollars!”

Speaking of this, the son-in-law is even more emotional and excited, he couldn’t hold back his emotions, and blurted out:

“Dad, Mom, Paula! What is the concept of 400 million US dollars!”

“Even if we don’t move the 400 million US dollars principal,”

“We will continue to calculate it according to the 8% rate of return every year.”

“Then the annual interest is 32 million dollars!”

“32 million dollars! And there are so many every year!”

“No matter how serious inflation is in the future,”

“32 million US dollars will definitely be enough for a family’s daily expenses for a year!”

“At that time, we can give our children the best living standard,”

“The top educational resources, let them become the top group of people in society!”

“This is a step-by-step class leap!”

“Also, in addition to our annual interest income of 32 million US dollars,”

“This principle of 100 million US dollars is immovable. In this case,”

“As long as the Evans Family Trust Company that we rely on does not go bankrupt, we can continue at an interest rate of 8%!”

“But what if the trust company goes bankrupt? The law has long stipulated that the trust company’s own assets,”

“And the client’s trust property is completely separated.”

“Even if he goes bankrupt, it is impossible to liquidate our money during liquidation!”

“We only need to change a trust company, just transfer the rights.”

“In other words, as long as the United States is still there,”

“Our money will always be there! This is the eternal preservation of assets and the eternal prosperity of the family!”

Chapter 4882

The excited son-in-law, when he came to this point, his heart beat faster and his breath was short.

His whole face was flushed and sweat was pouring down, his eyes widened to the extreme involuntarily, and all the blood vessels were faintly bursting.

Jack was a little dumbfounded when he heard it.

He couldn’t help but ask: “100 million US dollars...can it have such a large amount of energy?!”

The son-in-law nodded his head without thinking:

“That’s right! Dad! 100 million US dollars is such big energy!”

After speaking, he added: “Of course, the most important point here is that the Evans Family can guarantee us an annual net profit rate of 8%.”

“Uncle Evans said that if the market environment declines, the net profit rate cannot reach 8%,”

“And there may even be losses. Evans Family will also make up 8% of the net profit for our trust.”

“For example, under normal circumstances, 100 million US dollars will add 8 million in the first year.”

“But if the market environment is not good this year, and only 90 million is left of the 100 million,”

“Evans Family will give 18 million to ensure that our trust has 108 million remaining!”

“Yes! We don’t have to worry about loss at all when the Evans Family endorses it,”

“We just need to wait for the trust income to be lifted after 18 years!”

Jack’s wife and daughter were already dumbfounded, but Jack said subconsciously:

“Stephen, this money. Is it not too much? How can our family,”

“How can we take so many benefits from others? This is really inappropriate...”

Jack was not lying.

After listening to his son-in-law finish the calculation,

He realized that his family is not just giving him a sum of money, he is giving an indefinite and eternal promise.

As long as the Evans Family still exists, it will guarantee the interests of the trust.

This means that the Evans Family has issued a long-term meal ticket to the Li family,

And the denomination of this meal ticket is still very high.

Therefore, although he expected that his son-in-law would agree to Desmond’s request,

When he heard this, he also felt that the affection was too heavy, and he couldn’t bear it.

But his son-in-law saw that he was a little hesitant, and said nervously:

“Dad! Don’t forget about it, Dad! This is a great opportunity for our family to jump into the dragon gate.

If you miss it, you will regret it in your life!”

Having said that, he hurriedly winked at his wife Paula and blurted out,

“Paula, hurry up and persuade Dad!”

Paula was also frightened by this number, but she was not the same as her father.

Jack has been a policeman all his life, and he has long looked down on life and death,

So he doesn’t really care about money at all.

Otherwise, based on his relationship with Evans Family,

He could quit his job as a police officer at any time in the past few decades of his life and go to them for a bite to eat.

And Evans Family will definitely give him excellent treatment.

With Evans Family’s behavior and economic strength, maybe Jack would have been now worth billions of dollars.

But Paula is different.

Paula’s living conditions and the living environment from childhood to adulthood can barely reach the level of the American middle class,

But there are too many middle classes in the United States.

Moreover, Paula studied and lived in a capitalist society since she was a child.

It’s just that she knew before that she yearned for the return,

But it was impossible to have the opportunity to achieve it.

But now, she suddenly realized that a rare opportunity is in front of her and within reach.

So she hurriedly said: “Dad... Even if it is for the sake of the children, you must accept it.”

“If we have this trust, Stephen and I can have more children.”

“In this case, our family will all of a sudden, will be prosperous.”

Stephen couldn't help but blurted out: "Yes, yes! We must have more children!"

"And these children can all be surnamed Li, I agree with my hands and have no opinion!"

Chapter 4883

Originally, Jack admired his son-in-law very much, but he always felt that this boy had the energy to not be overwhelmed,

Not afraid of being poor, and not to admit defeat or bow his head.

To put it simply, he felt that his son-in-law was very similar to him, and even had a shadow of himself.

It is precisely because of this, and Jack has no son himself, so he treats this son-in-law as a son sincerely.

But the performance of his son-in-law at this moment made him realize that, as a detective who has read countless people,

His views on his son-in-law are one-sided, wrong, and naive.

He used to think that he was the kind of noble character who was rich and could not be promiscuous,

But now it seems that he is just a bit high starting point for "prostitution".

And this starting point, in the past, neither himself nor his son-in-law could touch it at all.

It is as if a person never knows if he is afraid of heights if he has never been there.

Some people are shouting that they are not afraid of the sky, but maybe their legs will become weak at a certain height.

At this moment, Jack suddenly despised him.

However, after thinking about it, He felt that he was not the same? Although the boy didn't impress him, about the so-called surname and bloodline inheritance, didn't he impress him?

Both he and his son-in-law have betrayed their own loftiness,

But one is kneeling in front of money and the other is kneeling in front of inheritance.

Stephen didn't know what Jack was thinking, but when he saw that his expression was cloudy and sunny for a while, The whole person couldn't help but feel a little worried, and couldn't help saying:

"Dad, can you do it, you have something to say!"

Jack hesitated for a moment, sighed, waved his hand, and said, "Forget it, just do as you said!"

"Really?!" Jack nodded heavily and said,

"This is your grandfather Evan's heart, but it is really too heavy."

"I will find a way to pay it back slowly in the future!"

Excitedly clenched fists. Immediately afterward, the two rushed over excitedly,

Hugging Jack from left to right, and their excited expressions were beyond words.

On the other hand, Jack's wife Julie's expression has not changed from beginning to end.

At this time, Jack's daughter suddenly remembered something and asked,

"Dad...then...that 10 million from Miss Joules...what are your plans for it?"

As soon as these words came out of Paula's mouth, Stephen on the side also immediately looked at Jack,

And blurted out subconsciously: "Yes, Dad, do you have a plan now for the 10 million dollars?"

The billions of dollars are to be placed in a family trust, and the trust must be conditionally lifted when the first child turns 18.

That is to say, even if Jack has already agreed, they must wait 18 years for the golden mountain of 100 million US dollars to achieve a huge leap in class.

No matter whether it is a luxury house, a luxury car, or a luxurious upper-class life,

All of them have to wait eighteen years. If you count the child's expected due date of eight months,

Rounding up equals to 19 years. However, the \$10 million check given by Stella is different.

This is not a conditional family trust, but a real cash check.

Just take this check to any bank in the United States and it can be exchanged for \$10 million in cash.

Jack listened to them asking about the 10 million, and couldn't help but said:

"Actually, my original idea was to put the money in the trust,"

"But the trust I checked did not have such a high annualized return of 8%."

"Calculated with an annualized income of about %, it will be almost 20 million after 18 years,"

"And then starting from the 19th year, the interest can be taken out every year,"

"Part of which is used as the child's education fund, and part as the child's living allowance, etc."

"After the child gets married, you can withdraw one million US dollars at one time."

"If you have more than two children, you can divide the two million US dollars equally,"

"And the rest will continue to be placed in the trust..."

As he said this, his daughter said hurriedly: "Dad...you can't put this money into the trust anymore..."

"In that case, we will put all the money in 18 years before we can withdraw it,"

"From now on, we will still have many uncertainties in the next 18 years."

"For example, if you move to Houston to live with us in the future,"

"And the child will be born in our house, we will always have to change it."

Chapter 4884

Paula continued: "For the older ones, Stephen and I don't have to live in an apartment in the city."

"We can come and live with you. In this case, you can also help us take care of our children,"

"And if there are more children, we may have to invite nannies,"

"There is still a lot of money needed to purchase all kinds of hardware..."

Jack looked at the woman and asked her, "Paula, how do you mean to arrange ten million?"

Paula thought for a while, opened her mouth, and said,

“Dad, that’s what I think, let’s take a million dollars to exchange for a house,”

“We can change to a villa that is closer to the city, bigger, newer, better,”

“And then we can change the rest of the house. Upgrade the hardware,”

“Such as food and clothing expenses, cars, and home appliances,”

“And the rest will be put into more flexible financial management first,”

“And if necessary, you can withdraw at any time.”

Stephen couldn’t help but agree: “Yes, Dad, I think this is more flexible.”

“With this money to support, we can choose a better private hospital for Paula to give birth,”

“So that her prenatal check-up during pregnancy can be more comfortable and convenient.”

Jack hesitated for a moment, sighed, and said, “Well, as you said,”

“\$1 million to buy a house, \$500,000 to upgrade the family expenses, and another \$500,000 as a reserve for flexible withdrawals.”

“As for the remaining 8 million, all of them will be handed over to your mother.”

“How to arrange the specific arrangements is not counted by the three of us, your mother has the final say.”

Paula couldn’t help but ask: “Dad, we only get the total amount.”

“Two million is it a little less... Why don’t you take three million first...”

Jack waved his hand: “I have made up my mind, what should I do first?”

“If you both feel there is another place to use the money next, go and apply for it with your mother.”

After speaking, he looked at his wife and asked her,

“Julie, do you think this is okay?” Julie was stunned for a moment before returning.

When she came to her senses, she smiled and said,

“Jack, if you want my opinion, you don’t give me this money,”

“Isn’t it a total of 8 million? Just put it in the trust, just get a short-term trust,”

“From now on, in the future For 18 years, take out 1/18 of it every year,”

“Until it is fully taken out after 18 years. As for how to use the money, we have the final say.”

Jack couldn’t help but be a little confused, but he soon understood,

The wife also found that the child took money a little too seriously,

And didn’t want to be the money manager directly.

So, he sighed softly and said, “Okay, just do it like this.”

After speaking, he said, “Oh, by the way, if we want to buy a house,”

“Let’s do it as soon as possible. I will go to another place in a few days,”

“I want to do something for the old man and Miss Joules.”

Julie hurriedly asked: “What’s the matter? Is it dangerous?”

Jack smiled and said, “Don’t worry, it’s just to investigate something,”

“There is nothing dangerous, you know that the old man has a grandson who they have been unable to find,”

“He wants me to help him find the grandson, it’s just looking for someone, there’s no risk.”

Julie breathed a sigh of relief, looking at her daughter and son-in-law,

Who were so excited that they couldn’t control it and kept winking at each other,

She sighed silently. With a sigh, she stood up and said,

“Okay, Jack, it’s getting late, let the children go back first, and we both have an early rest.”

The daughter and son-in-law didn’t think much about it,

And the two of them still had a lot to talk about in private,

So they agreed without thinking. After saying goodbye, they quickly drove back to their apartment in the city.

Seeing that Jack was a little absent-minded and lonely,

Julie couldn't help asking softly, "What's wrong? Are you disappointed?"

Jack smiled bitterly: "A little bit... a little bit."

"I'm disappointed, but I think it's understandable, so I'm more entangled."

Julie nodded and said seriously: "Jack, never test human nature, human nature is like this in real world."

Speaking of this, she changed the subject and said seriously: "But even the universe has boundaries!"

Chapter 4885

When Yuhiko Ito and Tanaka Hiroichi were running in Central Park wearing masks, Xion and her parents, after saying goodbye to Charlie thankfully, went to the airport and took a flight back to Aurous Hill.

Charlie stayed in New York for two more days.

After spending two days with Nanako and other members of the Ito family, Nanako reluctantly said goodbye to Charlie, and the family set off for Japan.

After Nanako left, Charlie gave Dragon Temple an order to bring back Pauline, who had handed over the contraband to Elaine.

Pauline's real name is Janice Hatley. In recent years, she has been with her head and followed Georgina to go offline.

This person's main task is to pretend to be a female entrepreneur under the false identity of Pauline Yates, and bring contraband to those who are going out of the country and hand it over to the mule selected by Georgina.

Although this woman did not kill anyone with her own hands, she followed Georgina and gave her help and did harm to many innocent victims.

If it is reasonable, she should also be dead.

However, considering that she is now the key to Elaine's release from prison, the people at the Dragon Temple left her alone.

As for her companion who was also full of evil, she was killed by the soldiers of Dragon Temple and thrown into the desert near Las Vegas.

At the same time, the Dragon Temple officers also possessed the identity information of Pauline's domestic family.

So they used this as a bargaining chip to ask her to take the initiative to confess all her crimes to the police.

Otherwise, not only would they kill her, but also let her family pay the price.

Pauline, who knew that she could not escape, did not dare to disobey the demands of Dragon Temple.

She knew that if she confessed to the police, although she would never be able to get out of prison again in her life, she could at least save a dog's life.

Therefore, at the moment, she has no second choice at all.

When Pauline was brought back to New York and surrendered to the New York police, she was at the Bedford Hills Correctional Institution on the outskirts of New York City, and it was time for the inmates to have lunch.

According to the regulations of the institution, before lunch starts, the early warning will conduct a roll call for each cell. After the roll call, the door of the cell will open and everyone will go to the restaurant in an orderly manner.

After eating in the restaurant, everyone will then go to the playground to let the wind out, then return to the cell after the wind blows, and count the number of people again.

After confirming that it is correct, close the door and wait for the afternoon meal.

At this moment, Elaine didn't know that her good days had already begun shrinking.

Right now, the number of people in her cell has just been counted, but even though everyone else has already started to line up, Elaine is still lying lazily on the bed, leisurely reading a book with her legs crossed.

The prison guard who counted the number of people turned a blind eye to Elaine's behavior.

After confirming that no one had escaped from the cell, the prison guard said loudly, "Now you can go to the restaurant to eat!"

After speaking, she came to Elaine and said attentively, "Sister, today the kitchen made pasta with bolognese sauce and shrimp steak. I asked the chef to prepare you a marinade with tomatoes and eggs. If you need it, just go to the restaurant and find her directly."

The main reason why this prison guard is acting so good to Elaine is because the warden has specific orders to take care of her.

As well as she knew the former prison guard was reduced to a prisoner just because she offended Elaine.

Therefore, every prison guard at the institution knows that Elaine has a very strong background, so they are very respectful when they see her.

Chapter 4886

The reason why the warden took care of Elaine was mainly that Elaine was the person Michaela named her to take care of.

Michaela's influence in New York is extraordinary, and it is by no means comparable to a small warden.

Therefore, for the warden, Elaine is a perfect opportunity for her to cling to the upper class, so no matter what, she doesn't want to miss it either.

It is precisely because of this that the prison guards in the entire Institution are even more afraid of Elaine.

Elaine is not only authoritative in front of the prison guards, but because the combat effectiveness of the three Dragon Temple Temple soldiers is really overwhelming, the thorns, almost all of them, have been cut several times.

Now it all stopped, and no one dared to be in prison for the slightest bit.

With the support of these three people, Elaine has long since become the veritable number one person and even gave herself a nickname, Bedford Hill Ghost.

At this time, Elaine looked at the prison guard, slowly put down the magazine she was reading in her hand, and said with some dissatisfaction, "These magazines sent in the past few days are too boring. The story inside is rotten and vulgar, and there's no nutrition at all. So can't you show me a few books of Ziyin?"

“Ziyin?” The prison guard is a native Chinese-American, so she doesn’t even know what “Ziyin” is.

So she asked nervously, “Sister Wilson, what do you mean by “Ziyin”?”

Elaine said arrogantly, “Ziyin” is a very deep and literary book. These magazines are my favorite literary publications for so many years. If it wasn’t for the prejudice against our writers, the authors of “Ziyin” would have won the Nobel Prize for Literature!”

The prison guard said embarrassedly, “Sister Wilson, the Nobel Prize is not awarded by us, but mainly by the Swedes...”

Elaine frowned and asked, “Really? Why don’t I know?”

The prison guard quickly introduced, “Because Nobel was a Swede...he donated the money to give out the Nobel Prize.”

Elaine realized that she had missed out, and immediately snorted coldly and said, “So what? What about Sweden and Switzerland? Isn’t it all controlled by you Americans?”

The prison guard hurriedly said, “Sister Wilson, this Nobel... It really has nothing to do with the United States. ...”

Elaine said impatiently, “Oh, I won’t talk nonsense with you anymore, hurry up and find a way to get me a batch of “Friends” to have a look.”

The prison guard had to respectfully say, “Okay, Sister Wilson, I’ll go and find a solution for you now!”

Elaine snorted and waved her hand, “Okay, you can go out.”

The prison guard nodded quickly and said, ” Okay, Sister Wilson, then I’ll go out first.”

After the prison guard left, a group of attentive female prisoners gathered around and said, “Sister Wilson, how was your rest?”

“Sister, let’s accompany you to dinner!”

Elaine hummed and sat up slowly from the bed, she stretched lazily.

Later, she saw the obedient Tessa in the crowd.

That Tessa, the prison tyrant in the previous cell, has been trying every means to impress Elaine, but unfortunately, in this cell, she has completely become Elaine’s venting object.

Seeing Cherie, Elaine waved to her impatiently and said, "Come on, Tessa, I have something to do with you."

Tessa suddenly trembled nervously, and quickly asked respectfully, "Ms. Wilson, what's the matter?"

Elaine asked coldly, "I can't call you if I'm fine?"

Tessa kept shaking her head and said, "Yes, of course,"

"You can call me, I am at your disposal 24 hours a day..."

Elaine snorted in disdain and said sharply, "You and Jessica don't go to dinner today. Stay here and take everyone's dirty clothes and clean them up, if you have left one, I'll slap you fifty times!!"

Tessa said in horror, "I...I just washed everyone yesterday. Then I changed sheets, quilts, and pillowcases until twelve o'clock at night, can we take it easy..."

Elaine threw the reading in her hand directly on Tessa's face, instantly smashing half of her face flushed, then said coldly, "If you dare to bargain with him, I will give you everyone's panties and bras in the future."

Chapter 4887

Elaine's icy voice made Tessa and Jessica pale in fright.

In recent days, their lives have been like hell.

What the two of them did to Elaine before, combined with Elaine's stubborn character, it is doomed that the two of them will not have a good end.

Elaine also started beating and torturing the two of them, and gradually turned into the extreme humiliation and enslavement of the two of them.

She won't let them eat, find them all kinds of work, and watch them work hard, without a moment's breath, this is Elaine's favorite thing to do.

For example, when the weather is hot, she likes to go barefoot in the cell, so the two of them have to take turns to wipe the floor at least five times a day.

If the soles of her feet get dirty after walking in the cell for a day, then the two of them will not want to sleep that night.

When others are sleeping, they have to kneel on the ground and wipe the floor all night.

Right now, Elaine asked the two of them to wash dirty clothes, and neither of them dared to have any disobedience, so they could only accept it silently with tears.

Seeing that the two of them began to honestly collect the sheets and quilts that every one replaced, Elaine sneered with satisfaction, then stood up and greeted the people around her, "Let's go, let's eat!"

The others quickly followed, surrounded her and walked out of the cell.

Along the way, no matter who she meets, no matter what the identity, age, or skin color of the other party,

They will almost always greet Elaine respectfully saying "Hello Sister Elaine."

This feeling of responding to all kinds of calls made Elaine extremely satisfied and extremely inflated, and the whole person was a little flirtatious.

When they came to the restaurant, the people who were queuing for dinner immediately consciously moved away from left and right.

The woman who was originally in the first line immediately said respectfully, "Sister Elaine, please you first!"

Elaine hummed and took a step.

Walking up, looking at one of the staff members, she asked, "Is the tomato and egg marinade I wanted ready?"

The staff immediately nodded and said, "Sister Elaine, it is ready."

With that, she took out a heat preservation box from under the dining table which was filled with scrambled eggs with tomatoes made in Chinese cuisine.

Elaine nodded with satisfaction. This is what she specifically asked the prison guards to arrange for her.

Eating the meals provided by the prison every day really makes her feel a little bored.

In addition, they eat too much meat, sugar, and oil.

So much that she now misses the light and simple food of tomato and egg noodles.

Elaine winked at another prisoner beside her, and the other party immediately understood, and hurried forward to take the insulation box, and then asked, "Sister Elaine, what do you want to eat?"

Elaine said lightly, "Just prepare a bit of everything and bring it over."

"Okay!" The prisoner nodded respectfully, and then, together with another prisoner, put all kinds of food on the plate, and followed Elaine to Elaine's royal palace dining table.

This dining table is by the window, with the best and most comfortable view.

Ever since Elaine became the ghost at Bedford Hills Correctional Institution, she has made a rule that she can only use this table in the future.

Originally, almost every day there would be quarrels and even conflicts between prisoners for this table, but since she became the boss here, everyone will consciously stay away from this table to avoid angering her.

After all, Elaine not only has three extremely capable sidekicks, but more importantly, from the prison guards to the warden, they must give her face. It can be said that she is all in all here.

She came to her favorite table and sat down.

Chapter 4888

The attendants on both sides hurriedly put the plates and lunch boxes in front of her.

A staff member also quickly brought a glass of iced Coke and said respectfully, "Sister Elaine, this is sugar-free cola, you can drink it with confidence without worrying about blood sugar."

Elaine hummed with satisfaction, took a sip of the cola, and immediately felt a refreshing comfort in this hot summer.

She couldn't help but sigh in her heart, "This person is also strange, I never want to drink Coke when I see it outside, but here, drinking a sip of iced Coke can be so satisfying."

Thinking happily, the previous prison guard was in a hurry.

Running to her dining table, she said with joy, "Sister Elaine, Sister Elaine! There is good news, Sister Elaine!"

Seeing her excited face, Elaine suddenly thumped, and couldn't help but blurted out and asked, "What good news made you so excited."

The prison guard hurriedly explained, "Sister Elaine, your lawyer is here!"

"My lawyer?!" Elaine's expression instantly froze, and she exclaimed, "Is that James White? What is he doing here?!"

The prison guard said excitedly, "He came to meet you, saying that there is great news to convey to you."

Elaine was stunned, frowned and said, "Could it be... Did he clear my suspicions?!"

The prison guard said without hesitation, "It should be! Otherwise how can it be called good news?! Sister Elaine, congratulations to you. You will be able to clear your suspicions and regain your freedom soon!"

Elaine's expression was a bit depressed, and she thought to herself, "But I don't want to recover my freedom now... If I recover now that I am free, how can I be the ghost in Bedford Hills?"

The prison guard saw that Elaine was a little lost, and couldn't help reminding, "Sister Elaine, the lawyer is waiting in the interview room now, do you want to go now?"

After speaking, she hurriedly said, "Sister Elaine, why don't you eat first, it's the same thing before you go after you've eaten enough. Just let the lawyer wait in the meeting room for a while."

Elaine felt a little bit in her heart. Unsteady, what is going on, she has to see James White before she can eat now.

So, she stood up and said, "Take me to see him first, otherwise I really can't eat!"

With that, she followed the prison guard to the interview room of the correctional institution.

At this point, New York's most famous criminal lawyer, James White, was already waiting here.

Seeing Elaine come in, he immediately stood up and said with great respect, "Hello, Ms. Wilson, we met again."

Elaine nodded absently, and then asked him, "What did you come to see me for? Is something wrong?"

James said with a smile, "Ms. Wilson, I came here to tell you good news. The woman who handed you the contraband at the airport has finally been brought to justice!"

"What?!" Elaine blurted out and asked, "Are you talking about Pauline?"

James explained, "That woman's real name is not Pauline, her name is..."

Elaine put it down impatiently and waved her hand, interrupted him, and said, "I don't care what her name is, I just want to know what the state of the matter is now."

James thought that Elaine couldn't wait to go out, so he looked excited.

"According to my informant in the NYPD, the woman has confessed to the police what she did, and the police can now basically confirm that you are innocent. But the police still need to go further with some legal process, and when it's over, you'll be issued a certificate that you really didn't know anything about it. Then a document will be sent to Bedford Hills Correctional Institution, and then you'll be free ."

When Elaine heard this, she quickly asked, "Then when will they let me out?"

James looked at the time and replied, "I'm afraid it's a bit late today, but tomorrow will be fine!"

"Ah?!" Elaine blurted out with a look of disappointment, "Then what... can't we let them slow down for a few more days?"

Chapter 4889

Elaine's words made James stunned on the spot.

He subconsciously asked, "Ms. Wilson, what do you mean by a few days' delay?"

Elaine said angrily, "A few days later is the literal meaning. Just let them be a few days later, don't be so anxious!"

James' whole person was instantly embarrassed.

He really couldn't understand why Elaine made such a strange request.

Confused, he couldn't help but ask, "Ms. Wilson, I'm a little confused. Don't you want me to get you out of here as soon as possible? Why don't you want to go out now?"

Elaine said seriously, "To tell you the truth, I have fallen in love with this place. The people here are very friendly, and I have made a lot of friends here. I'm not an American, and I'll be returning to China in a while."

In fact, Elaine has no real friends here at all, and some are just flatterers from all over the world.

These people are respectful and flattering to her every day, and even make her feel like a queen.

It is not easy for ordinary people to experience this kind of feeling.

After all, the free world has always been a place where there are people outside the world, and it is difficult to find the feeling of being self-reliant.

But in a small environment like a prison, it is relatively easy to implement.

So Elaine also knew very well that if she left Bedford Hills Correctional Institution, she would never be able to find this kind of self-serving experience.

James was also a little confused at this time. He really couldn't figure out why Elaine fell in love with this ghost place.

So, he said embarrassedly, "Ms. Wilson, this matter is not up to you and me now. In this matter, it all depends on the efficiency of the police. If they are efficient enough, you will be released soon. Of course, if their efficiency is slow enough, maybe you can stay here for a few more days."

Elaine suddenly thought of something, and quickly said to him, "By the way, aren't you invited by my son-in-law's client? Then can you ask my son-in-law's client to help me clear the way with the police so that they don't let me out for the time being. Wait another 10 days or so, and let me out in another ten days!"

Since the case is almost closed, Elaine's situation is equivalent to taking a reassurance pill.

Although she had been very comfortable here before, she was somewhat worried, what if she couldn't get out by herself?

Prison life is fun, and it's fun to be the ghost of Bedford Hills, but it's all based on experiencing life.

If she really can't get out, so that this kind of life becomes normal, then she can't stand it.

But now she can be completely relieved, Pauline has surrendered, and her grievances have been washed away, so she can leave whenever she wants.

That being the case, she would prefer to stay at ease for a few more days.

James was a little embarrassed at this time, but he had a goal of not disappointing customers, so he immediately agreed and said, "Ms. Wilson, don't worry, I will help you with this matter!"

Elaine breathed a sigh of relief and said, "Then don't forget, I'm waiting for your good news."

...

The first thing James did after he left Bedford Hill Correctional Institution, was take out his mobile phone and called Ferdie, the old man of the Joules family.

On the phone, he reported Elaine's strange performance to Ferdie one by one, and Ferdie hurriedly conveyed Elaine's demands to Charlie word for word.

When Charlie was on the phone and heard Mr. Joules relate that Elaine didn't want to leave the prison for the time being, he himself felt dumbfounded.

He really didn't expect that his mother-in-law would be addicted to squatting in prison.

It seemed that she had a really good life at the Institution.

At this time, Ferdie on the other end of the phone said respectfully, "Mr. Wade, it's not too difficult to keep your mother-in-law in the Correctional Institution, I can call friends from the judicial department to say hello."

Chapter 4890

Charlie said without thinking at this time, "Forget it, don't bother, let's arrange for her to get out of prison tomorrow."

In fact, Charlie didn't want to let Elaine out so early.

After all, he doesn't really look forward to seeing her face every day. However, he also has to consider the feelings of his wife.

He has been away from Providence for some time. During this time, his wife goes to school and lives alone, and she has to worry about Elaine in prison.

Life is a bit torturous for her.

Although she was 100% sure that he could bring Elaine out at any time, in her view, even if she was more sure of what he said, she would still feel insecure.

After all, from her point of view, her mother was framed this time and stabbed out a big basket, and she might be sentenced to life imprisonment for the slightest carelessness.

So she could not reassure herself completely before her mother was released from prison.

Charlie didn't want Claire to continue to worry, so he planned to let Elaine come out tomorrow, and then take her to Providence, so that Claire could feel at ease as soon as possible.

Right now, at Bedford Hills Correctional Facility...

Since Elaine met James White, her mood has become uneasy.

When she returned to the restaurant, she lost her appetite even for the tomato and egg braised noodles.

When a group of people saw that she was in a state of dismay, they hurriedly asked, "Sister Elaine, what's wrong with you? Did something happen?"

Elaine shook her head dejectedly and said, "It's nothing, you don't have to worry about it."

Elaine didn't want to tell them that she might be leaving soon.

In that case, it is estimated that many of them will celebrate with the crown.

Even inmates in other cells will celebrate the departure.

Therefore, Elaine decided not to say a word, and let every second she stayed in the Bedford Hills Correctional Institution be fearful.

However, in order to ensure that she could stay in prison for a few more days, she used the public phone in the playground to call Charlie when she was out for fresh air.

After Charlie connected, Elaine hurriedly said on the other end of the phone, "Good son-in-law, it's Mom!"

Charlie said politely, "Mom, how are you doing these two days?"

Elaine said repeatedly, "All fine. Good, very good, I called you just to tell you don't worry about Mom, I am okay inside."

Charlie snorted and said, "That's good, by the way, Mom, I heard about the suspect who lied to you. The person has been caught, I believe you will be out soon."

Elaine hurriedly said, "Good son-in-law, I am calling to talk about this matter. Can you help Mom tell your client and let them find a relationship? Don't let me come out so early, I don't want to come out now..."

Charlie pretended to be curious and asked, "Mom, what's wrong with you? It's hard to get a chance to regain your freedom. Now, why don't you want to come out?"

Elaine said hesitantly, "That... the thing is that mom made some friends here, and I'm quite speculative with these people. I want to talk to them every day. So I want to stay for a few more days! Charlie, I don't care! You must help Mom find a way!"

Charlie said vaguely, "Okay, then I'll give it a try, but I'm not sure it will work."

Elaine reminded, "It must be done! If you can't help your mother, she will give the prison guard a big mouth immediately so that they could lock me up again!"

Charlie smiled helplessly, "Okay. Okay, I'll help you think of a way to make you satisfied. It's almost the same!"

Elaine hung up the phone contentedly after receiving Charlie's promise.

However, Charlie didn't have any idea of helping Elaine get her wish.

He directly sent a voice message to Wesley, which read, "Wesley, all the people you arranged for the Bedford Hills Correctional Institution can be evacuated, and find a way to let them complete their evacuation tomorrow at noon."

Wesley immediately replied with a message, "Okay, Mr. Wade, your subordinate will make arrangements!"

Chapter 4891

Charlie knew Elaine very well and every move of her in prison He is very aware of her acting style and thinking logic.

Now that she has fallen in love with Bedford Hills Correctional Institution, and liked the feeling of being intimidating there and being a ghost, Then if she doesn't take his request seriously, she should let her be.

She will be released from prison tomorrow, so she should definitely be unwilling.

In this way, whenever she thinks about her wonderful life there, she will definitely criticize him later.

So the best way is to let herself decide to leave that place.

Don't look at how happy she is now, but it's not difficult for her to decide to leave by herself, as long as the three female soldiers are evacuated, she will definitely change immediately, like crazy, and want to come out quickly.

Elaine doesn't know what kind of routine her good son-in-law has prepared to deal with her.

In order to ensure that Charlie could keep her in Bedford Hill Correctional Institution, after dinner, she was going to call him again to inquire about the progress of the matter.

On the playground, the Chinese prison guard saw Elaine and said very politely, "Sister Elaine, what are you doing in such a hurry?"

Elaine said worriedly, "Oh, the lawyer was here at noon today. He told me that my case has been settled and that I will be released tomorrow."

"Really?!" The prison guard said in surprise, "Congratulations to you, Sister Elaine, you will be free soon."

Elaine waved his hand, "To tell the truth, I don't want to go out yet, so I'm going to call my son-in-law and ask him to say hello to the boss of the New York police system and let me stay here longer. a few more days."

The prison guard asked in surprise, "Sister Elaine, why are you doing this? Everyone here wants to go out early, why do you want to stay for a few more days?"

"This kind of opportunity to experience life, I also want to know more about, feel more about life in American prisons, and introduce myself to my friends when I go back in the future."

Although the prison guard didn't understand, she still said with a very polite smile, "Sister Elaine, I think you are here to experience the hardships of the American people..."

As she spoke, she suddenly remembered something and said quickly, "Publishing books is very popular here, not only by simple writers, but also by some writers with special experience also like to publish books. Shouldn't you be accumulating materials for your own writing, right?"

Elaine's eyes lit up, and she said, "Oh, this is a good reason, this..."

Thinking of it, she hurriedly said to the prison guard, "I won't tell you first, I'll go and call my son-in-law!"

On the phone, she asked him, "Good son-in-law, how is the work that Mom asked you to do?"

She thought of the flash of inspiration just now, and said to him, "By the way, good son-in-law, Mom wants to stay here for a few more days. Not just for fun and making friends, but Mom also wants to go back and be able to write a book or something, such as "The Days I Was in Prison in the United States", to expose the darkness in American prisons, maybe it will be a hit!"

Chapter 4892

Charlie was stunned. Elaine wants to write a book? To reveal the darkness in American prisons? Seems like she's the darkest one at Bedford Hill Correctional Facility right now?

However, he didn't say anything, just smiled slightly, and said in a very determined tone, "Mom, don't worry, I have already greeted my client and he said that he will definitely help you clear the relationship so that if you don't want to, the New York police won't let you out so soon."

"Okay!" Elaine burst into a smile when she heard this.

For her now, the flowery world outside is still a little unremarkable and she feels more satisfied with the dominance of Bedford Hills Correctional Institution.

So, she said happily, "It's still my good son-in-law who has the ability! It's amazing to be able to find a relationship in New York!"

Charlie laughed and said casually, "It's a coincidence, there just happens to be a client. Otherwise, I couldn't help you much here."

Elaine said with a smile, "Oh, okay, it's good to be able to help! Good son-in-law, then mom won't keep you busy. You help mom say hello to Claire and tell her not to worry, and also, you don't have to wait in New York all the time, go back to accompany her first, and Mom will come out in ten days and a half."

"Okay." Charlie opened his mouth and said, "I'll tell Claire in a while, so you don't have to worry about it."

After hanging up the phone, Elaine was overjoyed.

She happily hung up the phone, and when she turned her head, she bumped into a woman's back. The woman turned her back in anger but when she saw Elaine, she immediately bowed respectfully and said "Sister Elaine!"

Seeing her shivering nervously, Elaine couldn't help sneering, and said casually, "I am in a good mood now, so I am letting you go this time."

After speaking, she turned her face and walked away swaggeringly.

On the playground, everyone who saw her still respectfully greeted her, which made her mood even better.

But she still doesn't know that all this is about to usher in a drastic change tomorrow!

...

The next day.

The first thing Elaine did after getting up was to vent on Tessa and Jessica.

Seeing that the two of them were still sleeping on the bed,

She immediately went to the bathroom to bring out a basin of cold water,

And poured half of the water on Tessa's body.

She poured the remaining half of the basin onto Jessica, who was curled up on the other bed.

Jessica also screamed in fright, and then jumped up from the bed. Seeing Elaine standing in front of her with an empty basin, the two wet people dared to be angry but did not dare to speak.

Elaine looked at Tessa and asked coldly, "What do you think I'm doing? Why don't you get up and work!"

Tessa cried and said, "We did laundry until the early hours of the morning and we just fell asleep three or four hours ago. Can you still let us sleep for an hour?"

Elaine said contemptuously, "It's already cheap for you to sleep for three or four hours! Get up quickly and wipe the floor for me, if there is dust on my feet, look if I won't kill you!"

Elaine has a deep hatred for Tessa.

In her opinion, even her mother-in-law was not as pure evil as Tessa.

Chapter 4893

In addition, Elaine herself is a character that must be punished.

Now that she has become the boss here, she will naturally retaliate on Tessa.

Tessa dared to be angry but didn't dare to speak, so she could only get up quickly, and with Jessica, went to the bathroom to change into clean clothes, so she began to kneel on the ground and wiped the floor with all her might.

After everyone moved freely in the cell for a while, the prison guards came over and began to roll the call.

After the name was called, the prison guard suddenly said, "Evelin, Shaniya, Anika. You three come back after dinner to prepare, and pack your personal belongings and you can go through the formalities for getting out of prison before noon today."

As soon as this came out, Elaine's expression suddenly became extremely horrified.

The three names that the prison guard called were the three female soldiers of the Dragon Temple who were Elaine's biggest supporters at this Institution!

It is precisely because of the unparalleled combat effectiveness of these three people that no one dared to provoke Elaine here.

As for those former prison bosses, who had tried to challenge Elaine's authority, they were all taught a good lesson by these three.

Later, all those who were unconvinced were beaten and feared, and Elaine became a well-deserved Bedford Hill ghost.

However, she never thought that the three big backers who supported her to become the Bedford Hill ghosts would suddenly be released from prison!

Nervous, she immediately asked, "What's the matter?! They...they are going out now?"

The prison guard smiled, nodded, and said, "The defendant in their case has been withdrawn, and it can be done today. They will be free again."

As she said that, she looked at Elaine and said with a smile, "By the way, Sister Elaine, I asked the kitchen to prepare soy milk fritters for you. You can try it later."

Elaine stayed on the spot. What soy milk fritters, she is so scared that her face is blue and white now.

The three female soldiers were also a little surprised.

Because the order they received before was to protect Elaine at the Bedford Hill Correctional Institution. Therefore, in their opinion, only when Elaine is released from prison first will it be their turn. But they never imagined that they would be released from prison in front of Elaine.

The three of them are also very clear that they have helped her during this time and established absolute prestige in the Bedford Hill Correctional Institution,

But at the same time, they have also made countless enemies.

Because the three of them were by Elaine's side 24 hours a day, those who were beaten naturally did not dare to make trouble.

However, if the three of them are released from prison first and only Elaine is left, then will she not be beaten to death by these vengeful people?

No one else will say it, just Tessa, who is in the same cell, will probably kill Elaine!

Elaine was also trembling with fright at the moment.

She never dreamed that the transition from heaven to hell would come so quickly!

When Tessa, who was kneeling on the ground and mopping the floor, heard this, she immediately cheered up.

She knew very well that Elaine's protective umbrella here mainly came from two aspects, and the first to bear the brunt were these three women who were particularly capable of hitting.

The second is the special care that the prison guards gave her. And what really troubled Tessa was the three women living in the same cell.

Tessa hated Elaine for a long time. When she heard that the three women are going to be released from prison, the first thing that came to her mind was to wait for the three women to leave, and after everyone had finished she will beat Elaine to death.

Chapter 4894

As for what would happen after Elaine tells the prison guards, Tessa had completely ignored it at this time.

During this period of time, she was tortured by Elaine in an inhuman form, and she just wanted to work hard for her.

The reason why she has been restrained is that she knew that with these three women, it is useless to try her best. But after waiting for the three women to leave, the desperate opportunity came!

At this time, Elaine was in a panic and fear filled her heart, and she also gave Tessa a look. When she saw that Tessa was secretly aiming at her with extremely vicious eyes, Elaine only felt a chill in her back.

At this time, she could not wait to slap herself a hundred times on her big mouth.

She pondered nervously in her heart, "Isn't this the worst luck? If I knew that the three of them would be released today, yesterday I would ask Charlie to hurry up and get me out of prison today! It's good now... Charlie has already greeted his friends and helped me to stay here for a few more days, then when the three of them leave, am I going to die here?"

At this time, the three female warriors of the Dragon Temple were also a little worried.

Among them, Evelin, the leader, couldn't help but said to Elaine, "Sister Elaine, we are leaving, you must take care of yourself!"

Elaine was about to cry, and she held Evelin's hand tremblingly, cried, and said, "Evelin, Evelin, you can't leave me here, Evelin! If you leave like this, what will I do, Evelin... Tessa and Jessica, these two can't wait to strip me alive! There are others in other cells... They must all want to kill me..."

Evelin helplessly said, "Sister Elaine, I... I don't know how I can go out so soon, I thought I had to go out later than you... When we leave, You must take good care of yourself or you should hurry up and find a way to get out as soon as possible..."

Elaine choked and said, "It's too late to say anything... Even if I want to go out, I have to call my son-in-law first and ask my son-in-law to quickly think of a way, but you all leave before noon today. Even if my son-in-law can get me out in the afternoon, I'm afraid I won't survive the period from noon to the afternoon..."

After speaking, she looked at Evelin and said expectantly, "Evelin Why don't you hurry up and do something! Go out and hit a prison guard or beat a few prisoners in front of the guard, so you can be locked up again?"

Evelin was stunned, then shook her head and said, "Sister Elaine... The judicial system doesn't work that way. Even if I beat the prison guards here, it wouldn't just keep me in jail, they would definitely notify the police first. I get caught, and then the police will charge me to the court, and then the court would sentence me, from there I would be sent back here. Then when I come in, it is estimated that it will be two days later..."

"Ah?!" Elaine was as anxious as an ant on a hot pan and kept spinning in circles. She cried and muttered, "It's finished, it's finished, this time I'm really finished!"

Speaking, she suddenly came back to her senses and said nervously, "No, I have to hurry up and call my good son-in-law and let him quickly find a way to save me..."

Evelin comforted her and said, "Sister Elaine, don't worry first if you want to make a phone call, you have to wait for lunch time, or go to a meal first!"

Elaine said in a panic, "I have the heart to die now, how can I still be in the mood to eat..."

After she finished speaking, she mumbled to herself with tears in her eyes, "My good son-in-law, it's up to you whether Mom can get out alive... You can and you must find a way to save your mother..."

Chapter 4895

When Elaine was in a state of despair, while she was absent-mindedly grabbing breakfast in the restaurant,

The news that the three powerful inmates were about to be released from prison, Had already spread throughout the Bedford Hills Correctional Institution.

Everyone knew that the reason why Elaine was able to make a kingdom here was mainly, Because she had three women who were powerful enough to be perverted.

Now, these three women are suddenly going to be released from prison,

This means that Elaine will completely lose her asylum!

As a result, many people who were suppressed, humiliated by Elaine,

And even cleaned up by the three females, began to ignite the flame of revenge in their hearts.

Everyone was looking forward to repairing Elaine after the three people leave,

To see if she was still the so-called Bedford Mountain ghost.

Because of this, throughout breakfast time,

Elaine could always feel the eyes and threats from all directions.

The flustered Elaine, after breakfast, went to the playground to grab a public phone as soon as possible,

Got the phone, and called Charlie immediately.

After receiving Elaine's call, Charlie didn't find it strange at all,

And asked with a smile, "Mom, why did you call me so early?"

"I have already done everything you asked me to do yesterday,"

"And it is expected that the New York police will be there after a week,"

You will regain your freedom. During this time, you can have a good time in there with your new friends,"

“And by the way, you can also accumulate some materials for the book you want to write.”

Elaine suppressed the fear in her heart and blurted out:

“Good son-in-law, about that...you better let them release me quickly, I don't want to stay here...”

Charlie pretended to be surprised and asked, “Mom, why did you suddenly think about it again?”

“I just said hello to them, I'm afraid it won't change anymore...”

When Elaine heard this, she was even more frightened,

And even her voice was a little nervous and pleaded:

“Good son-in-law, please help me to find a way to get my mother out as soon as possible,”

“It is best to let your mother get out of here before noon today.”

“I really don't want to stay here for a minute!”

Charlie inexplicably asked: “Mom, what's wrong with you?”

“Actually, I think your motivation for writing a book yesterday was really great.”

“When your book is finished and published in China at that time,”

“We will also be able to let people see the unknown side of the United States, and maybe even win an award!”

Elaine saw that Charlie actually believed her nonsense remarks and it made her feel extremely annoyed,

But she didn't dare to let him know the truth, so she could only bite the bullet and say;

“You also know about Mom's situation, how can someone like me be able to write books?”

“Ah! If it's not well written, wouldn't it make people laugh...”

After speaking, she couldn't wait to ask: “Good son-in-law,”

“Can you get Mom out today? I can't stay any longer! Please help Mom!”

Charlie pretended to be surprised and asked,

“Mom, what happened to you? Did you get bullied inside?”

Elaine wanted to follow Charlie’s words, tell him that she was indeed bullied in prison,

She believes this will make Charlie pay attention and get her out quickly.

But after thinking about it, in the future, she still wants to rely on the stalks of the Bedford Mountain Ghost to brag to others.

If she now admits that she was bullied in prison,

How can she tell others vividly about her time in the future?

The legendary experience of the Bradford Hill Correctional Institution?

Thinking of this, she could only quickly explain: “Mom mainly misses you,”

“And I dreamed of Claire last night, so I thought that I would call you when I had a meal early this morning.”

“It’s better to go out early, go out early and see Claire sooner...”

Chapter 4896

Charlie thought for a moment, and said with some embarrassment:

“Mom, I will definitely help you with this matter, but I don’t know if it can be done.”

“Sure, if you can’t come out today, you will work hard and persevere,”

“And I will try my best to let you come out tomorrow or the day after.”

Elaine said nervously: “Good son-in-law, can you be in a hurry, not tomorrow or the day after tomorrow!”

“Think of a way to see how I can go out today...”

Charlie snorted and said, “I call my friends and wait for my news first.”

Elaine hurriedly said: “Good son-in-law,”

“Then I will call you at noon! You must help Mom find a relationship!”

“Okay.” Charlie deliberately trying to make her nervous, he reminded her:

“Mom, I’m still saying that, you just told me yesterday that you don’t want to come out for the time being,”

“But now you suddenly are telling me that you want to come out today,”

“I really don’t know about it. Can’t give a 100% guarantee.”

Elaine was extremely annoyed at this time, but she also knew that her request was too sudden,

And it might be really difficult for Charlie to fish her out before noon,

After all, from now on there are only four hours left for lunch.

Thinking of the urgency of time, Elaine’s heart immediately became uneasy,

But now she can only tell Charlie: “Good son-in-law, you must do your best!”

After speaking, she thought to herself: “If he still does it at noon I’m not sure,”

“I’ll call him again during the lunch break, and then I won’t care about my face,”

“Crying and begging him to let him find a way to take me away...”

Hanging up the phone, she walked through the playground in a panic,

Looking for the three females. This time, no one of the other prisoners encountered by passing by called her Sister Elaine respectfully.

Everyone looked at her with a smile that was not a smile.

It’s because the three ladies haven’t been released from prison,

So everyone doesn’t dare to directly trouble Elaine.

At this time, Elaine came to the three and said worriedly:

“You haven’t left yet, the eyes of these people looking at me are not quite right, if you leave, what should I do?

“...”

Evelin, the leader of the three, quickly suggested to her:

“Sister Elaine, then you have to find a way to get out!”

“It’s difficult for the prison guards to guarantee your safety 100% here,”

“Not to mention that Chloe and Jessica are eyeing you.”

Elaine nodded again and again: “I’ve already called my son-in-law,”

“But I don’t know if he can get me out as soon as possible...”

After speaking, she asked Evelin: “Evelin, can you teach me?”

“A little self-defense, in case anyone troubles me, I at least have the ability to protect myself.”

Evelin said embarrassedly: “Sister Elaine, I can teach you,”

“But it is impossible for you to learn it in one day...and even if you learn it,”

“It’s hard for you to take advantage of Chloe and Jessica at your age.”

“Then what to do...” Elaine was extremely flustered, and then she suddenly thought of something,

And quickly said to Evelin: “Evelin, why don’t you do this!”

“Don’t you guys want to go back and start packing your personal belongings later?”

“Why don’t you take this opportunity and find an excuse?”

“I’ll give them an excuse to repair them!”

“It’s better to break their legs so that they can’t do anything to me!”

Evelin was stunned, if Elaine made this request yesterday,

She must do it immediately without saying a word, after all, this is the task given to her by the Supreme Commander.

However, things are different now.

Wesley had told them a long time ago that under normal circumstances,

They would protect Elaine at the Institution until she is released from prison, and they had to obey her.

But if they are released early, the signal would mean an emergency termination of the mission.

And once the mission is terminated urgently, they must no longer actively interfere with Elaine's situation!

So Evelin said embarrassedly: "I'm sorry, Sister Elaine,"

"Although we got along very well during this time, we are not your bodyguards,"

"Not to mention, we are finally going to be released."

"In this case, we cannot cause trouble, so from now on, you're on your own."

Chapter 4897

With Evelin's words, Elaine fell into a cold ice cellar.

She was not in the mood to bother her if her request was too much.

She only knew that Evelin, who had been covering her at the Institution, was no longer concerned with her life.

The uneasy Elaine sat alone on the bed,

Watching Evelin and the two pack their personal belongings, she panicked and was afraid.

Staying up until noon in anxiety, the prison guard came to the cell again.

After the roll call was over, she said to Evelin and the others,

"Have you three packed your things? Your lawyers have arrived."

"Now you can go through the formalities with me and prepare to be released from prison."

Evelin nodded. She opened her mouth and said,

"We've all packed up, and we can leave now."

"Okay." The prison guard said, "Come with me."

After that, she took Evelin and the two and started to leave.

At this time, Elaine hurriedly asked:

“Is there any news about me? When will you let me out?”

The prison guard asked in surprise, “Sister Elaine,”

“Don’t you have to wait a few more days to get out of prison?”

Elaine blurted out: “I’ve already called my son-in-law and asked him to get me out today,”

“Haven’t you received the news?”

The female prison guard shook her head and said, “I haven’t received any news yet.”

“Today it is only three of them getting released from prison in your cell, and no one else.”

Elaine immediately became nervous and blurted out,

“Stephene, please say hello to your warden and tell them my case has been overturned,”

“And the person who framed me has also been caught, can you release me earlier?”

“This...” The female prison guard said embarrassedly,

“Sister Elaine, it’s not up to us to let people go, it’s up to the police or the court,”

“Or you can go to the playground after the meal later. Call your son-in-law to ask?”

Elaine could only nod her head uneasily, and at the same time she made up her mind,

That when she goes out later for fresh air, she must call Charlie as soon as possible,

And let him rescue her, if it was really impossible,

At least she had to let the prison guards put her in the solitary cell,

Otherwise, she might really be beaten to death.

Afterward, the prison guards took away the three,

While the others began to line up at the restaurant.

The three had just left, and Chloe, who had been suppressed by Elaine recently,

Walked up to her, gritted her teeth, and whispered: "You are dead!"

Elaine said in a panic. : "Don't be too arrogant! My son-in-law is very powerful!"

Chloe sneered: "So what? Can he come in to protect you? If not, then I will kill you first!"

She said again: "Don't worry, everything you did to me,"

"I will get it back tenfold! I'd rather be locked up here for the rest of my life!"

Elaine's legs can not help but be a little weak.

And the former prison guard Jessica also stepped forward and said with hatred:

"Your son-in-law caused me to lose my job and go to prison, and you tortured me for so many days,"

"This afternoon. When you get to the cell, I'm going to break your legs,"

"And let you lick the floor clean with your mouth!"

Chloe looked at Jessica and said with a smile,

"Jessica, you can only break her one leg."

Jessica asked inexplicably: "Why?! I'm willing to break both her legs!"

Chapter 4898

Chloe sneered: "Because you want to leave the other leg for me!"

Jessica smiled and said, "I want to save one for you,"

"But I'm worried that when we go to the playground after lunch,"

"The people in the other cells will not be able to control themselves and beat her to death first!"

"Also..." Chloe looked at Elaine and sneered: "You still don't know if you can go back to the cell alive,"

"Those people who have been bullied by you in other cells,"

“I’m afraid they are all waiting now to teach you a lesson!”

When Elaine heard this, her whole body softened and she almost fell to the ground.

She can’t wait to find a place to hide immediately,

But she is queuing up to go to the restaurant. There is nowhere to escape except this way.

Even if she wants to go to the playground to call Charlie for help,

She has to wait until lunch is over, because only After lunch,

They, the prisoners and suspects, can enter the playground.

However, going to the playground also means great danger.

Because there are often violent incidents on the playground.

At Bedford Hills Correctional Institution, people in the same cell usually resolve disputes in the cell,

But people in different cells can only have the opportunity to do it when they are in the playground.

The reason why Elaine was able to become the ghost of Bedford Mountain was because,

When she used to let out the air almost every day,

She would ask Evelin and the others to teach the people in other cells a lesson,

Naturally, she became the eldest sister of the entire Bedford Hills Correctional Institution.

However, this also means that she has made countless enemies here.

Now that she has lost her shelter, she might be beaten to death when she is released later.

Elaine’s heart was already extremely desperate, for fear that she would have to explain it here today.

Following the line to the restaurant, all the prisoners in the restaurant knew that Elaine had lost his backing.

For a time, many people looked at her with hostility in their eyes,

And many people even wished they would rush up to beat her right now.

And those who usually follow her in front of and behind the horse have kept a distance from her at this time.

They used to come to the restaurant to eat, and there were people who especially served her plates,

But now there is not even a person who dares to sit with her. All are gone.

Many people are watching her, wanting to confirm whether she still has a backer,

And Elaine also knows that it is extremely important for her to find a group to join in.

If anyone is willing to help at this time, take them in, maybe she can have more security.

Elaine held the dinner plate, looked around for a long time,

And saw a few Chinese compatriots who had been very flattering to her before.

These compatriots originally lived in the cell next to hers.

Elaine and they had nothing to do with each other, but after Elaine became a ghost in Bedford Hills,

One day, when they were out in the air, they found her and said tearfully that there was a woman in their cell.

She as the head of the cell always bullied them, hoping that Elaine could help out,

So that the other party would stop bullying them.

In order to let Elaine take action, when they begged her for help,

They even knelt in a row in front of her.

Elaine was at the stage of extreme expansion at the time.

Seeing that the other party was so respectful to her,

And another compatriot was being bullied, and she immediately agreed.

She directly asked Evelin and beat the cell leader so hard that the cell leader was still lying in the infirmary.

And these few Chinese compatriots, because of Elaine's protection,

Turned over and became the new boss in their cell.

After that, these people would gather around Elaine to greet her every day,

When they were eating and venturing out. It was so respectful.

Therefore, at the moment, she thought to herself, since she owes this other party a big favor,

They have to lend a helping hand and help her at this time,

And at least they have to protect her from being beaten when she is out for fresh air.

So, she took the dinner plate and walked towards these people.

However, when she just arrived in front of the other party and was about to sit on an empty seat next to them,

One of them immediately put her leg on the empty seat and said indifferently, "There is someone here!"

Chapter 4899

Elaine subconsciously said: "Monica, isn't this free?"

After speaking, she quickly said to the woman:

"Monica, for the sake of sister who helped you before,"

"I beg you to help me this time, as long as You can protect your sister,"

"And let me go to the playground to call my son-in-law later!"

The woman called Monica hummed and stood up suddenly,

Elaine thought that the other party got up to let her sit Next,

She was about to open her mouth to thank her,

But she didn't expect that the other party suddenly grabbed the plate in her hand,

And directly took the plate with the meal, and threw it into the trash can next to her!

Just when Elaine looked surprised and wanted to ask the other party why she did this,

Monica said coldly: "Elaine, I have long disliked you because there are a few who can fight."

"You, you don't look like a goddamn float, and you still act like my mother,"

"Who the hell are you to get me as far as you want!"

Elaine never dreamed that the person who used to wag her tail in front of her and begged for pity,

And then followed her with respect and sadness, will now turn into this face.

She couldn't get over her anger and blurted out,

"Monica, you can't be so unconscionable,"

"How did I do when you guys knelt in front of me and cried and begged me to help you get ahead?"

"Now I need your help. Do you still have a conscience?"

The woman called Monica gave Elaine an ugly look, and said coldly,

"Don't give me your face, right? No more. Don't blame me for being rude to you!"

Elaine was very indignant and couldn't help but grit her teeth:

"You have to be rude to me, I have helped you so much, do you still want to hit me?!"

An angry rebuke attracted the attention of many people in the prison.

Many people know that these few Chinese female prisoners have been with Elaine all the time,

So many people who want to do something for Elaine are also observing the performance of these women,

To see if they will be able to do it.

Monica also saw that everyone around her was paying attention to them.

She didn't want these people to mistakenly think that she would help Elaine to get ahead,

So her face darkened, she slapped Elaine in the face with a flick of her hand, and scolded loudly:

“Dmn, you’re so shameless! Get out of here! No more of this nonsense!”

Elaine never dreamed that this woman who used to cry in front of her and begged for help...

Would raise her hand and slap her when she needed help the most.

She covered her face, tears were already swirling in her eyes, she choked and asked:

“Monica, even if I didn’t help you before, you should at least give me a hand for the sake of my compatriots?”

“Even if you don’t Give me a hand, there’s no need to get into trouble at this time, right?!”

Monica said impatiently: “Who the hell is your compatriot, I have an American passport!”

“Unlike you, you don’t even have a fcuking green card. You still have a tourist visa!”

“You...” Elaine only felt that the whole person’s heart was cold to the extreme.

She really did not expect that the people she helped would become so vicious!

Desperate and collapsed, Elaine’s tears flowed uncontrollably like a broken thread.

She thought that she was heartless enough, but she didn’t expect to encounter a more shameless existence than herself.

At this moment, she realized how ridiculous she was before.

And those who were respectful to her before did not really fear or respect her at all.

In the end, she is the real joke.

When Monica saw Elaine burst into tears in front of her,

She couldn’t help but said fiercely: “If you want to cry, get out and cry,”

“Don’t fcuking cry in front of me, otherwise don’t say those people are going to kill you,”

“I don’t care. It will make me feel better!”

Elaine felt resentment in her heart, but she could only turn around silently,

And hid in a corner of the restaurant alone.

At this time, a Chinese woman who was a few years younger than her took the initiative to sit in front of her,

Chapter 4900

And at the same time handed a fried chicken leg in front of her, and said,

“In this kind of place, no one can believe it, especially when you go out.”

“You have to be more vigilant when you are outside.”

Elaine said aggrievedly: “I really didn’t expect these people to be so shameless.”

The woman smiled and said lightly: “What is this... This is nothing, your stay here has been too short,”

“If you stay longer, you can encounter anything.”

After speaking, she asked Elaine, “Do you know how I got in?”

Elaine shook her head, blankly. Ask: “How did you get in?”

The woman laughed and said, “Because of selling hairy crabs...”

Elaine asked inexplicably, “How can you sell hairy crabs and get to prison?”

The woman shook her head and said, “You don’t know that hairy crabs are an invasive species,”

“In this part of the United States. Selling hairy crabs here is essentially illegal.”

Elaine asked in surprise: “You still sell and you break the law?”

The woman smiled bitterly: “In the past, everyone sold it secretly,”

“And all of them were sold to the Chinese. You know, we Chinese love to eat hairy crabs,”

“Especially when people in the United States miss the bite of their hometown,”

“So we find some channels to import a batch of crabs. Coming here, on the one hand,”

“You can make some money, and on the other hand, you can help your compatriots get back the feeling of hometown,”

“And this kind of business is carried out in private, only in the Chinese circle, and it has always been safe... .”

Elaine hurriedly asked: “Since it’s been safe all the time, why is there still an accident?”

The woman sighed: “I bought a batch of hairy crabs some time ago.”

“Because the quality was good and the price was not too expensive, they sold very well and quickly,”

“A Chinese man heard about it and drove a long distance to buy it,”

“But it was sold out by the time he came.”

“He was so angry that he called the police, and the police immediately arrested me.

Elaine was stunned and blurted out: “How can such a thing happen?!”

“Yeah.” The woman laughed at herself and said, “So like I told you just now,”

“You must always be vigilant, don’t trust anyone.”

After speaking, she lowered her voice and said seriously: “When you helped them in their earlier,”

“I wanted to find an opportunity to remind you, but I haven’t spoken to you.”

“Individuals are not bullied like they told you. In fact, they have always wanted to compete with that woman for the position of the cell boss,”

“But because the number of people was a little different, and the methods are not as ruthless,”

“They are always being bullied. The other party suppressed them and never got their wish.”

“Later, when they saw that they couldn’t beat the other party,”

“They ran to ask you for help. You directly let that woman be maimed, and they became the boss.”

Elaine heard this. She trembled, gritted her teeth, and said:

“Dmn, these people are so good at acting! They knelt in front of me and cried,”

“And said that that woman has been bullying them and didn’t even treat them as human beings,”

“I thought they were really bullied, I thought they were pitiful to help them...”

The woman on the opposite side smiled slightly and said,

“There are basically not many poor people who can come here,”

“And most of them deserve what they deserve! You should take it as a lesson,”

“And you must polish your eyes up when looking at people in the future.”

Elaine was angry and regretful in her heart, but now she knew that regret had no meaning,

So she asked the woman, “Why did you tell me this?”

The woman said lightly, “I think you are not bad. Just a little crazy,”

“But at least there is a little conscience, otherwise it is impossible to help them for no reason, so I thought of reminding you.”

Elaine suddenly felt ashamed, and couldn’t help but choked:

“I should have known them earlier. So shameless, even they die in front of me, I won’t reach out!”

Saying that she lamented: “I knew it would be like this,”

“I shouldn’t have been so high profile.”

“I don’t know how many people want to kill me, I’m really afraid I won’t survive today...”
