

Chapter 4141

Jack Li was immediately revived, and quickly looked at him and asked,

“What Japanese?”

Barton did not dare to delay and hurriedly said,

“I was recruited by the hotel as a temporary worker, and I came in with the same group of temporary workers,”

“A total of a dozen people, there were several Japanese, but these photos are not of them!”

Jack Li asked, “What do those Japanese people you said look like? What are their characteristics?”

Barton pondered for a moment and said,

“Look, it is the ordinary people’s face, as for the characteristics,”

“It is the feeling that their expressions are more serious, they did not smile,”

“And they never spoke, only talked with eye contact, sneaky, and from looks did not seem like good people.”

Jack Li was surprised and asked, “They didn’t talk, how do you know they were Japanese?”

Barton said, “On the way here, I inadvertently saw the screen of the cell phone from one of them,”

“And his phone was in Japanese.”

Jack Li asked again, “Did you have any encounters after you arrive at the hotel?”

“No.” Barton replied, “After we arrived at the hotel, we were assigned to help in the back kitchen at that time.”

“But immediately after that several of them were assigned different jobs,”

“And then they left the back kitchen altogether.”

Jack Li continued to ask: “Then I ask you, who is the person who recruited you in?”

“And who was the one who assigned you jobs? Especially who was the one who assigned work to those Japanese people?”

Barton said, “The one who recruited us is Manager Chen, but I don’t know what his full name is,”

“But he assigned us to the back kitchen, and he also assigned other jobs to the Japanese in the middle.”

Jack Li took out the hotel’s staff book, found the page of Rudolph brown, handed it to Barton, and asked, “Is it him?”

Barton took a glance at the photo on the staff book and immediately concluded, “Yes, it’s him!”

Jack Li nodded with satisfaction, in his opinion, the breakthrough point had been found.

Then, he said to Barton, “You’ve done a good job.”

Saying that he also took out his money clip from his pocket,

Took out 500 US dollars in cash from it and handed it to Barton, saying,

“Take this money first, and if there are any problems that need consultation, I will look for you again.”

Barton was flattered to take the cash and subconsciously asked,

“Inspector Li I don’t need to go to the police station anymore, right?”

Jack Li knew what Barton was worried about, nodded, and said,

“Don’t worry, you will be allowed to leave when today’s business is over,”

“But before you go, leave a copy of your contact information for the police officer,”

“Either by phone or WhatsApp on the U.S. side, WeChat or e-mail from back home.”

Barton’s heart was happy and he was busy saying, “Don’t worry, I’ll leave my WeChat then”

“Good.” Jack Li nodded, then had someone take Barton away and instructed,

“Bring the hotel banquet hall’s manager Rudolph brown over.”

At this moment, Rudolph was standing incomparably nervous in the middle of the crowd.

After he learned that Patrick had been kidnapped and disappeared from the banquet hall, he was scared out of his mind.

He never dreamed that the real target of those people would be the young master of his own family.

Now that the young master has disappeared, he himself has become an accomplice.

And he did not dare to confess these circumstances to the police, or to Roger.

Because the lives of his wife and children are in the hands of the ninjas.

It didn’t matter if he died, but if he couldn’t get their lives back, what was the point of living?

Chapter 4142

Just as he was apprehensive, a police officer came to him and asked, "Are you, Rudolph brown?"

Rudolph nodded and said in some panic, "Yes it's me"

The police officer waved at him and spoke coldly, "Come with me."

Rudolph's heart is even more panicked, but at this moment he does not have any other way,

He can only take heavy steps, follow the police officer to the next door where there is Jack Li's temporary office.

As soon as he entered, Rudolph was shaking with fear.

He had heard of Jack Li's reputation for a long time, so he was afraid of being seen by him.

So, he came to Jack Li with fearful hands and stammered,

"Li Li Inspector Li How are you"

Jack Li stared at him and suddenly forced his voice coldly,

"Rudolph! I ask you! Why did you collude with the ninja and kidnap the young master of Joules family?"

Jack Li's sudden angry shout made Rudolph's heart and soul horrified,

He panicked and sophomorically said, "I I didn't I really didn't"

Jack Li said with a cold voice: "You still lie? Those ninjas are the ones you recruited in!"

“If you just recruited them in, I reckon I can still believe that you are inadvertent,”

“Can recruit them in and then put them to the place of incident,”

“This is clearly premeditated in the first place! So you are their inside man!”

Rudolph is still resisting, shaking his head repeatedly:

“Not me I did not I do not know any ninja at all “

Jack Li looked at his forehead and cheeks, there are beads of sweat dripping one after another, then sneered:

“Rudolph you show me your sophistry here and I have no problem,”

“But I have to warn you if you do not cooperate with me,”

“Then I will now have that information back to Roger, the missing person tonight is Roger’s son,”

“I do not need to remind you of this matter, right? What do you think he will do to you when he finds out about this?”

Rudolph heard this, the psychological defense instantly completely collapsed,

He immediately kneeled in front of Jack Li, crying, and said:

“Inspector Li, I have hardships ah Inspector Li that gang kidnapped my wife and children,”

“And said that if I do not obey their orders, my wife and children will be all gone.”

“And they forced me to give in, they also killed my family nanny! I was also forced to”

At this point, Rudolph looked at Jack Li and choked up,

“Inspector Li, I know I am guilty, I deserve to die, even if the young master wants me dead,”

“I have nothing to say I only beg you to save my family of seven, they are innocent... ..”

From the moment Rudolph came in, Jack Li guessed from his apprehensive expression, That he would definitely not be an accomplice in this matter.

After all, that gang of ninjas acted in a dry and ruthless style,

So how would they cooperate with an ordinary person with extremely poor psychological quality like him?

The only possibility was that they had coerced him.

Therefore, he did not doubt Rudolph’s words at all.

So, he said to him: “Rudolph, if you want to save your wife and children,”

“You must tell me everything you know, including when and where this gang met you,”

“What they said, and what messages they left!”

In Jack Li’s opinion, he now desperately needs to find those ninja’s image data,

Must first grasp the facial features of this gang of ninja,

In order to be able to catch them, and his time is very tight,

If not speed up, this gang of ninjas may be smuggled out of the country!

Chapter 4143

In Jack Li's opinion, the surveillance records that were tampered with were only within the confines of the hotel,

But Rudolph's contact with the ninja outside the hotel must have been difficult to avoid all municipal surveillance.

Therefore, as long as Rudolph could provide the time and place of his contact with the ninjas outside the hotel,

Jack Li would be able to find out the visual data of these people.

Just when Jack Li was mobilizing the police force and searching for image information based on Rudolph's confession,

Charlie had already left the Wangfu Hotel with Setafanie, Chloe, and Hogan.

Considering that the charity dinner had gone down the drain and there was no dinner at once,

Charlie proposed that everyone find a place to have dinner first.

He believed that Hogan must have something to say to him.

Moreover, he also wanted to hear what he has to suggest.

Hogan, too, really had a lot of questions to ask Charlie,

And Charlie let those ninjas kidnap the young master of the Joules family today,

This matter is not a joke, he was afraid that Charlie has made a bad handling, causing a big disaster.

So, he proposed: "Why not go to my place, although the food is a bit rudimentary,"

"But the place is convenient to talk."

Charlie naturally has no opinion, so they looked at Setafanie,

Setafanie, while having a cheeky smile, said: "Uncle Hogan's roast goose is the best, I have not had enough!"

Charlie smiled faintly and waved his hand, "Come, let's go to Chinatown!"

Under the escort of the bodyguard, the four of them came to Chinatown.

At this time, Hogan's store was already closed, and the man had already closed and left,

So Hogan invited Charlie and the others to the second floor, and he himself went to prepare the meal.

Charlie also received the information from Joseph at this time,

Hattori Kazuo and others, as well as Patrick of the Joules family, were now under his control.

Charlie instructed him to make sure that all nine people were under control.

And not to let them have any contact with the outside world.

At the same time, he also instructed Joseph to draw more manpower to the vicinity of the Joules family's property,

Because he believed that Charlson Cox was now hiding in the Joules family.

Only the Joules family was too big and heavily guarded,

It was easy for the Front to hit in, but if they wanted to sneak in silently to find Charlson cox, it was almost impossible.

Once the commotion gets too big, the Front will definitely reveal its whereabouts.

This time, Charlie does not want to directly let the Dragon hall exposed,

If the Dragon hall is exposed now, later when they have come to the United States to compete with the Routhschild family,

There is one less trump card to catch the other side off guard.

The best solution is to lay a net around the Joules family and wait for that son of a bltch Charlson cox to get himself in!

.....

Ten minutes later, Hogan walked upstairs with the meal.

After preparing the meal, Hogan greeted everyone to eat, and after everyone sat down,

He looked at Charlie and asked in a lowered voice:

“Young Master Wade, I don’t quite understand one thing, why were those ninjas so afraid of you?”

Charlie laughed, “Have you heard about the matter of the Wade family being sought for revenge,”

“By the Dragon hall some time ago?”

Hogan nodded and said, “I only heard about it afterward,”

“They said that the Wade family gave up half of its assets to the Dragon hall to escape a disaster,”

“So when I saw you today, I never mentioned this matter.”

Charlie waved his hand and said casually, "This is just a rumor that I deliberately let out,"

"The real situation is just the opposite,"

"Not only did the Wade family not give up half of its assets to the Dragon hall,"

"The Dragon hall is loyal to me instead,"

"I just don't want the Wade family to attract the wind, that's why there is this rumor."

Chapter 4144

Hogan listened dumbfounded if Charlie won't tell him this, so he couldn't believe his ears.

The famous Dragon hall is now under Charlie's command,

This is definitely a great addition to the strength of the Wade family,

Not to mention the hundreds of billions of dollars in assets of the Joules family,

But they can't possibly afford to form a mercenary army of the size of the Dragon hall.

Charlie then added: "As for those ninjas today,"

"They are all forces under the command of a friendly family of mine in Japan,"

"And they had seen me at the time on Mount Yeling, that's why they were afraid."

Hogan took a long moment to digest what Charlie said about this matter, and could not help but sigh:

"Young Master Wade, with your current strength, the Wade family in the whole of East Asia as well as Southeast Asia,"

"I'm afraid it can be ranked first!"

Charlie smiled faintly and said, “Just the first in East Asia and Southeast Asia is far from enough,”

“The Saudi Royal Family in West Asia, in the strength of the world is second only to the Routhschild family,”

“The Wade family wants to become the first in all of Asia,”

“We must exceed the Saudi Royal Family, want to become the first in the world,”

“We must exceed the Rothschild family, which still has a long way to go.”

Hogan nodded and said with emotion, “I believe that with your strength, Young Master Wade,”

“It is only a matter of time before the Wade family stands at the top of the world.”

Charlie smiled blandly, “I hope this time can be as short as possible.”

Hogan could not help but be impressed with Charlie.

Previously, he did not believe that Charlie could make the Wade family stand at the top of the world,

But now, looking at Charlie’s calm and self-confident appearance, he suddenly felt that it was not impossible.

This reminded him of Charlie’s father.

Even when he was at his peak, he only dared to think of this goal as a beautiful vision,

Never daring to think that it could really come true one day.

However, Charlie, who is in his twenties, has already started to catch up towards this goal.

While feeling emotional, he could not help but ask:

“Young Master Wade, about that Patrick, what are your plans? This person is a time bomb,”

“The slightest carelessness will most likely trigger a huge side effect.”

Charlie sneered and said, “Uncle don’t worry, not to mention a simple Patrick, even if it is Roger Joules or Flyoid Joules,”

“I don’t put it in my eyes, the big deal is to abolish Flyoid, Roger, and Patrick’s lineage,”

“And then pull the senior FreddieJoules back to become the family head again.”

Hogan asked in horror: “Young Master Wade you know the whereabouts of Elder FreddieJoules?”

“The Joules family has been searching for him like crazy!”

“For Flyoid, as long as Old Master Joules doesn’t die, he can’t sit down on this family head’s seat!”

Charlie laughed: “Freddie, and his granddaughter Micheala, are properly arranged by me,”

“Originally I just return a favor to Micheala, saved their lives, and did not intend to help them return to the Joules family,”

“But since the Joules family has such an asshole Patrick,”

“He dared to hurt my people, then I have to reassess this matter.”

“I have a feeling he won’t stop there, maybe he will come to do something evil,”

“If he doesn’t know any better, then I will do him too, and then let Master Joules go and talk to Flyoid.”

Hogan nodded and said, “Roger is a straw man himself, so many years, there is nothing to build,”

“But Flyod this person still has some wrist,”

“Otherwise it is impossible to seize the opportunity to usurp old Mr. Joules’s position.”

Hogan said: “If you can let the old man Joules come back to deal with him,”

“Indeed can play a four-two-square effect, the old man Joules in China, forced to fell from power,”

“In his heart, he must also want to reverse the situation, once he gets the opportunity,”

“With his style of action, will never give Flyoid leave a way back.”

Charlie shook his head: “If he just does not give Flyoid leave a way back,”

“That is far from enough, if I let him back, he will never leave Flyoid’s family alive!”

Chapter 4145

Last second, Hogan still felt that Charlie had let those ninjas kidnap Patrick,

Which would put him in a situation where he himself was walking on thin ice,

But this second, he realized that in Charlie’s eyes, the Joules family was not a behemoth at all.

On the contrary, in his eyes, this family is a plate of vegetables.

When to move the chopsticks, completely depends on Charlie’s mood.

Whether it was Roger Joules or Floyd, in front of Charlie, neither had any advantage.

On the one hand, Charlie has in his hand the Dragon hall,

Really with the Joules family coming face to face, beating a drum, this family is not a rival.

On the other hand, Charlie still has Freddie Joules, the great emperor of the Joules family, in his hand.

If Charlie really sent Freddie back to the United States,

And then protect him with the strength of the Dragon hall,

Then this Floyd will have to give up the position of the family head.

Otherwise, once the whole United States knows that Floyd has taken advantage of the opportunity,

To seize the power from his own father, and ordered his father to die and did not allow to return to the United States,

He will become a shouting street rat.

Even, it is likely, he is to be subject to judicial investigation.

So, no matter how much Floyd, Roger can jump,

As long as Charlie played this trump card, for their father and son, is the trump card.

In this situation, even if Charlie killed Patrick in front of these two masters,

This father and son wouldn't dare to say a word out loud.

So, Hogan asked Charlie: "Young Master wade, what are you going to do next in this matter?"

Charlie coldly said, "After that Charlson cox emerges, we will get him and Patrick together,"

"And kill them both to eliminate the scum for the people!"

Hogan asked again, "Then do you plan to expose their despicable deeds?"

“Of course!” Charlie said, “The reason I didn’t kill off Patrick directly is to dig out all,”

“All of his and Charlson Cox’s deeds and then expose them all, it would be great if I could wipe out their group.”

Hogan nodded and suddenly had a plan and said,

“Young Master Wade, if you want to make a big deal out of this,”

“I do have a way to set aside a thousand pounds with four pairs of hands.”

Charlie’s heart was happy, and humbly asked for advice: “Uncle, what is your good solution?”

.....

Tonight in New York, it was not destined to be peaceful.

Hattori Kazuo, with seven Iga ninjas,

Drove the garbage removal truck and brought the unconscious Patrick all the way out of New York City,

He had contacted Wesley in advance and was following his instructions to deliver the man to the designated place.

After more than an hour of driving, Hattori Kazuo drove the car directly to a deserted gas station in the suburbs.

As soon as the car stopped,

More than twenty people immediately rushed out of the darkness and surrounded the garbage truck.

Wesley himself went outside the cab and said to Kazuo Hattori,

“Don’t turn off the car, everyone get out!”

Hattori Kazuo recognized Wesley at once, hurriedly pushed open the car door and stepped down,

Saying nervously, "Hello Mr. Drake..... I I was ordered by Master wade to bring Patrick to see you"

At this time, from the passenger side also stepped down an Iga ninja,

And six other ninjas came out of the trash removal vehicle's compartment one after another.

And Patrick was still in an unconscious state when he was dragged out of the carriage.

Wesley looked at Hattori Kazuo and spoke, "You guys, go with my men."

Hattori Kazuo did not dare to do anything rashly and said, "Yes, Mr. Drake, we will do as you say!"

Chapter 4146

Wesley waved his hand at his men, and a dozen of them immediately came up,

And picked up Patrick and put him into a business car,

And then took Hattori Kazuo and eight others to different cars.

Then, one after another, many cars drove away from the gas station and headed in different directions.

Wesley said again to the two henchmen left behind,

"You guys take this junk car away and dispose of it."

One of the yellow-haired Caucasian henchmen nodded and spoke,

"Don't worry, Supreme Commander, I've already found a car recycling station,"

“In an hour’s time, we can take out all apart and crush its parts into pieces along with other cars,”

“Absolutely no one will be able to find its whereabouts.”

“Good!” Wesley nodded with satisfaction and said,

“Then you two hurry up and get it done, and meet me back downtown after it’s done.”

“As you command!”

.....

Meanwhile, both the police and the Joules family got a clue about the junk car.

Although Hattori Kazuo, they, did not leave video surveillance footage inside the hotel,

But, the municipal surveillance outside, is beyond their control.

So, as long as the person or car coming out of the hotel,

It will definitely appear in the surrounding municipal surveillance video.

The garbage truck was caught by the police and the Joules family at the same time.

So, both sides began to trace the garbage truck.

In addition to the police and the Joules family, all the gang members,

Professional killers and private detectives in New York are also out for the bounty, and the streets of New York are in chaos.

However, no one expected that Wesley had rented a super luxurious villa in Long Beach,

New York with a single-day rent of \$80,000!

This luxury villa is one of the top luxury houses in Long Beach,

Usually rented to foreign tycoons who come to New York for vacation,

Or rented to the crew to use for filming, and after receiving Charlie's order,

Wesley directly fictionalized a film crew from Hong Kong Island,

Rented the villa, falsely claiming to be ready to shoot a biographical film of a Chinese tycoons breaking into New York.

Moreover, the most unexpected thing is that the mansion was rented by Wesley.

Is only less than 500 meters away from the Joules family's estate.

Therefore, after driving around downtown New York,

Wesley's men brought the eight ninjas, including Kazuo Hattori, and the unconscious Patrick, to this villa.

No one expected that Patrick, who was being searched for all over New York,

Was lying in his neighbor's house less than 500 meters next door to his own.

Wesley's men took the eight ninjas, as well as Patrick, directly into the basement of the villa.

At the same time, a large amount of movie equipment that Wesley had rented was also transported to the scene overnight.

And Wesley even let his men rent a variety of lighting, camera equipment all moved to the courtyard,

And even set up in the foyer and courtyard, the entire villa gave a sign of feverishness,

It seemed for sure that really there is a drama team having a shoot here.

At this time, Wesley made a phone call to Charlie to report the progress and ask for his next instructions.

Charlie adopted Hogan's proposal and conveyed the next order to him.

Wesley hung up the phone and immediately stepped inside the basement where the eight ninjas and Patrick were being held.

At this moment, the eight ninjas were sitting in the corner like defeated roosters,

While Patrick was left on the floor still unconscious.

Chapter 4147

The eight ninjas stood up in a hurry and looked at him with a respectful face.

Wesley ignored them, but pointed at Patrick on the floor and said to his men, "Wake him up!"

His men immediately brought a basin of cold water and poured it all over Patrick's body with a clatter.

The unconscious Patrick suddenly had a jolt and sat up with a scream.

As his vision slowly returned, he panicked and asked loudly,

"What do you want? Do you know who I am?!"

Wesley looked at him and pulled out a dagger from his men's waist,

Then threw that dagger in front of Hattori Kazuo and said in a cold voice: "Go, cut off both of his ears!"

When Hattori Kazuo heard these words, his whole body shivered violently in fear.

He really didn't expect that Wesley would let him cut off Patrick's two ears as soon as he opened his mouth.

Patrick was also stunned.

He was the young master of the Joules family,

An existence that no one dared to mess within New York,

But he never thought that this guy in front of him would be so vicious that he would cut off his ears, and two at the same time!

The panic-stricken Patrick shouted: "Do you know who I am? I am the young master of the Joules family, Patrick!"

"I don't need to tell you how strong the Joules family is!"

"If you guys dare to touch a hair on my head, my father and my grandfather will definitely take your lives!"

Wesley looked at Patrick and said indifferently, "Let me tell you, my name is Wesley Drake,"

"I am the master of the Dragon hall, not to mention a mere grandchild of the Joules family,"

"Even if it's your father or your grandfather, as long as Mr. Wade says so,"

"I will kill them all! Even if I kill your Joules family to the point that not even a single dog is left, I will not blink an eye!"

Hearing these words, Patrick's entire body instantly felt a spinning of the sky and the earth.

"Wesley Drake?! You are Wesley Drake?!"

Patrick was terrified to the extreme and said offhandedly,

"Mr. Drake our Joules family has no grudge against you,"

"I have even always looked up to you, why would you lay your hands on me?!"

Saying that he asked again nervously,

"Who is Mr. wade again? I've never offended anyone named wade!"

Wesley looked at the time and sneered, "Soon you will know."

After that, he looked at Hattori Kazuo, pointed to the dagger on the ground,

And said in a cold voice: "Hattori Kazuo, the order was given by Mr. wade,"

"I just conveyed it for Mr. wade, he will come over soon,"

"You'd better get it done before he comes,"

"Otherwise, when the time comes, I'll cut your ears together!"

When Hattori Kazuo heard this, he turned pale with fear and said in a panic,

"I'll cut it! I'll cut it right now!"

Kazuo was now very clear that no one could mess with Charlie.

Still, if he messed with the Joules family, the Iga ninja might be exterminated,

But if he messed with Charlie, the Iga ninja would definitely be exterminated!

So, he didn't dare to delay, he hastily picked up the dagger and walked towards Patrick with one step at a time.

When Patrick heard Wesley say Hattori Kazuo's name,

He immediately realized that this guy was the Japanese ninja that Charlson Cox had found to kidnap Sara.

But he couldn't understand how the man Charlson Cox had found to kidnap Stefanie,

Why would he suddenly turn against the water to kidnap himself?

Angry, he stared at Hattori Kazuo and angrily reprimanded:

"You s0n of a b!tch are too unreputable! Not only did you not do anything after receiving money,"

"But you even turned around and kidnapped your employer!"

"Believe it or not, the Joules family will exterminate your entire family!"

Chapter 4148

Hattori Kazuo also gave up his life and went up and slapped Patrick across the face,

Gritting his teeth and saying, "You bas5tards asked us to kidnap Mr. Wade's woman,"

"That's like pushing us into the fire! Fortunately, I didn't make a big mistake,"

"Otherwise the whole Iga ninja would have disappeared from this earth!"

"I can't even kill you to get rid of my hatred!"

Hattori Kazuo was right. He now hated this Patrick like crazy.

If it wasn't for him, how could he have come to America to Wade through this mess?

Although he had saved his life, for now, he didn't know how Charlie would punish him next?

Thinking of this, he walked forward in anger, ignoring Patrick's struggle,

Grabbed his hair, the dagger flew around two times at a very fast speed

Immediately afterward, Patrick's pig-killing howl was heard!

"Ah!!! My ears!!!"

On the ground, the two bloody ears were very eye-catching,

While Patrick was desperately covering his ears, wailing repeatedly,

Blood was gushing out from his fingers, which was unbearable.

At this time, Wesley gave a wink to his men and said, "Treat his wounds."

His men nodded and immediately took out a bottle of wound treating medicine to stop the bleeding,

Stepped forward and spread the powder on both sides of his wounds.

Wesley said to Hattori Kazuo:

"Pick up the things on the ground and go to the bathroom to wash them, I still need them."

Hattori Kazuo did not dare to refuse, hastily bent down and picked up the two ears,

Walked to the next-door bathroom and washed them with water.

At this time, a helicopter landed in the courtyard of the villa.

Charlie stepped off the plane alone,

And then a soldier from the Dragon hall stepped forward and said respectfully,

“Mr. Wade, the Supreme Commander is in the basement, please follow me.”

Charlie nodded, and under the soldier’s guidance, he arrived at the villa’s basement.

Pushing the door in, Wesley was standing in the center of the room,

While Patrick had already had both of his ears cut off, wailing in pain while shivering all over.

When Wesley saw Charlie coming, he immediately said respectfully, “Mr. Wade!”

Charlie nodded, looked at Patrick, and sneered, “Young Master Joules, we meet again.”

Only then did Patrick see Charlie, and in this instant,

He couldn’t care less about the sharp pain coming from the root of his ear,

And said in shock: “You you are that Feng Shui guy?!”

Charlie laughed: “What? Are you surprised to see me?”

Patrick’s brain is not enough to process all of this, he shot out this question:

“Who the hell are you? Why did you let the Dragon hall tie me up here?”

“Why did you let them cut off my ears? Why?”

Charlie said indifferently, “There is no such thing as to why, they didn’t look good on you, right?”

Patrick roared in anger, "I have no fcuking grudge against you!"

"What the fcuk do you mean by that? Aren't you afraid that my family will retaliate against you?"

Charlie looked at him, eyes gradually cold, sternly asked:

"So many innocent girls who died at your hands,"

"And you have what grudge? And why did you work in cahoots with Charlson cox,"

"Hunting them and abusing them without any bottom line of conscience?"

Speaking of this, Charlie's voice raised a few points, angrily shouted:

"You do not have the eyes of a dog, how dare you even move your mind to Stefanie???"

"Do you know that Stefanie was engaged to me when she was three years old?"

"You could think of such a thing, are you not afraid of losing your life?"

Patrick was instantly struck by lightning, his eyes wide, unable to say a word.

He never thought in his wildest dreams that his deeply hidden matter would be learned by this feng shui master named wade

He subconsciously tried to show some sophistry:

"I do not know what you are talking about! I, have never done the things you said!"

"I didn't have any ill intentions towards Miss sun either!"

Charlie said disdainfully, "Patrick, do you still fcuking think that I run the court?"

"If you deny it, I won't judge you? Since I got you here,"

"I won't listen to a single word of explanation from you!"

Speaking of this, Charlie coldly said,

“Patrick, I can tell you straightforwardly, you fell into my hands this time, you’re fucking dead!”

Chapter 4149

Patrick saw the undisguised killing intent in Charlie’s eyes,

His heart was suddenly terrified to the extreme!

He threw himself on his knees and kowtowed while begging in tears,

“Mr. Wade I am young and impulsive... ..”

“Please, for the sake of my family, which is at least the second-largest Chinese family in the United States,”

“Forgive me this time, how much money you want, just ask, my father will make you satisfied please “

Charlie did not want to see him acting, so said in a cold voice:

“Patrick, you really think money is everything? Your great-grandfather was so rich,”

“Did he not fail to hold the position of the family head?”

“I’m telling you, even if I were to trade the entire Joules family’s assets for your life,”

“I wouldn’t agree to it! Adults must pay the price for their actions!”

“Not to mention you, even your father and your grandfather have to pay the corresponding price for your actions!”

“Because as the old saying goes, if the son is not taught, the father is at fault!”

Patrick subconsciously questioned, "Aren't you afraid that the Joules family will retaliate?"

"My father, my grandfather, if they know that you killed me,"

"They will definitely devote all of the Joules family to avenge me!"

"Your father, your grandfather?" When Charlie heard this, he sneered:

"To tell you the truth, your great grandfather Freddie, and your cousin aunt Micheala,"

"Are now protected by my people,"

"I will not only solve you but also your father and your grandfather,"

"If your great grandfather has the chance to return to the United States,"

"Do you think he will let your father and your grandfather go?"

"If he dares to let them both go, I will not let him go!"

When Patrick heard this, his whole body was terrified to the core!

He never dreamed that his great grandfather and his cousin aunt,

Whom his grandfather had been trying to find, were in Charlie's hands!

At this moment, he finally realized what kind of existence this man had.

Originally, he thought that Charlie was a vicious wolf that rushed to the Joules family to try to take a bite.

But now he realized that Charlie was actually the hunter with a gun.

And the current Joules family, in his eyes, was just a mere earth dog under the gun.

In this instant, he was already scared out of his mind and said in tears,

“Mr. Wade I beg you to have mercy and spare me once

“Whatever you ask, I will make my father and grandfather agree to you unconditionally

“I only beg you to leave me a dog’s life

Charlie smiled faintly and spoke, “Begging for mercy would be unnecessary,”

“It’s better to save your strength and think about how you will die.”

The terrified Patrick wanted to continue to beg Charlie for mercy,

But Charlie didn’t give him a chance and turned to Wesley and Hattori Kazuo and said,

“Wesley, Kazuo, you two come with me, I have something to tell you.”

The two men immediately answered and were about to go upstairs with Charlie,

When Patrick went crazy and kept kowtowing and begging:

“Mr. Wade please let me go, Mr. Wade Mr. Wade... ..”

Charlie ignored him and directly led the two to the first floor.

Wesley said to Charlie: “Mr. Wade, there is a meeting room on the first floor, let’s go there.”

“Okay.” Charlie nodded and followed Wesley to the meeting room on the first floor.

Hattori Kazuo also followed in with trepidation, both hands on his chest rubbing constantly,

His heart was already nervous to the extreme.

Charlie looked at the two people and said,

“I want to make this matter bigger now since it is a stage singing,”

“The movement is small also sorry for such a big stage in New York.”

Wesley respectfully asked, “Mr. Wade, what is your plan?”

Charlie laughed: “I asked Hattori Kazuo to cut off Patrick’s two ears,”

“Just to properly stimulate the Joules family,”

“And simply give the Joules family a kidnapping case with the highest ransom ever in the history of New York.”

Chapter 4150

As Charlie spoke, he looked at Hattori Kazuo and smiled,

“You cut off Patrick’s ears, why don’t you send these two ears to the Joules family,”

“And by the way, tell them that if they want Patrick to live,”

“They will pay a ransom of 100 billion dollars, and it must be paid in the form of cryptocurrency,”

“Otherwise, just wait to collect Patrick’s body.”

“Huh?!” Hattori Kazuo with rightened legs said nervously:

“Mr. Wade with the strength of the Joules family, we ninjas will be exterminated
.....”

Charlie smiled and waved his hand:

“Don’t worry, neither Roger joules,”

“Nor Floyd Joules would have that opportunity to go to Japan to seek revenge on the Iga ninja,”

“After this matter is over, the two of them will be finished,”

“When the old man of the Joules family regains power,”

“Your Iga ninja will not be the enemy of the Joules family, but one of the benefactors of the Joules family.”

Saying that, Charlie added: “Hattori Kazuo, there are multiple sides to everything,”

“How the Joules family will treat the Iga ninja depends on,”

“Whose a55 is sitting in the position of the Joules family’s headship, do you hear me?”

When Hattori Kazuo heard this, his whole spirit was lifted.

He was not a fool, so how could he not understand the meaning of Charlie’s words.

In a flash, his mentality also underwent a hundred and eighty-degree change.

Before, he was afraid that the Iga family would be retaliated by the Joules family and thus be tragically exterminated.

But now, he suddenly felt that a saying was right, that he had read somewhere on the internet,

“If you take a chance, you can turn a bike into a motorcycle!

Thinking of this, he was already a little excited and said offhandedly,

“Mr. Wade, whatever you need me to do, just give me an order,”

“I will definitely give my liver and brain and do my best!”

Charlie nodded in satisfaction and smiled: "Yes, that is the way!"

After saying that, Charlie then informed Hattori Kazuo of his requirements in detail.

After hearing this, Hattori Kazuo said without hesitation,

Although his heart was apprehensive,

"Don't worry, Mr. Wade, I will complete the task!"

Charlie nodded slightly and said to Wesley,

"Wesley, I will return to Providence soon, so you will take care of the rest of the matters with Hattori Kazuo,"

"And I will come back tomorrow."

Wesley said respectfully, "Okay Mr. Wade!"

.....

A few minutes later, the helicopter took off from the courtyard of this big villa and flew directly to Providence.

And at the same time, the number of people searching for Patrick's whereabouts throughout New York had exceeded tens of thousands.

However, even with so many people racking their brains for clues, all of them are still coming up empty.

The junk car that drove out from the Royal Palace Hotel, as if it had evaporated, could not find any clues.

The more delayed the results, the more nervous the Joules family is.

floyd is usually very strict with his son Roger,

But his grandson Patrick is very indulgent and spoiled,

Now Patrick was kidnapped, no clues, he called Roger to his study, sternly asked:

“What the h3ll are you doing? So long has passed, why there is still no news!”

Roger was also at a loss and said, “Dad, those Japanese ninjas seem to have evaporated, no clues can be found!”

Floyd said in a cold voice: “Have you found out which faction of ninjas did it?”

“Not yet.” Adam sighed: “The entry data has been transferred,”

“But there are too many people, are screening, the more critical is that these ninjas can disguise,”

“And have multiple sets of identity, we even find them from the entry data, it may not be their true identity.”

Floyd asked again, “No one has contacted you yet?”

“According to common sense, the other side kidnapped Patrick, now it is time to ask for ransom!”

Roger shook his head and said, “No one has contacted me for ransom yet.”

Just after he finished, his phone suddenly rang.

When he looked down, it was a text message from an unfamiliar number.

The text message read, “Want to know your son’s whereabouts, drive to Brooklyn!”

Brooklyn was once the most famous ghetto in New York.

Right now, although the environment has improved,

But relatively speaking, it is still the most chaotic and the worst district in New York in terms of security.

Especially North Brooklyn, dominated by not generally well off communities,

This is why it is simply the best and largest source of manpower for the major gangs in the megalopolis.

Many young people here, at the age of twelve or thirteen years old,

Carrying a gun everywhere is considered to start serving in the gang reserve.

When it comes to 14 or 15 years old, they have been eating, drinking, gambling, involved in vandalism and looting.

In this kind of place with extremely poor security,

In the street, if you randomly pick ten young men, you could find eleven guns,

Usually not to mention ordinary people, even the police do not dare to patrol this kind of place.

The first contact from Hattori was here following the order from Charlie.

Roger saw the message and said in a panic: "Dad, someone sent me a text message saying that,"

"If I want to know the whereabouts of Randal, I have to go to Brooklyn!"

Hearing this, Floyd slapped the table and said angrily,

"Come on! Have someone prepare immediately!"

“Also hurry up and give the cell phone number to the intelligence department,”

“And have them monitor the location of this phone immediately!”

Roger was slightly stunned and asked, “Dad, I’ll go?”

“Nonsense!” Floyd blurted out, “If you don’t go, would I go?”

Roger said somewhat nervously, “The location is not safe, and I worry that this is a trap
.....”

Floyd waved his hand and said, “There is nothing to worry about,”

“You just go, let the martial artists go with you,”

“In addition take two teams of bodyguards to secretly protect your safety,”

“In this case, even the special forces can not kidnap you away!”

Seeing his father’s insistent attitude, Roger had to nod and said, “Then I’ll ask him for the exact address.”

After saying that, he sent his cell phone number to the intelligence team of the Joules family,

While picking up his phone, replying to the message and asking, “Where do I have to meet you?”

After sending it, the message sank like a stone in the deep sea.

The intelligence team also fed back the message that the cell phone number was now in shutdown mode and could not be located.

When Roger saw this, he knew that the other party was a pro, and his heart was even more apprehensive.

The other side can kidnap Randal, so he is definitely not an ordinary thief,”

“Probably already secretly watching us, you just go to Brooklyn,”

“I believe that when you get to Brooklyn, he will contact you.”

Roger did not dare to refuse, and could only agree with a stiff upper lip.

He was anxious about his son’s kidnapping, but he hoped to use the money to solve the problem,

Or just use the Joules family’s people to solve the problem, and was not willing to put his own life at risk.

But right now he had no other choice but to follow his father’s instructions, arrange the manpower and prepare to go.

Soon, three convoys left the Joules family’s estate one after another.

They had two tasks: first, to secretly protect Roger’s convoy,

And second, to wait for information from the intelligence team,

So that once the other party’s cell phone was turned on and their location was found,

They would immediately take control of them.

Roger himself did not sit in the Rolls Royce, but in the middle of the three Cadillacs.

In his opinion, if the other party is trying to get at him this time,

Then he will definitely mistake him in the middle of that Rolls-Royce,

So that if something happens, Rolls Royce can attract fire,

And his safety factor is naturally a bit higher.

But even so, when the vehicle drove into Brooklyn,

As for Roger, the heart can not help but get filled with a burst of tension.

There is a law that is as universal as gravity,

That is, the richer the person, the more afraid of death they are.

Chapter 4152

Roger is naturally no exception. Although he is the young master of the Joules family,

The current Joules family head's first heir and going to this kind of place,

His heart will be more or less filled with fear.

When Roger's motorcade drove into Brooklyn, indeed

They actually attracted the attention of many street youth.

In Brooklyn, only gang bosses can afford to buy Rolls-Royce,

But those bosses' Rolls-Royce license plates, the local gang members have long memorized,

So with a glance, they can see that these cars are foreign.

Some of the gang members, seeing this convoy really can not help but have a bad idea.

However, seeing that the other side has six cars, they tamed their desires.

At this time, in the car, Roger suddenly received a text message.

This time, the other party changed the number and sent the content:

“To the North Brooklyn Wharton Motel.”

A motel is the lowest-end fast hotel in the United States.

It has the worst rooms, the worst location, the laxest management, and the worst security.

You don't need any identification to register for a motel,

You park your car at the door, walk in and give the cash to the owner,

You get a room key.

The owner also has the mentality that more is better than less,

And just collects money, not bothering to ask about the identity of the residents,

Not even wanting to look at the residents twice to avoid trouble.

Therefore, this kind of place is mixed, full of fugitives, johns, and addicts.

Roger did not expect that the other party would set the location in such a place,

He first sent the other party's cell phone number to the intelligence team,

Hoping that the other party could locate the person's location.

But the intelligence team came back with the news that the other party had turned off the phone again.

Since it was a new number, there was no way to prepare in advance, so the positioning failed again.

The location failure meant that Roger could only follow the other party's request and go to this motel.

Although he was reluctant to do so, he could only go with his head up.

This motel is located on the edge of North Brooklyn.

The team just arrived at the entrance of the hotel,

They can see at least seven or eight scantily clad women standing at the door,

These women will wave as soon as they see a man driving,

And the male driver will immediately stop beside them and put down the window to "exchange" a few words with them.

The content of the exchange is to provide information on the kind of service and how much pay is needed.

If a deal is made, the woman will get into the man's passenger side,

Or with the man to the motel room, together with the completion of the dirty deal.

Roger eyed the surroundings and frowned in disgust.

At this time, several street girls also found their convoy,

Some of them are still more or less self-aware,

They know that they are a few dozen dollars a prostitute, it is impossible to get the owner of the Rolls-Royce's favor.

But there are also some women who are too high on drugs,

Confidently come to the side of the Rolls-Royce knocking on the window, constantly scratching their heads.

However, no matter how they knock, the driver of the first few Rolls-Royce did not open the window.

So, a few people knocked on the windows next to each other, all the way to the one where Roger was.

Roger through the window, looking at these thin, young women with rotten teeth.

He felt as if seeing a ghost, right from the car cursed:

“What the fcuk is all this sh!t! Get them out of here and keep them away from my car!”

The bodyguard on the passenger side turned back around and explained,

“Young master, these women are like that, we don’t need to care about them,”

“They won’t leave on their own without knocking on the window.”

Saying that, he added: “Do you see a lot of discarded disposable syringes on the ground by the roadside?”

“They are all used by these women, each of them is a drug addict,”

“Every day they come on the street to earn some money to eat, buy contraband,”

“Many of them have AIDS, we are safe if we do not open the window.”

“Fcuk!” Roger spit out revolting, angry curses, “really fcuking disgusting!”

Chapter 4153

The good thing is that the women did not pester, seeing that no one opened the window,

They all went back to the roadside and continued to look for other targets.

At this time, Roger’s cell phone rang again.

He hurriedly looked down, only to see this time a new strange number sent a text message,

And the text message is: "See the blonde woman who lost two incisors on the side of the road?"

"You get out of the car and walk up to her, stuff a thousand dollars into her collar,"

"She will give you something, my people are watching you,"

"You do not play any tricks, otherwise, wait to collect your son's b0dy!"

Roger received this text message, and looked up at the roadside where there were standing a few women,

only to find that the blonde, the woman who lost two incisors,

Is not the woman who just came to knock on the window of his car, and scared him.

With the thought that the other party may also have AIDS, he had a feeling of retching, almost vomiting.

However, he never dreamed that the mysterious person who kidnapped his son,

Would ask him to stuff money into that woman's collar!

He could not help but curse angrily: "This is not a fcuking bully!"

"If there was really something to give me, wouldn't it be enough to just ask her to take it out?!"

The bodyguard couldn't help but ask: "Young master, did the other party text again?"

Roger looked at the woman outside the car window and said with disgust,

"Son of a bitch, he asked me to stuff a thousand dollars into that woman's collar,"

"In exchange for something he gave me! This is outrageous!"

The bodyguard said, "Young master, why don't I go?"

"The man should have instructed the woman that if someone stuffs \$1,000 into her lapel, she should give it to him.

"No" Roger said offhandedly, "They have people watching in secret,"

"If I play tricks, they will turn against Randal!"

The bodyguard blurted out, "Young Master, you can't go by yourself,"

"What if this woman is a killer or she has a bomb on her? We can't guarantee your safety!"

When Roger heard this, he was shocked himself,

He was worried that if this was a trap against him,

Then once he got off, he was afraid that he would be in bad luck.

However, he knows very well that if he does not do as he is told, then his son is likely to face the risk of life.

Moreover, if he does not do it, his father will definitely be discontented with him after he finds out.

Floyd's style of action is dry and ruthless, very averse to timid and cowardly people,

And Roger is not the only son, there are two younger brothers eyeing the position of the family head,

If his performance this time left Floyd disappointed,

Then in the future, he wants to inherit the position of the family head, the difficulty will certainly increase a lot.

After thinking about it, he decided to take a chance.

So, he called his father, Floyd, and once the phone call came through, Floyd asked, "Roger, how is it going?"

Roger told his father about the situation,

And deliberately said in a generous tone of death:

"Dad, if something happens to me, you must promise me to find Randal!"

Floyd gave a light hum and said, "Don't worry, he has no reason to kill you."

Roger was surprised and asked, "Dad, why do you think so?"

Floyd said in a cold voice: "He kidnapped Randal and took the initiative to contact you,"

"Which proves that he must be looking for money."

"If he kills you, he won't get a penny, but also ruins his credibility in front of us."

"If he uses Randal to threaten me and ask me for ransom after he kills you,"

"It's unlikely I'll give something to him, so it's more than worth it to him."

Roger was suddenly a little resentful.

He thought he could take this opportunity to show off a little bit with his father,

But he didn't expect to end up botching it,

Making his father think he was a fool who couldn't understand the situation.

Depressed to the core, he could only say to Floyd,

"Okay dad, I know, I'll go over there and see what medicine they are selling in the gourd!"

"Hurry up!" Floyd urged, "If there is any news, notify me the first time!"

Chapter 4154

Roger could only do as he was told.

He hung up the phone, asked his bodyguard to take out a thousand dollars in cash,

Clutched it in his hand, and took a deep breath

Then said to the bodyguard, "Open the door!"

The bodyguard said nervously, "Young master, it's too dangerous to go directly there,"

"Why don't I go check and see if there's anything wrong with that woman first!"

"No need" Roger shook his head, his father had already spoken his words,

If he still let someone go to check the woman,

In case the news reached Floyd's ears, he would be very disappointed with him.

So, he could only push the door and get out of the car, and step toward the woman on the road.

Several women did not expect that a middle-aged man came down from inside the Cadillac and walked straight toward them.

So, a few people are busy scratching their heads and eyebrows, hoping to get the man's favor.

Roger looked at the eyes but was more disgusted with the prickly scratch and the dirty body.

But he had no choice but to brace himself and come to the blonde woman,

Rolled up the thousand dollars in his hand and stuffed it into the woman's collar.

There was a gasp of surprise all around, and the other women looked dumbfounded.

They may not get a hundred dollars a day here,

But this rich man came over and gave their companion a thousand dollars,

Which simply makes them envious to the extreme.

The blonde woman, who was also excited at the moment,

Took the money out of her collar and counted it one by one,

And after she was sure it was a thousand dollars,

She said excitedly, "Oh my God, you must be Mr. Joules?"

Roger was almost staggered by the stench in her mouth, resisted the urge to vomit, and asked,

"The money is given to you, where is the stuff? Did someone ask you to give me a certain thing?"

The blonde woman said with delight, "I thought that guy was deliberately playing a trick on me,"

"But I didn't think there was really such a good thing"

The woman looked at Roger and suddenly stepped forward and hugged him and kissed him on the mouth!

A large group of bodyguards thought the woman was going to suddenly turn on Roger, Suddenly rushed out of the car with guns.

At this time, Roger also jumped, and quickly pushed the woman away,

While constantly wiping his mouth, while angrily said:

“Yuck yuck yuck! Damn it! You are fucking sick ah! Who the hell let you kiss me?”

Immediately after, he saw the woman's two arms, full of dense needle holes, but also a scared face pale.

He kept spitting hard, and at the same time kept slapping his clothes, cursing:

“Do you have fucking AIDS? If you have fucking AIDS, I'll have someone fucking shoot you!”

The woman looked at so many fierce bodyguards,

At the moment all with guns aimed at her, and scared and aggrieved said:

“The Foundation's doctor told me AIDS is not transmitted through kissing “

Roger instantly collapsed, the irritable jumped up and cursed: “Fuck! You really fucking have it ah!”

A group of bodyguards heard this and felt like it is a dangerous enemy,

One of them thought that this woman is deliberately poisoning the young master,

Immediately gave an angry rebuke: “Say it! Why are you doing this! What is your purpose?”

The woman was so aggrieved that she opened her eyes and said,

“It was the man who told me that a gentleman named Joules would give me a thousand dollars,”

“And that if I received his thousand dollars,”

“I would have to give him the most passionate k!ss and an elaborate little gift

“Fcuk!” Roger instantly understood that he was being calculated by that son of a b!tch.

At this point he couldn't care less, he just wanted to hurry up and get the clue,

Then immediately go back and have the doctor prepare HIV-blocking drugs for himself.

So, he stared at the woman with a black face and asked,

“Danm, what the h3ll is the little gift? Hurry up and bring it out for me!”

Chapter 4155

The woman was pointed at by so many people with a gun,

She got scared out of her wits, so she hurriedly moved the old shoulder bag,

While shivering took out a box of crumpled cond0ms.

The first time Roger saw the picture of the condom on the box, his face suddenly blackened to the extreme,

He thought it was just a prank, so he cursed coldly:

“This is what that son of a b!tch told you to give me?”

“Yes

“He also asked me to pass on a message to you... ..”

Roger shouted angrily: “Say it! If you stammer again, I’ll fcuking kill you!”

The woman trembled with fear and said, “He said I’m sorry Mr. Joules, there was no time

“To find a container, so I had to make do with this box.”

“So could only make do with this box to contain the

“The packaging is very substandard, but the things inside are still very precious

Roger reached out to grab the box of cond0ms, but once he thought the woman had AIDS,

He immediately put his hand back and pointed at the woman and yelled, “Throw the box to the ground!”

The woman could only honestly do as she was told and threw the box on the ground.

Roger took out a handkerchief from his pocket,

Wrapped his right hand with the handkerchief, and discreetly squeezed the box up.

He was in a dilemma because he did not dare to open the box with his left hand.

Although he had received higher education and knew that AIDS would not be transmitted through this level of contact,

He still could not resist the fear in his heart.

Fortunately, one of his men was more discerning and immediately handed him a black glove.

Roger was relieved and stretched out his left hand to let his men put the black glove on his hand,

And then opened the lid of the cond0m box.

Because of the lack of ambient light, he did not see what the box actually contained,

Gently shaking, only to feel that the things inside are not heavy and not hard,

But can not tell exactly what kind of things are in there.

So he used his right hand to turn the box upside down,

His left hand blocked the mouth of the box and poured out the contents.

Along with the two things dropped into his palm, Roger fixed his eyes,

The whole person shouted in fear, the hand moved as if getting a shock like a violent flip,

Two bl00dy ears were directly thrown out.

A few street girls have long been curious about what was inside,

And when they saw that it was two bl00dy human ears, they immediately screamed in terror.

The bodyguards also froze, never dreamed that the box contained human ears!

Roger was so frightened that he just slowed down,

Then he suddenly thought of something and hurriedly chased over to check,

This look does not matter, he immediately recognized the pair of ears, which is the son Patrick's.

His heart seemed to be instantly hit by a heavy hammer, all of a sudden pain reached unspeakable limits.

Immediately after, he picked up the two ears bawling:

“Patrick my good son your dad is sorry

“Your dad did not protect you! You ah Patrick

Some good pedestrians have begun to take out cell phones to shoot video,

This time a number of bodyguards reacted, rushed to Roger, and surrounded him,

While chiding: “No filming, delete the video!”

But by this time it was already too late, many people had already taken the video,

Seeing the other side of the bodyguards aggressive, they rushed to slip away.

And these bodyguards do not have the energy to ask those passers-by,

They can only surround Roger, to protect him as soon as possible to leave this place.

The group of people who took the video and slipped away included an Iga ninja.

Chapter 4156

After he took the video, he immediately went to the corner behind the motel and got into a dilapidated Dodge car,

Then the car started the engine and quickly drove away from the place of the incident.

And at this time, Roger was still holding Patrick’s two ears and crying out in pain.

The bodyguard repeatedly persuaded him for a long time but to no avail.

Helpless, several people can only help him to the car,

And then the convoy quickly returned to the Joules family estate in Long Beach.

On the one hand, his heart ached for his son, worried about his son,

and on the other hand, he hated those ninjas to the bone.

He could not wait to immediately catch them in pieces, but unfortunately,

They have not yet been able to grasp their real identity.

Floyd has many ears and eyes, and most of the bodyguards around Roger report to him,

So without waiting for Roger to return, he had already heard about this matter.

He was particularly fond of Patrick, and when he heard that his grandson's ear had been cut off,

He was even more furious, and was already in his study, smashing everything he could.

The old lady heard the news and rushed to see what was going on,

But it was hard to stop Floyd, the old lady asked what happened,

She was even more distressed, seeing that there was nothing in the room to smash, so she punched Floyd, crying:

“You must save my grandson alive! If not, I will be dead for you!”

Floyd was upset and did not want his wife to follow him, so he said impatiently,

“Okay, I know! Patrick is your grandson and also my grandson, I will do whatever it takes to get him back!”

The old lady asked again, “Are you sure? In case they kill without blinking…… to …… Patrick”

When it comes to this, the old lady really can't say anymore.

Floyd waved his hand and said, “Don't worry, they must be trying to make money,

As long as they are trying to make money, they will certainly not kill Patrick.”

The old lady hurriedly said, “No matter what the final result is,

You must give me those people in pieces!!!”

The movement of the old man and woman smashing in the study soon alerted Patrick's mother,

As well as other members of Joules's family.

Floyd didn't hide anything from them, so he informed everyone about what happened.

Patrick's mother directly fainted, while the other Joules family members were also apprehensive.

They were accustomed to being pampered, but when they heard that there were people,

Who dared to kidnap a Joules family member and even cut off his ears, they were angry and scared.

For a while, the whole Joules family was in a state of turmoil.

And before Roger arrived home, another popular video appeared on the Internet.

The title of the video is very shocking, it says

“Roger Joules, the son of the Joules family, k!ssed a pr0stitute on the street in North Brooklyn!”

The content of the video clearly captures how Roger stuffed \$1,000 in cash into the collar of the pr0stitute,

And how the pr0stitute hugged him in a passionate k!ss.

The video ends abruptly at this point, without any follow-up.

This is a common ‘partial news rule’ used by the popular media,

Not to report the whole story, but only the part they want to report,

So that they can induce viewers to take the story out of context.

This trick is simple and direct and nasty to the extreme, but it works very well.

People don’t know the cause and effect,

They only know from watching the video that the young master of the Joules family

Bought s3x on the street and k!ssed with a pr0stitute.

This immediately triggered a fervent discussion on the Internet.

Over there matter of seeking s3x is not really explosive news, people here are relatively more open to that aspect,

So they are not used to it.

However, although they have seen cheating, but never seen so by rich people.

So this kind of thing can only give them a big shock.

Chapter 4157

Many people are incredulous about Roger’s heavy tastes,

And it is because of this huge contrast that this matter is rapidly fermenting on the Internet

And will soon explode all over the net.

Roger still didn't know that when his motorcade drove into the Joules family estate,

He had already become a hot and big internet sensation.

What Charlie likes most is to hit the people where it is most painful.

He deeply knows what the rich people care most about, so he can always find their weak points.

For most rich people, what they care about most is just two things, profit, and reputation.

Since you want to make a big deal out of this,

And want to cause more damage to the Joules family,

This way of exposing the scandal is the best solution.

When Roger returned home and met a group of angry family members, he realized that he had been on fire online.

When he saw the video of himself being spread wildly on the Internet, he was almost angry enough to die in place.

That unpleasant stand-up girl made him sick all the way to the car and almost vomited several times.

Plus the feeling of holding his son's two ears in his hands made him even more miserable.

It was hard for him to go home and prepare to take the HIV blocking medication immediately,

But he didn't expect that the video of himself kissing the street girl would go viral first.

He was so angry that he almost thundered and yelled in front of his family,

"I must find out the son of a bitch who released the video,"

"I can't take this fucking heat until he's dead!

Floyd said in a cold voice: "This video must have been taken since you didn't get out of the car,"

"It was clearly waiting for you, maybe it was one of them."

Roger was confused and said, "Dad, if they want money, just ask for money, what the hell are they going to do?"

He said, he handed out his son's two ears and said,

"Also, why are they treating Patrick so cruelly?"

"Aren't they afraid that our Joules family will fight with them to death?!"

Floyd frowned and said, "I can understand if they cut off Patrick's ears,"

"It's just to show us their guts and let us know that they can do anything, so as to break our will"

Said, he could not help but smacked his lips, face very serious:

"But he controlled you, treated completely as if you are a monkey,"

"This move I really do not understand, how to look at this is not necessary....."

“You tell me, this matter is exposed, what good is it to them?”

The Joules family all shook their heads with a bewildered look.

No one could understand why the other party did not put the Joules family in the slightest,

Kidnapped the Joules family member and spit in the Joules family’s face.

And at the same time, Roger’s video, in the whole network has become hotter and hotter.

Not only in the United States, but even around the world, it has caused a huge sensation.

Even in China, which is half a world away, it has made it to the short video platform,

As well as the hot search on the microblogging platform.

The world’s netizens, all like to eat rich people’s melon.

The Joules family, one of the world’s top families,

Is stronger than the Korean Lee family and the Japanese Ito family.

Not to mention the top Korean plutocrats like the Lee family,

When a Korean airline owner’s daughter forced the plane to return from New York JFK Airport,

Because the stewardess gave her a packet of nuts but did not put them on the plate.

The incident immediately became the world’s hot topic,

And finally, the daughter, was not only forced to resign, give a public apology, and even she was sentenced to one year in prison.

The Joules family’s curiosity is not known how many notches higher compared to this,

So this kind of big melon is naturally loved by people around the world.

As a result, the Internet is flooded with all kinds of comments and flirtations.

Some people said, "I think this Roger must be a pervert,"

"Otherwise it is impossible to go to such a pr0stitute,"

"This kind of pr0stitute on the country lane, even for ten dollars no one even would look at her!"

"I see the coffin of the old Joules family ancestors, the board can't even cover it!"

"They certainly do not understand how their own family can produce such a heavy mouth offspring!"

Chapter 4158

Someone else said, "I guess, this Roger should have some special fetish,"

"Maybe people with money like the kind of women who are covered with needle eyes and may even carry HIV;"

There are even more damaging people commented:

"You do not know, the Joules family has invested in a large number of drug research and development teams,"

"And biological laboratories over the years,"

"I estimate that the Joules family may have developed a special drug to treat AIDS,"

"The young master Joules plans to personally infected with AIDS, and then to try the drug!"

On the internet, there were all kinds of sarcastic and burning remarks,

And they were in all kinds of languages, simply tuning out the gossiping enthusiasm of the global netizens.

Seeing that the public opinion of the Joules family is getting worse and worse,

Roger is also anxious, crying face to Floyd said:

“Dad, you help me think of a way ah, if this matter continues to ferment so,”

“Not my face is the face of our entire Joules family ah “

The most worrying thing for Roger at this time is that this matter will make him lose his reputation.

If everyone sees him or hears the word, Roger,

He will immediately be associated with his kissing the street girl,

Then his future is completely finished, he is like a bad artist,

And his father in the future will never let him succeed as the head of the Joules family.

Therefore, he could only beg his father to think of a way to help him reverse this situation.

Floyd was also very worried at this time.

Not only was he worried about his son's reputation,

He was also worried about the future of the Joules family.

After all, he had just taken the position of the Joules family's head,

And the outside world had been rumored to have usurped power and seized the throne,

Which made the Joules family itself carry a lot of negative impacts,

And now if this matter was allowed to ferment, then the Joules family's reputation would only get worse.

Thinking of this, he could not help but grit his teeth and said offhandedly,

"Now this situation, if you want to save the day, you can only sell misery"

"Sell misery?!" Joules family members looked at Floyd,

Many of them have already guessed what he was going to do.

Floyd spoke at this time: "We must completely eliminate the negative impact of Roger now,"

"But the Internet spreads things too fast,"

"We simply have no way to make all the platforms around the world to delete the video,"

"In that case, it will only make the public more resentful"

Speaking of which, Floyd's voice sank and he said coldly:

"So, the only thing we can do now is to hurry up and set up a new persona for Roger!"

The crowd looked puzzled, Roger also asked with some confusion,

"Dad, what persona are you going to give me?"

Floyd said, "To give you a great father persona!"

"The reason why you did what you did on the video is not that you were looking for a woman or had any special fetishes,"

"But because your son was kidnapped and you had to go to the danger alone because you were in love with your son!"

“In this way, not only can completely overturn all the negative aspects of the network,”

“But also immediately let you gain a lot of supporters! Let your image in the public’s mind reach a peak!”

Hearing this, Floyd’s second brother, Nelson Joules, couldn’t help but ask,

“Big brother, do you mean to publicize the matter of Patrick’s kidnapping?!”

“Yes!” Floyd said without hesitation, “That’s right! The situation can only be reversed if all of it is released!”

And we have to strike while the iron is hot,”

“Immediately contact the media reporters, let them come to the home to interview, turn the passive into active!”

Roger hurriedly said, “Dad! Will this not anger the kidnapers?”

“In case it angers them, I’m afraid Patrick will be in bad luck

“No.” Floyd waved his hand and said, “Do you think they will rest until they get the money?”

“They have done so much deliberately, is it not to want money?”

“If they kill Patrick, then they won’t get anything!”

Chapter 4159

In Floyd’s view, it does not matter if you are misunderstood,

As long as you can completely lift the misunderstanding as soon as possible, you can often get better results instead.

If you don't believe, look at the world's love movies,

The main man and woman came up to have a prejudice against each other,

After breaking stereotypes, often in order to love with a vengeance.

This is how human nature is.

Therefore, Floyd feels that this is a good opportunity for crisis public relations instead.

As long as they seize this opportunity and give Roger the persona of a great father,

They can not only let Roger turn the tide against the wind,

But also bring the Joules family a better mass base.

At this time, his younger brother Nelson spoke up,

"Big brother, it's a bit deliberate to have reporters come to the house directly,"

"Even if the kidnapers are not enraged, the public will think we are deliberately selling out."

Floyd asked rhetorically, "Then what do you think should be done?"

Nelson hastened to offer advice:

"Brother, in my opinion, we might as well use that video method,"

"First through the hands of a third party to release the news of the kidnapping of Patrick,"

"Roger goes to save Patrick, and then in the dark to push the wave,"

"Let the news ferment, then the media will certainly take the initiative to find us,"

"Then we will be smooth to accept the interview, the truth of the matter completely stays in public."

Floyd nodded repeatedly: "Good idea! This way, it looks more natural!"

When Roger heard this, he hurriedly said, "Dad! There were a lot of people watching at the scene,"

"And a few of them took out their cell phones to take video,"

"They must have captured the whole process of the video,"

"Especially the process of taking out Patrick's ear from the box,"

"If that video is put on the Internet, this matter will be done!"

Floyd immediately said, "Order down, offer a reward of 100,000 dollars to find the video shooter,"

"And then post these videos on the Internet!"

"Yes!" Roger said, "I'll go arrange it now!"

After saying that, he remembered something and asked,

"Dad, I've got that woman under control, should we interrogate her?"

"Let it go, there's no point." Floyd waved his hand:

"That woman is clearly a pawn, it is impossible to get anything even if she is killed."

Roger nodded: "Okay dad, I'll give the order."

Just as Roger was about to follow what Floyd said,

To look for the passerby who had taken the video at the scene,

His phone suddenly received a text message from an unfamiliar number.

The text message read, "If you want your son to live, within the next 48 hours,"

“Prepare \$200 billion in crypto digital currency, otherwise, wait to receive a corpse!”

Roger’s heart stuttered and said offhandedly,

“Dad These people said They want 200 billion dollars before they will let them go

“How much?!” Floyd’s eyebrows wrinkled, cold voice questioned:

“Two hundred billion? Are these people out of their minds?!”

“What kind of fcuking kidnapers dare ask for two hundred billion dollars?!”

Roger was also shocked, what is the concept of two hundred billion dollars?

According to the current share price, it can buy two large business Groups!

Nelson, who was also dumbfounded, couldn’t help but mutter:

“This is no fcuking sincerity at all If he asks for a little less,”

“A billion or two billion dollars, they have some brains,”

“The moment they ask for 200 billion, this fcuking bargain do not know how to return

Floyd said in a cold voice: “Tell them that as long as they release Patrick,”

“I am willing to pay them two billion dollars worth of cryptocurrency!”

Roger immediately called the other party back, but without exception, the phone number was also turned off.

Floyd said in a cold voice: “These ba5tards, they don’t even give a chance to bargain!”

“Do they really think that they can extort 200 billion dollars by kidnapping someone from the Joules family?”

Roger asked him, “Dad What should we do now? The other side only gave us 48 hours

Floyd said with a gloomy face, “Be calm! Since the other side gave 48 hours, then we do not care about him,”

“These 48 hours, what we have to do on the one hand is to reverse public opinion,”

“On the other hand is to think of every way to find these ninjas!”

“If we can’t, we’ll send someone to Japan and arrest all their relatives,”

“And if they dare to kill Patrick, I’ll kill their whole family!”

.....

Chapter 4160

Soon after, the Joules family began their own crisis PR.

They sent a large number of people to search for witnesses near the incident in Brooklyn,

Followed by a promise of \$100,000 in cash to buy the video that captured what happened at the time of the incident.

In addition, the Joules family also promised to use cash transactions for all those who provided video,

Without recording any personal information, so as to make passersby dispel their doubts.

Needless to say, this approach of theirs was very effective.

Soon, the news spread in Brooklyn, those who captured what happened,

All ran over to sell the video to the Joules family.

In twenty minutes of time, the Joules family bought eight different perspectives on the incident video.

However, some of them started filming from Roger kissing the prostitute,

While others, from Roger finding two ears.

It is the earlier versions that the Joules family wants.

Because they want to take this opportunity to sell their misery in front of the media and the audience.

It's just that the family never dreamed that four of these eight passers-by,

Who sold them the video were members of the Dragon hall.

Hogan had predicted that the Joules family would definitely find a way to reverse their reputation,

And would definitely use the opportunity to sell misery,

So this is step by step, all within his calculation.

The reason why these members of the Dragon hall,

Disguised as passers-by in the vicinity to take videos,

Is to provide the Joules family with the shields and ammunition needed for defense.

Even, even the one who exposed Roger's passionate kiss with a prostitute,

On the street at the beginning was also someone from the Dragon hall.

Floyd never dreamed that the people who attacked them,

As well as the people who provided them with defense support, were actually Charlie's people.

The powerful Joules family, at this moment, is like a rat pressed by Charlie in the maze,

Seemingly running out of every step, but they do not know that how they run,

Where they run, there is a pair of big invisible hands in precise control.

And just as the Joules family was looking for the video,

Charlson cox , who was hiding in the Joules family, also saw the video of Roger k!ssing the girl standing on the street on the internet.

This made his heart very surprised, according to reason,

Patrick disappeared, should Roger not try to find the whereabouts of Patrick?

How would he have the leisure to go to the streets of Brooklyn,

And is spending twenty dollars a time to k!ss the street girl?

Charlson cox could not figure it out, so he muttered secretly:

"Maybe Patrick's father also has his own more unique alternative fetish"

Saying that he felt a twitch in his stomach.

It was already the latter part of the night,

And he hadn't eaten a hot meal all night.

This was also mainly because on weekdays,

His meals were brought over by a maid who specialized in serving Patrick.

The maid also knew that he was a good friend of the young master,

So she paid extra attention to him, and came every day at mealtime to deliver food,

Give food and clean up, and even two days ago,

She even half-heartedly had s3x with him and served him very comfortably.

However, the Joules family suddenly had a change of heart,

As if everyone was busy all of a sudden, the maid also did not appear for a whole night.

Charlson cox also does not know whether she forgot him or was too busy to care.

Just when he was hungry, a footstep came, followed by a knock on the door,

And outside the door, the maid asked softly, "Are you asleep, Young Master Charlson?"

Charlson cox hurriedly rolled over and got up, quickly opened the door,

Saw that the woman did not bring the huge meal box as she did previously,

This time she just carried a plastic bag, he then hurriedly pulled her into the room,

Asked in a low voice: "What is the situation outside now?"

"Is there any news from Young Master Joules?"

The maid explained with some apprehension, "Young Master Patrick has not yet been found,"

"The young master just went to Brooklyn and brought back two human ears"

“It is said It is said to be Young Master Patrick’s

Chapter 4161

Charlson cox suddenly widened his eyes and asked in horror, “What did you say?!”

He really didn’t expect that in this world, someone would dare to cut Patrick’s ear.

This kind of thing, cutting off the ear, may not appear once in a lifetime among big families.

Because this method is really a bit too rough, no matter which big family,

Once a family member has his ear cut, his family will definitely fight with the other party at all costs.

He couldn’t help but mutter in his heart:

“If it was really those ninjas who did it, they certainly wouldn’t have had the guts to do it

“After all, the strength of the Joules family is too obvious for them,”

“Though the United States and Japan are separated by 10,000 miles,”

“But once the Joules family really seeks the death,”

“The entire Iga ninja comes together, they are not enough for the Joules family.”

Thinking about this, he couldn’t help but think:

“Could it be that the real culprits behind the scenes are not those ninjas?”

“But if not those ninjas, who else could it be?”

“The young master of the Joules family is not even in the eyes,”

“So I’m afraid the strength of this mysterious person is elusive

Charlson cox 's eyes suddenly glazed over, subconsciously asking himself in his mind:

“Could it be the murderer of Alan?”

At this moment, Charlson cox 's scared body trembled violently,

The whole person also showed a moment of tension with some trance.

He knew very well that if the person behind the kidnapping of Patrick,

Was really the mysterious person who killed his brother Alan,

And made the entire Italian gang vanish into thin air,

Then his next target would definitely be himself

The maid on the side saw Charlson cox 's face full of panic, as his body was trembling uncontrollably,

She hurriedly asked: “Young Master Charlson You What happened to you?”

Charlson cox came back to his senses, and quickly waved his hands and said,

“Nothing nothing I just I didn't expect”

“I didn't expect someone to dare to do this to Young Master Joules”

“Yes” The maid also couldn't help but sigh, “I heard that the master is going crazy”

Charlson cox hurriedly asked, “What else have you heard?”

The maid thought for a moment: “The rest seems to be nothing”

“I heard that after the young master was kidnapped, the housekeeper let us all go to serve the ladies of the family,”

“Afraid that who can not stand the stimulation of something happened,”

“The great grandmother saw the ears of young master Patrick, she got stunned on the spot,”

“I have been following the waiter, just someone got the shift, I rushed to bring you food.”

Said, she hurriedly handed the plastic bag in her hand to Charlson cox ,

A bit shy, and somewhat ashamed said, “Sorry young master Charlson, the situation is urgent,”

“I had no time to go to the kitchen to cook for you, so I brought some convenient food over

Charlson cox smiled slightly, nodded, and said, “Thank you

The maid said shyly, “Young Master Charlson, you don’t have to be polite with me

“Anyway I’m already your person anyway

Charlson cox nodded, deliberately pretended to be stupid, and smiled, but in his heart, he was cursing:

“Damn, goods that can not be on stage, and still fcuking want to pretend to be pure and close, what the h3ll.”

However, he did not have any abnormality on the surface,

Instead, he said very gently: “Edna, keep an eye on it for me,”

“If there is anything found there, remember to tell me first.”

With that, he took off his Richard Miller watch worth more than three million dollars and handed it to the maid,

Saying seriously, "Edna, I came to New York in a hurry and have nothing to give you,"

"So take this watch as a small gift from me."

The maid had been working in the Joules family for five years,

And although she didn't have much money, she was definitely knowledgeable.

She knew that Richard Miller was a very expensive watch brand,

And a basic watch would cost several hundred thousand dollars to start with,

And the piece Charlson Cox was wearing was a limited edition, priced at least two or three million dollars.

Seeing that Charlson Cox was going to give this watch to her,

She was surprised and delighted and wanted to reach out to receive it,

But then said with a nervous face: "Young Master Charlson This"

"This is too expensive I can't accept it"

Charlson Cox said very seriously, "Edna, you just said, you are now my person,"

"I do not give gifts to my own woman, how can I be not stingy?"

Chapter 4162

Once the maid heard this, her heart was instantly sweet to the core and she said happily,

"Then Then, thank you young master Charlson"

Charlson Cox laughed: "No need to be so polite with me."

Saying that, he added: "When this matter is over and young master Joules comes back safely,"

"I will tell him that from now on you should stop working in the Joules family and are coming to Seattle with me."

The maid was surprised and asked, "Young Master Charlson Are you serious?!"

"Of course!" Charlson cox touched her face and said tenderly,

"You are the woman I like, I can't let the woman I like, work as a maid in someone else's house,"

"You are destined to be the daughter-in-law, let others serve you and take care of you,"

"How can I let you take care of others?"

These words of love from Charlson cox , the domineering president,

Made the maid immediately fall deep into it, and her whole being seemed to fall into the sea of Mary Sue.

She felt like she was the happiest Cinderella in the world, finally waiting for her Prince Charming.

The dream of a luxurious family, which had been cultivated in various TV dramas

And literature since childhood was instantly and infinitely activated by Charlson cox ,

Making her whole person incomparably excited.

So she choked up, while sobbing, said: "Charlson Young Master Charlson"

"You Do you really not mind me?"

"I do not mind! Of course, I don't mind!"

Charlson cox took her hand and stroked it while smiling,

“Don’t think too much now, wait for Young Master Joules to come back without worrying,”

“I will mention it to him then, and I believe he will definitely not refuse.”

“Okay

” The maid nodded her head like a garlic,
Her heart was already excited to the point of no additional.

At this time, Charlson cox seems to suddenly remember something, and hurriedly spoke:

“Right Edna, I am really worried about young master Joules,”

“If something happens to him, I am afraid it will also affect the happiness of the two of us,”

“So during this period of time, if you have the opportunity to approach the Joules family,”

“You must be sure to help me pay attention to whether they have mentioned the ninja,”

“If so, and if there is a good opportunity,”

“You have to use your intelligence to create opportunities, understand?”

In addition to the mysterious person who killed his brother, he is most worried about is the ninja.

If this matter is really done by ninjas, he will really be finished.

Because those ninjas are hired by him, once the Joules family investigates this layer,

They can’t even jump into the yellow river.

The reason why he hired those ninjas was to help their grandson kidnap a popular actress,

So that he could fulfill the sadistic desire to kill an actress?

If he really says that, Floyd, believe it or not, will directly kill him!

The maid's brain was already imagining her grand wedding with Charlson Cox ,

And when she heard Charlson Cox say that, she realized that her lifelong happiness now rested on Patrick alone,

So she said without thinking: "Young Master Charlson, don't worry, I'll definitely keep an eye on it!"

Charlson Cox nodded in satisfaction and added,

"Remember, you must not tell anyone about what I told you, including your closest people."

The maid couldn't help but ask, "Young Master Charlson, can I tell my parents about the two of us?"

"They have always been concerned about my lifelong matter,"

"And if they know that I am with you, they will be very relieved"

"Never!" Charlson Cox , hurriedly said, "Once this matter is spread out in advance, it will definitely be known by others!"

Said, he also hurriedly comforted: "Edna, you must remember, I want to take you to Seattle,"

"I want you to live with me, but you know, you are now with the identity of the maid,"

“If the word gets out, we both will be under great pressure;”

“So, my plan is to ask Young Master Joules to help me when the time comes,”

“So that he can erase all your history and file of having worked as a servant in the Joules family,”

“And then I will give you a new identity, and then get you a degree from a famous university,”

“And package you as a lady from a bookish family!”

“This way, in the future, if you follow me in and out of high society,”

“No one will look at you with tinted glasses!”

“However, if this matter is leaked in advance when the time comes,”

“In case others expose your identity of having been a servant,”

“I am afraid that my parents will not agree to the two of us, and you will also face great pressure.”

“So, before young master Joules returns safely,”

“This matter must be kept secret, and must not let anyone other than you and me know about it, do you understand?”

Chapter 4163

The maid, at this point, had long been lame by Charlson cox’s series of flowery words.

Hearing Charlson cox say that he would also package a brand new identity background for her,

This instantly poked at the sensitive place in her heart that had always been humble and fragile.

This made her heart simply grateful to him,

Feeling that this person is the angel who will take her out from the abyss into heaven.

So, she did not have the slightest doubt about what Charlson cox said.

With gratitude, she agreed to do so.

Now Charlson cox was temporarily relieved.

He knew that he was in an awkward position, and staying in the Joules family was only temporarily safe,

But it was still a crisis, so he had to prepare in advance.

So, he put his arm around the maid and continued to compel her,

“One more thing Edna, if you hear my name mentioned in the Joules family,”

“You must tell me first, and later you leave my cell phone number.”

The maid had been completely brainwashed by him at this point.

Without hesitation, she nodded her head and said firmly,

“Don’t worry, Young Master charlson, I will definitely keep a good eye on it.”

“Good

 Charlson cox nodded his head. Exchanged cell phone numbers with the maid,

Then instructed, “Then hurry over and see if you can find out anything.”

The maid said shyly: “Young Master charlson people people just handed over their shifts,”

“There is nothing going on at the moment or... ..how about I stay with you for a while, okay?”

Charlson cox is like a human being and can see what this maid means.

However, now how can he still has that leisure heart to think about those men and women’s affairs.

So he suppressed his impatience and said,

“It’s urgent, let’s get down to business first,”

“In case there’s anything wrong with this, we may not have a chance to get together.”

Once the maid heard this, her heart shook and she nodded:

“Okay, Young Master charlson, then I’ll go over there and see if there’s anything I can do to help!”

Charlson cox nodded in satisfaction and said,

“Go quickly, don’t forget to tell me first when you have news!”

“Okay” the maid promised. Only then did she leave Charlson cox’s room with reluctance.

After she left, Charlson cox cursed this woman for not having any self-awareness,

And at the same time, he felt pain for his limited edition Richard Mille watch.

Do not look at the charlson family is already worth hundreds of billions.

In order to earn this money, he does not know how many young women he had to kill.

So, how could he be willing to waste a watch of several million dollars on such a woman.

However. He quickly thought of an idea, can't help but think:

"If this matter can pass peacefully, then before I leave the Joules family."

"I simply will trick her out, let people take her away,"

"After taking the watch back then sell her, with her beauty, although not good for auction."

"But can sell her for a hundred thousand dollars very easily to those lowly gangs who would be able to earn this money back!"

Thinking of this, his heart finally felt a lot better.

Now he thinks, this piece of watch is not going to get away.

.....

At the same time, several videos suddenly caught fire on the Internet.

Different from the previous ones.

These videos, captured the follow-up of Roger kissing a prostitute passionately.

When people saw him get two human ears from the prostitute's hand, everyone thought they were blinded.

And when they saw Roger holding the two human ears, bawling and crying,

And calling out his son Patrick's name under his breath, everyone was stunned and dumbfounded!

Just then, a number of hidden forces in the comments began to guide public opinion.

Chapter 4164

They took the identity of those who were in the know.

Telling all netizens that Roger was not really looking for a woman on the street,

But the real reason is that his beloved son Patrick was kidnapped!

The bandits brutally cut off his son's two ears and gave them to this pr0stitute.

And Roger's passionate k!ss with the pr0stitute was just a prank of the bandits.

As for Roger, he not only has to bear the pain of his son being kidnapped and hurt,

But even have to bear the unknown netizens those crazy like internet violence.

At this moment, people realized. It turns out that they had completely misunderstood Roger before!

Before, the video of him k!ssing a pr0stitute on the street made...

Countless people's senses extremely disgusted with him,

And the Internet was clear of accusations and abuse against him.

But now, everyone realizes.

It turns out that Roger is a great father who deserves everyone's respect and admiration.

Every person who had scolded him felt incomparable remorse and guilt in their hearts for their previous remarks.

In an instant, countless people began to support solidarity with Roger,

And even many people in the comments area apologized for their previous wrong statements,

The tone of voice and attitude are extremely sincere!

The Joules family's previous public opinion crisis was instantly resolved,

Not only eliminating all the negative effects.

It even allowed the Joules family to gain a large number of people's support.

Seeing the overwhelming apologies, sympathy, and praise on the internet,

Roger's mood instantly got a lot better and he couldn't help but say to Floyd full of excitement,

"Dad, your solution is really wonderful, it's simply saving the day and fighting back in the end

Floyd saw that the situation was completely controlled by himself easily.

Finally relieved at the same time, but also can not help but feel some complacency.

He stroked his beard and spoke: "Now we have two most important things at hand."

"One is to find out the true identity of the Japanese ninja as soon as possible,"

"The other, is to strike while the iron is hot."

"Maximize the role of the media, the interview should be interviewed, it is not possible to hold a press conference."

Second brother Nelson hurriedly said,

“Big brother, the people who are meant to be sent to Japan are already ready,”

“And will immediately rush to the airport, and will arrive in Japan in thirteen hours.”

Floyd frowned and smacked his lips, “Tsk speed is still too slow ah”

“No way.” Nelson said helplessly, “We started late and did not grab a Concorde when it was available,”

“Currently there is no supersonic airliner available on the market.”

Floyd opened his mouth and said, “Find out which families bought them at that time,”

“And find a way to buy one back regardless of cost, it will definitely be used in the future.”

“Okay!” Nelson nodded and said,

“I will have someone investigate the Concorde registered worldwide today and try to buy one.”

At this time, the butler of the Joules family walked in and said to Floyd,

“Master, the CEOs of CNN and the New York Times called and wanted to do an interview with the youngest master,”

“I don’t know if it’s convenient for you, what do you think?”

“Good thing!” Floyd said without thinking, “Let them come over,”

“It’s just that Roger can also send a message to the kidnappers in front of the media,”

“That the Joules family is ready to take two billion dollars for the ransom,”

“As soon as they have considered it, they will contact you.”

Roger hurriedly nodded his head and said, “Okay dad, I know!”

At midnight, a team of reporters from CNN and the New York Times arrived at the Joules family estate.

Overnight to conduct an interview with Roger.

In the interview, Roger detailed the whole story, followed by media praise of his son Patrick.

Chapter 4165

Roger said with emotion: "Patrick is not very old, but has been very mature and low-key."

"And he is honest, modest and kind, and is considered a very outstanding young talent."

"You may not know that Patrick was hosting a charity dinner initiated,"

"And organized by himself a second before he was kidnapped, and because of his low profile,"

"This charity dinner, he did not open it to the outside world, and to our surprise,"

"It was this charity dinner that gave the kidnappers the opportunity to take advantage of it,"

"And just a few minutes before he was ready to go on stage to give a speech, he was kidnapped."

The reporter couldn't resist asking, "Excuse me. What was the charity dinner that your son initiated about?"

"It's about rescuing orphans."

Roger explained, "Patrick is not very old and has always been concerned about the growth and education of orphans,"

"So he put out tens of millions of dollars."

"And in cooperation with the New York Chinese Chamber of Commerce,"

"He intended to set up a charity foundation to specifically aid orphans."

When the reporters heard that Patrick was ready to put out tens of millions of dollars for charity,

One by one, they also admired him.

At this time, Roger pleaded very emotionally in the interview,

"If the people who kidnapped Patrick, can see this interview,"

"I, as a father, beg you not to continue to hurt him, your asking of \$200 billion ransom is indeed too unrealistic,"

"But the Joules family is willing to put out \$2 billion ransom,"

"Only to ask you to let him come home safely,"

"He is still young, the future is still a long way,"

"Let him come home, he still has to do a lot for this society!"

This interview, which was quickly sent by two media outlets overnight to TV media as well as online platforms,

Instantly ignited the entire public opinion.

When everyone saw Roger's choked and painful statement in the interview,

Everyone sympathized with this middle-aged man,

And when they heard that Patrick is such an outstanding young talent,

Their sympathy for Patrick immediately flooded up.

The netizens spontaneously started a solidarity campaign for Patrick on the Internet,

And more than hundreds of thousands of enthusiastic netizens even went to the White House to petition.

The White House was asked to step in and rescue Patrick.

This instantly stirred up the matter to the sky.

In the New York Police Department, Jack Li was worried after reading the media reports.

Now. The whole world knows that Patrick was kidnapped in New York and had his two ears cut off,

But the delay in finding the kidnappers has increased the pressure on the entire NYPD.

Jack Li, as a well-known police detective, is even more anxious as ants on a hot pot.

Unfortunately. The scene really did not leave any valuable clues,

So far, all the police officers poured out to find the latter part of the night,

But they could not find where the junk car went.

The car can not be found. Trying to find people will be even more difficult.

When he was at a loss, a phone call came.

When he saw the words on the phone screen, he hesitated for a moment,

But picked up the phone and said with a sarcastic smile,

“What, you just saw the media report and you can’t help but come to troll me?”

On the phone, a man said with a smile, “If you, a sleuth, accidentally fell on your face.”

“I will definitely be the first to troll you,”

“But you are now on the edge of the cliff, how can you fall on the well at this time?”

The person who spoke was the first uncle, Desmond evans ,

Who was instructed and expelled from Rejuvenation Pill auction the other day.

Chapter 4166

At this moment, Desmond evans added: “You should still be at the police station now, right?”

“In.” Jack li laughed at himself, “After such a big incident,”

“I’m afraid I’ll have to live in the police station for the next few days.”

Desmond evans smiled faintly said: “It seems I guessed right, I’m downstairs now, if it’s convenient for you, I’ll come up now.”

Jack li’s expression was surprised. He wanted to ask something,

But held back and busily said, “I’ll have someone pick you up!”

“Okay.”

Soon, Desmond evans, who was wearing a duck-tongue cap and a black mask on his face. Led by a police officer, came up.

He carried two kraft paper shopping bags and came directly to Jack li’s office.

As soon as Jack li saw him, he was surprised and asked,

“Desmond evans , why did you come to New York?”

“Didn’t we hear that you went to China some time ago?”

“Yes.” Desmond evans nodded and laughed bitterly, “I went to China,”

“But I ran into a lot of dust, so I came back in disgrace.”

Jack li asked curiously, “What happened? There are still people who can make you meet the wall?”

“Don’t mention it.” Desmond evans said helplessly:

“This matter is really a child without a mother, it’s a long story.”

After that, he put two kraft paper bags on the table, and asked,

“You are now considered off duty, right? I brought some food from Chinatown,”

“And a bottle of your favorite Xifeng wine, if you can drink, let’s have a few drinks.”

Jack li laughed and said, “I’m already fcuking off duty.”

“I don’t dare to go home because I’m afraid that the melon goon media will block me.”

Saying that, he hurriedly took out the bottle of Xifeng wine from the bag, exclaiming,

“Holy 5hit, this wine must have been stored for decades, right?”

Desmond evans nodded: “It’s said to be from the early days of the founding of the country.”

Jack li sighed: “If my old man were still alive, he would be overjoyed to see this wine!”

Jack li’s ancestors were from the northwest and during the Republic of China,

He was already a very famous and wealthy businessman in the northwest,

And later, when World War II started, the family fled to the United States from the country.

After many hardships, they put down roots in the United States.

And Jack li and Desmond evans are of similar age, both in the fifties,

They are also born and raised in the United States,

Although not grown up in the Northwest, but because of the influence of their fathers,

Many habits are consistent with the Northwest people.

Jack li's grandfather and father, all love Xifeng wine, to his generation is also the same.

Desmond evans at this time from the kraft paper bag, took out some packaged cold dishes,

There are pork head and other marinated items, also some crisp cold vegetables, peanuts, and other things.

He opened the things one by one and set them up while sighing:

“Oh, that particularly good Cantonese style roast goose in Chinatown is not open today.”

“Otherwise, I would have bought an extra roast goose to eat.”

Jack li said, “What's so good about that stuff, it's sweet and cloying, might as well just bake it and eat it.”

Desmond evans laughed: “That Cantonese style, roast on the blast furnace and then slice into meat for you to eat like rolled cake, does it not become a normal roast duck?”

Saying that Desmond evans handed him a pair of chopsticks,

And Jack li found two disposable water cups. Two glasses of wine were poured.

Jack li picked up the cups and said impatiently, "Come on, let's go for one!"

Desmond evans nodded, and the two paper cups symbolically clinked. Then each took a sip.

Then, Desmond evans put down his cup and asked: "You and I have been brothers for many years,"

"Is there anything that I need to help you with at the moment?"

"Although the evans family's focus has shifted to the West Coast in the past few years."

"But New York is after all our old base,"

"There are still a lot of people here, I should be able to help you a bit"

Jack li smiled and spoke: "Thank you for your kind words, but I feel that the matter at hand,"

"Not a lot of people can solve, the clues all of a sudden broken too completely,"

"As if a knife in the void directly cut off,"

"It looks like there is a very large and professional team behind the control,"

"If I can not find the breakthrough point of this team, then the case may never be solved."

Desmond evans nodded and sighed, "I really didn't expect that someone could kidnap the Joules family in New York and still leave,"

"You, a Chinese detective, at a loss, could it be that some big shot came from New York?"

Chapter 4167

Hearing Desmond's judgment, Jack li smiled wryly:

"I think the same as you, in New York, there are not many people who can move the Joules family."

"When Rothschild and you settle down, at most four or five families have this ability,"

"But this time, the way these people play is not the same as any of yours."

"Indeed," Desmond said in agreement:

"This kind of gameplay is not something that a few big families can do. It's very wild and large scale."

"You think so too?" Jack li sighed: "I once thought that it might be a new Gang,"

"Generally new gangs have to do some earth-shattering things if they want to be successful,"

"But if you think about it carefully, it seems that something is not right."

"If any gang plays like this, it is basically a dead end. No gang can follow the Joules family."

Desmond said in agreement: "And I can be sure that these people are not doing it for money,"

"If it is for money, they will not demand such exaggerated conditions as a ransom of 200 billion US dollars,"

"Which is basically equivalent to the It is as unrealistic."

Jack li nodded: "It's not for money, it's even more bizarre."

After speaking, he asked Desmond, “Desmond, have you watched those few videos that are hot on the Internet?”

Desmond nodded: “I saw it all.”

Jack li frowned: “I don’t know why, I feel that there is a bit of evil in it!”

“It’s so evil! The two videos are one after the other.”

“On the surface, they first suppressed the Joules family from public opinion,”

“But in the end, the Joules family seized the opportunity to win back some zone

“But in fact, it gives me the feeling that someone is deliberately manipulating all of this,”

“Just to give the Joules family such a chance to move forward...”

Desmond said: “I called you just to remind you of this, and I also think this is very strange!”

“From the video, it seems that the other party is just playing vulgarly and intimidating Adam,”

“And the tactics are also very strange. It was rough, but everything that happened later gave me a feeling,”

“As if this matter was not as rough as it looked on the surface!”

“Not only was it not rough, but it was accurate to the extreme!”

“It was so accurate that he could predict Joules’s family move in advance.”

“Every step of the way, deliberately using this method to lure the Joules family to the public.”

Jack li patted his thigh and blurted out: “Yes! That’s it!”

“They are fishing! They want to catch the entire Joules family from the deep sea,”

“Let them take the initiative to expose themselves to the attention of the world...”

After speaking, he quickly asked: “Desmond, what do you think he wants to do?!”

Desmond smacked his lips: “If they didn’t cut Patrick’s ears,”

“I might think that all this is a good play directed and acted by the Joules family,”

“So that the Joules family’s prestige can be rapidly increased,”

“And at the same time, Patrick’s reputation can be spread far and wide.”

“Patrick has laid an extraordinary foundation.”

“Think about it, when everyone in the world is looking forward to Patrick’s safe return,”

“They will come up with a successful rescue scene, which will make Patrick cry for thousands of times.”

“Once he comes out, and the whole world will celebrate and cheer for the perfect ending.”

“Patrick will have a bright future in this way.”

Jack li said, “But, they did cut off Patrick’s ears!”

“The technology has maximized the picture quality of those videos,”

“Enlarged the image of the pair of ears in the video,”

“And compared with Patrick’s previous physical features, it is indeed his ears, there is no doubt about it!”

“Yes.” Desmond said solemnly: “It is this point that makes me deny this assumption.”

“The Joules family is definitely not the manipulator behind the scenes.”

“The real manipulator is premeditated to draw the Joules family into the spotlight little by little.”

Chapter 4168

Jack li asked: “Let the snake out of the hole, and in front of the world, what is this for?”

Desmond said slowly: “Since the assumption just now does not hold...”

“Then the other party’s motive is only left. There is another possibility.”

Jack li said: “You mean that the goal of this group of people is not Patrick, but the entire Joules family?!”

“That’s right!” Desmond said excitedly: “We can really think of going together!”

Jack li sighed: “But I still don’t quite understand why the Joules family is attracted to the spotlight,”

“Do they want to be in front of the whole family?”

“From the world’s side, attack the Joules family?! That would be too arrogant, the whole world will not forgive them,”

“And by then, they will definitely become public enemies of the whole people!”

“Unless...unless they have absolute certainty that they can completely reverse the current situation!”

Speaking, Desmond's rare expression became a little frightened,

And he blurted out: "I see! This must be a public execution."

Public execution..." Jack li muttered and repeated, his eyes suddenly lit up, and he blurted out:

"I understand! If we follow your inference, that mysterious person must have mastered the huge scandal of the Joules family."

"Even once this scandal is exposed, the entire Joules family will probably suffer a devastating blow!"

"And they deliberately used this method to attract the Joules family to the spotlight of the world,"

"Just to make the Joules family doomed!"

Desmond nodded, and said solemnly: "That's right! I guess that's what happened!"

Jack li said with a horrified expression:

"Then this is really a public execution... It is first suppressed, then raised, and then slammed down... .."

Speaking of which, Jack li tapped the table repeatedly and muttered,

"What is it, to have such great ability... Could it be..."

"Could it be that the old man of the Joules family has come back to seize power?!"

Just as Desmond was about to speak, Jack li quickly shook his head again:

"No! Even if the old man Joules comes back, he would not be able to attack his great-grandson,"

“And since the old man of the Joules family has been completely overridden,”

“It is impossible to have another one. Mysterious power...”

Desmond couldn't help laughing when he saw his friend was puzzled:

“It seems that you, the best detective, also have troubles at times.”

Jack li smiled bitterly: “The main thing is that there is indeed a problem.”

“Contrary to common sense, if the other party is really so strong,”

“We can't have heard of it, how can someone in today's society accumulate such a powerful force quietly?”

Desmond smiled bitterly and said, “Many things... are indeed contrary to common sense.”

“In other words, we are actually ignorant...”

He looked at Jack li as he spoke and asked: “Do you believe it or not, there is a medicine in this world,”

“The size of a quail egg, but it can't be bought for 300 billion US dollars?”

Jack li was dumbfounded and blurted out: “What did you say?! \$300 billion for a pill?! Are you sure?”

Desmond nodded firmly: “Yes! You heard right, it is three hundred billion!”

Jack li frowned and said, “Could it be a target that can cure cancer?”

“Sell 300 billion together with the patent? Even then that's too expensive...”

Desmond laughed: “Also the patent...you think it's beautiful!”

“It cost 300 billion US dollars to make a pill, just to buy that pill,”

“Not only do they not give you the formula, but they not even allow you to take it with you.”

“If you buy it on the spot, you must eat it on the spot.”

“Fcuk...” Jack li uttered foul language and curled his lips:

“Fcuking crazy, you dare to sell it for 300 billion US dollars?”

“It’s even crueller than these kidnappers! Which idiot would buy it at such an expensive price?”

Jack li blurted out a sentence, making Desmond’s face darken.

However, he calmly picked up the wine glass and took a sip before smacking his lips and said lightly,

“The fool you said is me.”

Chapter 4169

Jack li looked at him in a stunned manner, and blurted out,

“Grass! What’s the situation? Are you being deceived by people?”

“No.” Desmond waved his hand and laughed at himself:

“You are still being deceived, I offered a fcuking price of \$370 billion.”

“And I wish I could kneel down on the spot,”

“But they didn’t sell it to me, and they kicked me out of the auction venue.”

Jack li felt that his three views had been subverted, and subconsciously asked:

“What kind of medicine... ..can you spend 370 billion US dollars?”

“What is the concept of 300 billion... Alibaba’s market value today is only 292.8 billion US dollars,”

“That is to say, if you put the whole Alibaba into it, you can’t get one fcuking medicine?!”

Desmond said very seriously: “I can’t change it, if I could,”

“I would have changed it a long time ago.”

After that, Desmond looked at Jack li and asked curiously.

“You are a policeman, why are you so obsessed with stocks? How about investing in stocks?”

Jack li sneered and shook his hands: “Don’t fcuking mention it,”

“I have some savings on hand, I bought all the stocks of this company,”

“And up to now, I have lost more than half of it.”

Desmond scolded: “Fcuk, tell me about the stock market, I will give you some news,”

“Whether you are short or long, you are guaranteed to earn several times the profit!”

Jack li earnestly Said: “You know my situation, I don’t have much money,”

“And I have nowhere to go if I have a lot of righteousness.”

“Besides, I am a federal police officer. If I still rely on inside information to invest in stocks,”

“Then I know the law and break the law, and the FBI will investigate me.”

“Yes.” Desmond shook his head and sighed: “I told you a long time ago,”

“Don’t be a police officer, it doesn’t make sense, you just don’t listen.”

Jack li waved his hand: “Don’t talk about me, let’s talk about you.”

“What kind of medicine, what kind of medicine is it, can it be worth 300 billion dollars?”

Desmond said with a somewhat fascinated expression:

“That’s a magical medicine that can cure all diseases of the body,”

“Make dead trees bloom, and turn back time by twenty years...”

Jack li frowned: “Which is such a wonderful imagination, have you watched a lot of movies?”

Desmond smiled and said, “You haven’t seen it with your own eyes,”

“So no matter what I say, you won’t believe it, but when you see its effect with your own eyes,”

“You’ll be on the ground like me.”

With that said, Desmond recounted to Jack li what he saw at the Rejuvenation Pill auction that day.

Jack li was dumbfounded after hearing this, and blurted out:

“It’s fcuking incredible... There is such a magical thing in this world,”

“So magical that I can’t think of any scientific basis for it.”

“I feel like I studied here. So many years and so many books all have been read in vain.”

Desmond smiled: "So I said just now that many things we think are unlikely,"

"Maybe it's not the problem itself, but we don't know enough."

Jack li sighed and said: "If there is such a medicine, my father may be able to live a few more years,"

"But it is useless, I can't afford this medicine."

After speaking, he remembered something, looked at Desmond, and asked :

"Why do you want to buy this thing? Who is it for?"

Desmond sighed softly: "I bought it for the old man, his Alzheimer's symptoms are getting worse now."

"Alzheimer's disease?" Jack li blurted out: "It's Alzheimer's, for real?! When did Uncle evans get this disease?"

Desmond said with emotion: "He has been ill for more than two years,"

"And at first I found that he always forgets easily."

'Sometimes when he just puts things down, he can't remember where he put them in a blink of an eye,"

"What he just said, he forgets in a blink of an eye, and then says it again; He asks again..."

"At that time, we had already let the best experts intervene,"

"And also took him to do some systematic training to fight the disease,"

"But the cause of this disease is the functional decline of the brain,"

"So there is no effective medical treatment. After that, his condition continued to deteriorate."

Chapter 4170

Speaking of this, Desmond said with a wry smile: "To tell you, this disease is fcking weird."

"As long as I remember, the old man's condition developed to the point,

"That for the last four or five years, he is completely blank."

"My son had given birth to a great-grandson, but he always felt that my son is not married,"

"And every time he saw him, he urged him to hurry up to get married,"

"And then the condition continued to deteriorate."

"He can't remember anything from the past ten years."

"He doesn't know my son, because, in his memory, my son is in the state of the young man ten years ago..."

Jack li listened and couldn't help but sighed: "Uncle An is a hero among Chinese emigrants all over the world."

"He has been tough and strong all his life. For him to have this kind of disease, it is really great torture..."

Desmond covered his face and took a deep breath.

He breathed, and then said with some red eyes:

"His condition has been deteriorating, his memory has degenerated from three to five years to ten years,"

"And half a year ago to almost twenty years ago..."

Desmond was silent for a while. When he got up, tears could not help but well up in his eyes.

Jack li's eyes widened and he blurted out:

"Desmond, your sister's affair... It was almost twenty years ago..."

"Yes..." Desmond lamented: "His memory is stuck in that time now."

"The time when my sister just passed away was the most painful stage in his life."

"At that time, he regretted and blamed himself every day and washed his face with tears."

"When his memory got stuck here, he woke up every day and just holding the photo of my sister,"

"He secretly wept, and kept saying that he killed her, and the whole person's condition became very bad."

Jack li hurriedly asked: "Was it all right in the past?"

"I mean When his memory continues to degenerate for a period of time,"

"To the stage where he and your sister were in a cold war before your sister had an accident, wouldn't it be better for him?"

Desmond nodded and said:

"I thought so too before, but I never thought that he has not experienced memory loss in the past six months..."

"Maybe this period of time was too hard for him, so his memory is stuck here and can't go through..."

Jack li was stunned for a moment, and then he muttered:

“Memory stuck at the most painful stage of life... this... this is too fcuking cruel...”

“Yes Ah...” Desmond said with red eyes, “It’s so fcuking cruel...”

“So for the past six months, basically every day he wakes up,”

“He has to experience the pain of just losing his beloved daughter...”

After speaking, he hammered his own heart, he gritted his teeth and said,

“As a child, seeing my own father live in that kind of extreme pain every day, my heart... it’s not in its place...”

Jack li’s nose was also a little sore. He couldn’t help rubbing it, and asked,

“What did the doctor say? Is there any good way? Let’s not talk about treatment, even if he gets worse...”

Desmond shook his head and said in a sullen voice: “There is nothing the doctor can do,”

“This kind of disease, whether it is good or bad, will not be disturbed by external forces,”

“In the final analysis, this is the old man’s own inner demon,”

“And he has not really let go of it for so many years.”

Speaking of this, Desmond took a sip of wine and said to Jack li:

“So you can understand why I am an idiot,”

“Why am I willing to spend more than 300 billion US dollars to buy that rejuvenation pill...”

“With it, the old man’s condition can be relieved...”

Jack li did not speak, he filled the wine glass by himself and then drank it in one gulp.

Then he said guiltily: "I'm sorry Desmond, my broken mouth is so fcuking stinky, don't mind what I said."

Desmond waved his hand and smiled.

"I've known you for so many fcuking years, how can I still know what kind of temper you have?"

Jack li nodded and asked him, "Then what are your plans next?"

Desmond said, "Came back to relax, after a while. I have to go to China again to see if I can find the owner of the rejuvenation pill,"

"No matter what, I have to ask him for a rejuvenation pill at any cost..."

Speaking of this, he let out a long sigh, looked at the almost bottomed wine bottle,

and said in a hollow voice: "Even if the old man made all kinds of mistakes back then,

Adding all the cruelty he has suffered in the past six months together can be regarded as a debt payment. It's over..."
